DETAILED SUMMARY STATEMENT:
The City currently has a contract with the Yakima County Department of Corrections for housing City of Everett inmates in the Yakima County Jail through the end of 2016. The City uses that jail primarily to house inmates that the Snohomish County Jail will not accept under current booking restrictions and inmates sentenced to serve lengthier sentences, as the daily housing rates are considerably lower than Snohomish County's daily housing rates.

This addendum extends the contract for one additional year, through the end of 2017, and increases the daily housing rate by 4.5%, which is reflected in the new sliding scale shown in the addendum. The new rate is still approximately 50 dollars per day lower than the Snohomish County rate for standard housing and 100 dollars per day lower than the specialty housing rate for medically compromised inmates.

Council Approved on 12/28/2016

RECOMMENDATION (Exact action requested of Council):
Authorize the Mayor to sign the Inmate Housing Agreement Addendum with the Yakima County Department of Corrections.
