DETAILED SUMMARY STATEMENT:

In the 2015 legislative session, the Washington State Legislature adopted legislation to combine the medical marijuana and recreational marijuana laws as they relate to retail establishments. As a result of this change, the State Liquor and Cannabis Board is proposing new regulations for retail marijuana stores and marijuana cooperatives, including the number of retail establishments that will be allowed in each city or county.

Under the previous rule, Everett is allowed to have a maximum of five stores. Under the new regulations, Everett would be allowed to have up to ten stores. There are four stores currently operating in the City; a fifth is in the permit process.

On March 1, 2016, the Planning Commission held a public hearing to consider allowing at least five, but potentially less than a total of ten stores in Everett.

RECOMMENDATION (Exact action requested of Council):

Adopt Ordinance establishing a limit on the number of retail marijuana stores in the City of Everett, and amending Ordinance No. 3443-15.

ORDINANCE NO. ____

**An Ordinance establishing a limit on the number of retail marijuana stores
in the City of Everett, and amending Ordinance No. 3443-15**

Whereas, the City Council finds the following:

1. State Initiative 502 (“I-502”), approved by Washington voters in November 2012, provides a framework for licensing and regulating the production, processing and retail sale of recreational marijuana.
2. In July 2015, the City adopted land use regulations based on available information at the time in order to provide policy and regulatory guidance and facilitate the review of recreational marijuana license applications within City limits.
3. The State Legislature enacted the Cannabis Patient Protection Act in 2015, establishing regulations for the formerly unregulated medical marijuana system and aligning it with the existing recreational system.
4. In response to changes in state law adopted in the last legislative session, the State Liquor and Cannabis Board has amended its rules on the number of retail marijuana stores to be allowed in each municipality and has determined that the maximum number of retail marijuana stores to be allowed in Everett shall increase from five to a total of ten.
5. The City Council has asked the Planning Commission to consider establishing a limit on the number of marijuana retail stores, including whether the number should be limited to five stores, if ten stores should be allowed, or if a number between five and ten stores is an appropriate number of retail marijuana stores in the City of Everett.
6. There are four retail marijuana stores currently in business in Everett and a fifth is approved and will soon in open for business.
7. There are many retail marijuana stores located in the unincorporated area of Snohomish County located south of the Everett city limits.
8. Many cities in Washington, including cities in parts of Snohomish County surrounding Everett, have enacted a total ban on the establishment of recreational marijuana retail stores and production and processing facilities.
9. Washington courts have upheld the rights of municipalities to ban or exclude recreational marijuana land uses within their local land use regulations.
10. The existing marijuana retail stores in Everett will be permitted by the State Liquor and Cannabis Board to provide marijuana to medical marijuana patients.

Whereas, the City Council concludes that:

1. The City Council held a public hearing on the Ordinance on March 16, 2016.
2. Cities have the right to either ban or to establish limits on the number of marijuana stores in their municipal limits.

NOW, THEREFORE, THE CITY OF EVERETT DOES ORDAIN:

Section 1: FINDINGS OF FACT. The “WHEREAS’ provisions above shall constitute Findings of Fact and are incorporated by reference as if fully set forth herein.

Section 2. Section 41 of Ordinance No. 1671-89, as amended (EMC 19.41.150), which reads in part as follows:

41.150.E. Notification. Notification for special property use applications shall be provided according to the required review process, as specified in Title 15, Local Project Review Procedures.

F. Review Authority Decisions.

1. Conditions and Restrictions. If the review authority approves a special property use permit, conditions and restrictions may be applied thereto, which exceed the minimum standards required by this title, when necessary to assure that the proposed use complies with all requirements of this title and is compatible with surrounding land uses.
2. Time Limit on Approval. The effective time period in which the applicant may establish the use proposed by an approved special property use permit shall be five years from the date of the written order granting approval of the permit. The written order may specify a

shorter time period if the review authority determines that it is in the public interest to authorize a shorter period of time in which to establish the use. The planning department may authorize one extension of time for a period of not more than one year if it can be found that circumstances beyond the control of the applicant prevented the establishment of the use.

3. Appeals.

- a. Review Process II. The planning director's Review Process II determination may be appealed as provided by Title 15, Local Project Review Procedures.
- b. Review Process III. No administrative appeal is provided for Review Process III decisions.

