### Staff Report

#### Smith Island Municipal Annexation, Zoning and Shoreline Management Program Designations Public Hearing on August 10, 2016

#### A. Summary

City Council is asked to finalize the Smith Island Municipal Annexation, set zoning and adopt interim Shoreline Management Program Designations on the subject area (See Exhibits A through D).

Following Council action, the State Office of Financial Management will certify the annexation as complete and made part of the City of Everett, and affected State agencies, service providers and interested individuals will be notified.

The zoning ordinance and Shoreline Management Program Designations ordinance are presented under separate cover.

#### B. Background

A SEPA review was completed and a Determination of Nonsignificance was issued February 17, 2012 that addressed a Comprehensive Plan designation of 2.8: Public/Quasi-Public Facilities and A-1 Agriculture zoning for the subject area (See Exhibit E). City Council passed Ordinance 3288-12 August 1, 2012 which set the land use designation on the subject property as 2.8: Public/Quasi-Public Facilities (See Exhibit F).

The City submitted an application to Snohomish County in order to incorporate the subject area within the City's UGA, and Snohomish County reviewed the City's request as a docket item with their 2015 Comp Plan update. County Council passed Ordinance 14-131 June 10, 2015 amending the City's UGA boundary to include the subject property (See Exhibit G).

The annexation is of City owned property, contiguous to the existing City boundary and is for a municipal purpose, and therefore does not require review or approval by the Snohomish County Boundary Review Board (BRB) per RCW 36.93.090. We did however consult with BRB staff prior to proceeding with the annexation process.

On July 29, 2015 the City issued a Notice of Adoption of Snohomish County's Final Environmental Impact Statement for Snohomish County's Shoreline Management Program update to meet the City's State Environmental Policy Act requirements for the proposal (See Exhibit H).

Planning Commission held a public hearing on zoning and interim Shoreline Management Program designations of the annexation area on August 4, 2015, recommending that zoning be set at A-1: Agriculture Rural Flood Fringe District and to adopt interim Snohomish County Shoreline Management Program Resource and Aquatic designations (See Exhibit I).

*Non-project action - Comprehensive Plan Map Amendment*

**Description of Proposal:** Expand the boundary of the City's Urban Growth Area to account for a 20-acre Environmental mitigation area owned and managed by the City of Everett. City Council Ordinance No. 3288-12

**ORDINANCE NO. 3288-12**

**An Ordinance Amending The Comprehensive Plan  
Map Expanding The City's Urban  
Growth Boundary on Smith Island, Amending  
Ordinance No. 2021-94, As Amended  
Smith Island UGA Expansion**

WHEREAS, the City of Everett adopted a Comprehensive Plan in August, 1994, in conformance with the Washington State Growth Management Act; and

WHEREAS, the City of Everett completed its 10 year update to the Comprehensive Plan with City Council adoption on July 20, 2005; and

WHEREAS, the Growth Management Act, codified as Chapter 36.70A, allows for comprehensive plans to be amended on an annual basis; and

WHEREAS, the City of Everett initiated its 2011 – 2012 annual Comprehensive Plan amendment process in July of 2011, which included consideration of Land Use Map amendments and rezone applications initiated by property owners and the Everett Planning Commission; and

WHEREAS, the City of Everett owns a 20 acre property on Smith Island, part of a larger mitigation / restoration area east of the Waste Water Treatment Facility, that is currently in Snohomish County and under the jurisdiction of Snohomish County for land use permits, and

WHEREAS, a larger associated restoration / mitigation area extending west and south of the subject property is currently inside the Everett City limits, and therefore under permitting control of the City, and

WHEREAS, the Everett Planning Commission made this recommendation in order to eventually bring the property as shown in Exhibit A into the City, and under City Jurisdiction, which will provide for more streamlined permitting and other benefits, and

WHEREAS, the Planning Commission held a public hearing on the matter on March 6, 2012, at which time it heard from the public, and staff, and considered the various aspects of the proposal before recommending approval; and

**WHEREAS, THE CITY COUNCIL FINDS:**

1. The purpose for the requested Comprehensive Plan land use map amendment is to expand the City of Everett's Urban Growth Area, which would allow the City to join the subject property to the larger restoration / mitigation areas associated with it which are currently in the City, and thereby place the subject expansion area under permitting control of Everett. This action would provide for the subject area's management needs and allow for provision of public safety services to the property.
2. The action undertaken here: Approving placement of the subject Urban Growth Area on the Comprehensive Plan map, demonstrates intent on the part of the City to bring this area into the City, but it is also recognized additional steps will be required before the area is legally made part of the City.
3. To achieve the proposed map amendment, the subject area needs to be indicated on the Comprehensive Plan map surrounded by Everett's proposed City limits boundary, and shown as 2.8 (Public / Quasi Public Facilities - Proposed) within the indicated expansion area.
4. Planning Commission held a public meeting to learn of and discuss the proposed change on November 11, 2011 and held a public hearing on this proposal on March 6, 2012.
5. On March 6, 2012, Planning Commission passed Resolution 12-12, recommending adoption of this action by City Council.
6. The public health safety and welfare would be provided for by the proposal under existing development regulations of the City.
7. The proposed amendment to the land use map and rezone promotes the best long term interest of the Everett Community.
8. Any conclusions below that may be construed as a finding is included here as such by this reference.

**WHEREAS, CITY COUNCIL CONCLUDES:**

1. Any finding above that may be construed as a conclusion is included here as such by this reference.
2. The requested action is supported by, or consistent with, the Comprehensive Plan based on Policy 2.16.8, "develop logical service areas." This action is specifically intended to include the subject area in the City's planning area in part, because it falls with natural boundaries; those being 12<sup>th</sup> street to the north, and Union Slough to the east, where currently the eastern boundary is a quarter section line on the City map. (findings 1 and 2)
3. Circumstances related to the subject property and the area in which it is located have changed because of new work the City is doing with the Pollution Control Facility's eastern dike. (findings 1 and 2)

4. There are no erroneous assumptions or new information regarding this action known at the time this action was taken. (findings 2, 3 and 4)
5. The change promotes and ensures a continued desired land use pattern because the expansion area will be used for environmental mitigation. (findings 1 and 2)
6. The proposed land use designation should not be applied to other properties in the vicinity without first meeting the policies of the Comprehensive Plan on their own merit, considered separately from this action. Therefore approval of this application does not constitute a granting of special privilege. (findings 1, 3 and 4)
7. This action would have only positive environmental impacts on other properties in the vicinity. (findings 1 and 2)
8. The change of the land use designation will not pressure other properties in the vicinity to do the same. (findings 1, 3 and 4)
9. To achieve the proposed change, the City needs to add the subject property within Everett's Municipal Urban Growth Area (MUGA) and designate it 2.8 (Public / Quasi-Public Facilities). (finding 2)
10. The public health, safety and welfare would be provided for by passage of this Ordinance. (findings 1, 2, 3, 5 and 6)
11. This proposed Comprehensive Plan amendment and rezone promotes the best long term interest of the Everett Community. (findings 1, 2, 3, 4, 5 and 7)

**NOW, THEREFORE, THE CITY OF EVERETT DOES ORDAIN:**

**Section 1: Amendment of the Land Use Map of the Comprehensive Plan**

Amend the Comprehensive Plan land use map in the subject area to expand the Urban Growth Area and to change the land use designation from Snohomish County Riverway Commercial Farm Land to 2.8 (Public / Quasi Public Facilities - Proposed), amending Ordinance No. 2021-94, as amended. See attached Exhibit A.

**Section 2: Incorporation.**

Exhibit A, is hereby made part of this approval and incorporated herein by reference.

**