Is hereby amended to read as follows:

41.150.E. Adaptive Reuse of Non-Residential Buildings in Residential Zones.

1. Purpose. The purpose of this section is to allow for adaptive reuse of non-residential buildings in residential zones that are functionally obsolete in order to improve the economic feasibility of a property by considering uses that are not otherwise permitted, but which, if properly designed and managed, would not create unacceptable impacts on surrounding properties or the immediate vicinity in general. This process differs from the unlisted use process listed in EMC Section 19.02.080 in that uses that are not specifically authorized in the underlying residential zone may be considered using the process described herein.

2. Procedures. Any request to allow a use that is not otherwise permitted in the underlying residential zone shall be processed as a special property use. If the property is in or within 500 feet of a single family residential zone, the application shall be reviewed using Review Process III. If the property is more than 500 feet from a single family residential zone but is in or within 150 feet of a multiple family residential zone, the application shall be reviewed using Review Process II. If the property is outside a historic overlay zone but listed on a historic register or as a contributing structure in a historic register district, the historical commission shall review the proposal and make a recommendation to the hearing examiner using Review Process III.

3. Circumstances. The city may allow a use in a residential zone that is not specifically allowed in that zone if it is necessary to encourage adaptive reuse of a building under the following circumstances:

- a. It is unlikely that the primary building on the subject property could be preserved if only uses permitted in the underlying zone were allowed.
- b. Allowing a different use would enhance the character of the building and immediate vicinity.
- c. The use would not have a detrimental effect upon surrounding properties or the immediate vicinity.

4. Uses. The following uses may be considered for adaptive reuse of an existing building in a residential zone:

- a. Dwelling units. Density based on underlying zoning plus one additional dwelling unit;
- b. Assisted living facilities;
- c. Libraries;

- d. Museums and art galleries;
- e. Social service facilities;
- f. Public services;
- g. Business incubator;
- h. Artist studios;
- i. Music venue;
- j. Cafes and bistros;
- k. Live-work units;
- l. Bed & Breakfast
- m. Other uses not listed above if determined through the review process to be compatible with surrounding properties and the immediate vicinity.

5. Review Criteria. The following criteria shall be used as the basis for determining compatibility with surrounding uses and approving, denying, or conditionally approving a request to allow the adaptive reuse of a non-residential building in a residential zone:

- a. General evaluation criteria of 41.150.C.
- b. The adaptive reuse would promote or aid in the preservation or rehabilitation of the primary building.
- c. No significant adverse impacts to public safety.
- d. Compliance with building and fire codes.
- e. Hours of the day of proposed use or activity.
- f. Proposed management and operational procedures to minimize and mitigate potential impacts.
- g. Expansions to the primary building shall not exceed 10% of the existing footprint or 500 square feet, whichever is greater, and will not detrimentally affect the outside character of the building.
- h. Other factors not specified herein that would create adverse impacts to the immediate vicinity.

6. Any proposal that would adversely affect properties in the immediate vicinity shall be denied. The city shall retain the right to revoke a permit issued under this section that fails to comply with any conditions of approval of said permit, or which operates in a manner inconsistent with representations made in the application, pursuant to EMC Title 1 Chapter 1.20.

F. Notification. Notification for special property use applications shall be provided according to the required review process, as specified in Title 15, Local Project Review Procedures.

G. Review Authority Decisions.

1. Conditions and Restrictions. If the review authority approves a special property use permit, conditions and restrictions may be applied thereto, which exceed the minimum standards required by this title, when necessary to assure that the proposed use complies with all requirements of this title and is compatible with surrounding land uses.

2. Time Limit on Approval. The effective time period in which the applicant may establish the use proposed by an approved special property use permit shall be five years from the date of the written order granting approval of the permit. The written order may specify a shorter time period if the review authority determines that it is in the public interest to authorize a shorter period of time in which to establish the use. The planning department

may authorize one extension of time for a period of not more than one year if it can be found that circumstances beyond the control of the applicant prevented the establishment of the use.

3. Appeals.

- a. Review Process II. The planning director's Review Process II determination may be appealed as provided by Title 15, Local Project Review Procedures.
- b. Review Process III. No administrative appeal is provided for Review Process III decisions.

**CITY OF EVERETT
PROFESSIONAL SERVICES AGREEMENT**

THIS AGREEMENT made and entered into on this day of , , by and between the **CITY OF EVERETT**, a municipal corporation under the laws of the State of Washington, hereinafter referred to as the “City,” and Botesch, Nash & Hall Architects, P.S., whose address is 2727 Oakes Avenue, Suite 100, Everett, WA 98201, hereinafter referred to as the “Service Provider.”

WHEREAS, the City desires to engage the Service Provider to Design and Engineering service for the Men's and Women's Restroom Remodel at the Carl Gipson Senior Center for the City of Everett; and

WHEREAS, Service Provider represented, and by entering into this Agreement now represents, that it is fully qualified to perform the work to be performed hereunder in a competent and professional manner;

NOW, THEREFORE, the parties herein do mutually agree as follows:

1. **Engagement of Service Provider.** The City hereby agrees to engage the Service Provider, and the Service Provider hereby agrees, to perform the work in a competent and professional manner and provide the services described in the attached "Exhibit A - Scope of Work". The Scope of Work so identified is hereafter referred to as “Work”. Without a written directive of an authorized representative of the City, the Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work. If the Service Provider’s proposal is attached as an exhibit, and if such proposal contains or incorporates any conditions or terms in addition to or different from the terms of this Agreement, then the Service Provider expressly agrees that such conditions or terms are neither incorporated nor included into this Agreement between the City and Service Provider. If, and to the extent, the Work includes the design of a public work or improvement, in whole or in part, Service Provider’s design shall be reasonably accurate, adequate and suitable for its intended purpose.

2. **Intellectual Property Rights.** Reports, drawings, plans, specifications and any other intangible property created in furtherance of the Work are property of the City for all purposes, whether the project for which they are made is executed or not, and may be used by the City for any purpose. Unless otherwise expressly agreed in writing, all intellectual property rights in such documents or intangible property created pursuant to this Agreement, or for the City of Everett, belong to the City of Everett. Service Provider retains any intellectual property rights in documents and intangible property created by Service Provider prior to engagement, or not created by Service Provider for its performance of this Agreement.

3. **Time of Beginning and Completion of Performance.** This Agreement shall commence as of the date of execution of this Agreement and shall be completed by December 31, 2016.

4. **Compensation.**

A. The City shall pay the Service Provider only for completed Work and for services actually rendered which are described herein. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment and incidentals necessary to complete the Work.

B. The Service Provider shall be paid such amounts and in such manner as described in Exhibit B.

C. Service Provider may receive payment as reimbursement for Eligible Expenses actually incurred. "Eligible Expenses" means those types and amounts of expenses either listed in Exhibit C or such expenses as are approved for reimbursement by the City in writing prior to the expense being incurred. If Exhibit C is either blank or not attached, expenses may not be reimbursed unless prior written approval was obtained from the City. An expense shall not be reimbursed if: (1) the expense is not identified in Exhibit C; (2) the expense exceeds the per item or cumulative limits for such expense if it is identified in Exhibit C; or (3) the expense was not approved in writing by an authorized City representative prior to the Service Provider incurring the expense. If, and to the extent, overnight lodging in western Washington is authorized, Service Provider is strongly encouraged to lodge within the corporate limits of City. When authorized, Service Provider will be reimbursed 100% of lodging expense, if lodged within the corporate limits of the City, but Service Provider will be reimbursed 50% of lodging expense when lodged outside the corporate limits of the City. If authorized, the City may (at its sole option) obtain or arrange air travel for the Service Provider.

D. Total compensation, including all services and expenses, shall not exceed a maximum of Twenty Two Thousand Nine Hundred Dollars (\$22,900.00).

E. If Service Provider fails or refuses to correct its work when so directed by the City, the City may withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider's conduct.

5. **Method of Payment.**

A. To obtain payment, the Service Provider shall (a) file its request for payment, accompanied by evidence satisfactory to the City justifying the request for payment; (b) submit a report of Work accomplished and hours of all tasks completed; (c) to the extent reimbursement of Eligible Expenses is sought, submit itemization of such expenses and, if requested by the City, copies of receipts and invoices; and (d) comply with all applicable provisions of this Agreement. Everett, WA 98201

6. **Submission of Reports and Other Documents.** The Service Provider shall submit all reports and other documents as and when specified in Exhibit A. Said information shall be subject to review by the City, and if found to be unacceptable, Service Provider shall correct and deliver to the City any deficient Work at Service Provider's expense with all practical dispatch. Service Provider shall abide by the City's determinations concerning acceptability of Work.

7. **Termination of Contract.** City reserves the right to terminate this Agreement at any time by sending written notice of termination to Service Provider ("Notice"). The Notice shall specify a termination date ("Termination Date") at least fourteen (14) days after the date the Notice is issued. The Notice shall be effective ("Notice Date") upon the earlier of either actual receipt by Service Provider (whether by fax, mail, delivery or other method reasonably calculated to be received by Service Provider in a reasonably prompt manner) or three calendar days after issuance of the Notice. Upon the Notice Date, Service Provider shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for Service Provider's material breach, the Service Provider shall be paid or reimbursed for: (a) all hours worked and Eligible Expenses incurred up to the Notice Date, less all payments previously made; and (b) those hours worked and Eligible Expenses incurred after the Notice Date, but prior to the Termination Date, that were reasonably necessary to terminate the Work in an orderly manner. Notices under this Section 7 shall be sent by the United States Mail to Service Provider's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by delivery. In addition, Notices may also be sent by any other method reasonably believed to provide Service Provider actual notice in a timely manner, such as fax. The City does not by this Section 7 waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provision of this Agreement. At its sole option, City may deduct from the final payment due the Service Provider (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other backcharges or credits.

8. **Changes.** The City may, from time to time, unilaterally change the scope of the services of the Service Provider to be performed hereunder. Such changes, including any increase or decrease in the scope of work (and resulting increase or decrease in compensation), shall: (a) be made only in writing and signed by an authorized City representative, (b) be explicitly identified as an amendment to this Agreement and (c) become a part of this Agreement.

9. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

10. **Indemnification.** To the extent of the Service Provider's fault, breach of this Agreement, willful misconduct, or violation of law, the Service Provider hereby agrees, except as otherwise

provided in this Section 10, to defend and indemnify the City from any and all Claims arising out or relating to the performance of this Agreement by Service Provider (or by its employees, agents, representatives or subcontractors/subconsultants), whether such Claims sound in contract, tort, or any other legal theory. The Service Provider is obligated to defend and indemnify the City pursuant to this Section 10 whether a Claim is asserted directly against the City, or whether it is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. The Service Provider's duty to defend and indemnify pursuant to this Section 10 is not in any way limited to, or by the extent of, insurance obtained by, obtainable by, or required of the Service Provider. The Service Provider's obligations under this Section 10 shall not apply to Claims caused by the sole negligence of the City. If (1) RCW 4.24.115 applies to a particular Claim, and (2) such Claim is caused by or results from the concurrent negligence of (a) the Service Provider, its employees, subcontractors/subconsultants or agents and (b) the City, then the Service Provider's obligations under this Section 10 shall apply only to the extent allowed by RCW 4.24.115. Solely and expressly for the purpose of its duties to indemnify and defend the City, the Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. The Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. As used in this Section 10: (1) "City" includes the City, the City's officers, employees, agents, and representatives and (2) "Claims" include, but is not limited to, any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damages, irrespective of the type of relief sought or demanded, such as money or injunctive relief, and irrespective of whether the damage alleged is bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages. If, and to the extent, Service Provider employs or engages subconsultants or subcontractors, then Service Provider shall ensure that each such subconsultant and subcontractor (and subsequent tiers of subconsultants and subcontractors) shall expressly agree to defend and indemnify the City to the extent and on the same terms and conditions as the Service Provider pursuant to this Section 10.

11. Insurance.

A. Service Provider shall comply with the following conditions and procure and keep in force during the term of this Agreement, at Service Provider's own cost and expense, the following policies of insurance with companies authorized to do business in the State of Washington, which are rated at least "A" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the City.

1. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance with limits not less than \$1,000,000 per occurrence. If the City authorizes sublet work, the Service Provider shall require each subcontractor to provide Workers' Compensation Insurance for its employees, unless the Service Provider covers such employees.

2. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$2,000,000 in the annual aggregate,

including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.

3. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile. A statement certifying that no vehicle will be used in accomplishing this Agreement may be substituted for this insurance requirement.

4. Professional Errors and Omissions Insurance in an amount not less than \$1,000,000 per occurrence and \$1,000,000 in the annual aggregate. Such coverage may be written on a claims made basis. If both parties agree that the Work does not warrant Service Provider providing Professional Errors and Omissions Insurance, this Section 11.A.4 may be stricken and initialed by both parties.

B. The above liability policies shall be primary as to the City and shall contain a provision that the policy shall not be canceled or materially changed without 30 days prior written notice to the City. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of the Service Provider to furnish the required insurance during the term of this Agreement.

C. Upon written request by the City, the insurer or his/her agent will furnish, prior to or during any Work being performed, a copy of any policy cited above, certified to be a true and complete copy of the original.

D. Prior to the Service Provider performing any Work, Service Provider shall provide the City with a Certificate of Insurance acceptable to the City Attorney evidencing the required insurance. Service Provider shall provide the City with either (1) a true copy of an endorsement naming the City of Everett, its officers, employees and agents as Additional Insureds on the Commercial General Liability Insurance policy and the Business Automobile Liability Insurance policy with respect to the operations performed and services provided under this Agreement and that such insurance shall apply as primary insurance on behalf of such Additional Insureds or (2) a true copy of the blanket additional insured clause from the policies. Receipt by the City of any certificate showing less coverage than required is not a waiver of the Service Provider's obligations to fulfill the requirements.

E. If the policy listed in Section 11.A.4. above, Professional Errors and Omissions Insurance, is on a claims made policy form, the retroactive date on the policy shall be the effective date of this Agreement or prior. The retroactive date of any subsequent renewal of such policy shall be the same as the original policy provided. The extended reporting or discovery period on a claims made policy form shall not be less than 36 months following expiration of the policy. (This Section 11.E shall not apply if Section 11.A.4. above is stricken.)

F. Service Provider certifies that it is aware of the provisions of Title 51 of the Revised Code of Washington that requires every employer to be insured against liability of Workers' Compensation, or to undertake self-insurance in accordance with the provisions of that Title.

Service Provider shall comply with the provisions of Title 51 of the Revised Code of Washington before commencing the performance of the Work. Service Provider shall provide the City with evidence of Workers' Compensation Insurance (or evidence of qualified self-insurance) before any Work is commenced.

G. In case of the breach of any provision of this Section 11, the City may, at its option and with no obligation to do so, provide and maintain at the expense of Service Provider, such types of insurance in the name of the Service Provider, and with such insurers, as the City may deem proper, and may deduct the cost of providing and maintaining such insurance from any sums which may be found or become due to Service Provider under this Agreement or may demand Service Provider to promptly reimburse the City for such cost.

12. Independent Contractor.

A. This Agreement neither constitutes nor creates an employer-employee relationship. Service Provider must provide services under this Agreement as an independent contractor. Service Provider must comply with all federal and state laws and regulations applicable to independent contractors including, but not limited to, the requirements listed in this Section 12. Service Provider agrees to indemnify and defend the City from and against any claims, valid or otherwise, made against the City because of these obligations.

B. In addition to the other requirements of this Section 12, if Service Provider is a sole proprietor, Service Provider agrees that Service Provider is not an employee or worker of the City under Chapter 51 of the Revised Code of Washington, Industrial Insurance for the service performed in accordance with this Agreement, by certifying to the following:

(1) Service Provider is free from control or direction over the performance of the service; and

(2) The service performed is outside the usual course of business for the City, or will not be performed at any place of business of the City, or Service Provider is responsible for the costs of the principal place of business from which the service is performed; and

(3) Service Provider is customarily engaged in an independently established business of the same nature as the service performed, or has a principal place of business for the service performed that is eligible for a business deduction for federal income tax purposes; and

(4) On the effective date of this Agreement, Service Provider is responsible for filing a schedule of expenses, for the next applicable filing period, with the internal revenue service for the type of service performed; and

(5) By the effective date of this Agreement or within a reasonable time thereafter, Service Provider has established an account with the department of revenue and other state agencies, where required, for the service performed for the payment of all state taxes normally paid by employers and businesses and has registered for and received a unified business identifier number from the state of Washington; and

(6) By the effective date of this Agreement, Service Provider is maintaining a separate set of records that reflect all items of income and expenses of the services performed.

C. Any and all employees of the Service Provider, while engaged in the performance of any Work, shall be considered employees of only the Service Provider and not employees of the City. The Service Provider shall be solely liable for any and all claims that may or might arise under the Worker's Compensation Act on behalf of said employees or Service Provider, while so engaged and for any and all claims made by a third party as a consequence of any negligent act or omission on the part of the Service Provider's employees, while so engaged on any of the Work

D. Service Provider shall comply with all applicable provisions of the Fair Labor Standards Act and other legislation affecting its employees and the rules and regulations issued thereunder insofar as applicable to its employees and shall at all times save the City free, clear and harmless from all actions, claims, demands and expenses arising out of said act, and rules and regulations that are or may be promulgated in connection therewith.

E. Service Provider assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes (such as state and, city business and occupation taxes), fees, licenses, excises or payments required by any city, federal or state legislation which are now or may during the term of the Agreement be enacted as to all persons employed by the Service Provider and as to all duties, activities and requirements by the Service Provider in performance of the Work and Service Provider shall assume exclusive liability therefore, and meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

13. Employment. The Service Provider warrants that he had not employed or retained any company or person, other than a bona fide employee working solely for the Service Provider, to solicit or secure this Agreement and that he has not paid or agreed to pay any company or person, other than a bona fide employee working solely for the Service Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the City shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

14. Audits and Inspections. At any time during normal business hours and as often as the City may deem necessary, the Service Provider shall make available to the City for the City's examination all of the Service Provider's records and documents with respect to all matters covered by this Agreement and, furthermore, the Service Provider will permit the City to audit, examine and make copies, excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement.

15. City of Everett Business License. Service Provider agrees to obtain a City of Everett business license prior to performing any work pursuant to this Agreement.

16. **State of Washington Requirements.** Service Provider agrees to register and obtain any State of Washington business licenses, Department of Revenue account and/or unified business identifier number as required by RCW 50.04.140 and 51.08.195 prior to performing any work pursuant to this Agreement.

18. **Compliance with the Washington State Public Records Act.** Service Provider acknowledges that the City is subject to the Public Records Act, chapter 42.56 RCW (the "Act"). All records owned, used or retained by the City are public records subject to disclosure unless exempt under the Act, whether or not such records are in the possession or control of the City or Service Provider. Service Provider shall cooperate with the City so that the City may comply with all of its obligations under the Act. Within ten (10) days after receipt of notice from the City, Service Provider shall deliver to the City copies of all records relating to this Agreement or relating to the Work that the City determines qualify as the City's public records under the Act. If the City receives a public records request relating to this Agreement or relating to the Work, the City shall seek to provide notice to Service Provider at least ten (10) days before the City releases records pursuant to such public records request, but in no event will the City have any liability to Service Provider for any failure of the City to provide such notice. In addition to its other indemnification and defense obligations under this Agreement, Service Provider shall indemnify and defend the City from and against any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damage arising from or relating to any failure of Service Provider to comply with this Section 18.

19. **Compliance with Grant Terms and Conditions.** Service Provider shall comply with any and all conditions, terms and requirements of any federal, state or other grant that wholly or partially funds Service Provider's work hereunder.

20. **Equal Employment Opportunity.** Service Provider shall not discriminate against any employee, applicant for employment, independent Service Provider, or proposed independent Service Provider, on the basis of race, color, religion, sex, age, disability, marital state, or national origin.

21. **Waiver.** Any waiver by the Service Provider or the City or the breach of any provision of this Agreement by the other party will not operate, or be construed, as a waiver of any subsequent breach by either party or prevent either party from thereafter enforcing any such provisions.

22. **Complete Agreement.** This Agreement contains the complete and integrated understanding and Agreement between the parties and supersedes any understanding, Agreement or negotiation whether oral or written not set forth herein.

23. **Modification of Agreement.** This Agreement may be modified as provided in ¶8, or by a writing explicitly identified as a modification of this Agreement that is signed by authorized representatives of the City and the Service Provider.

24. **Severability.** If any part of this Agreement is found to be in conflict with applicable laws, such part shall be inoperative, null and void, insofar as it is in conflict with said laws, and the remainder of the Agreement shall remain in full force and effect.
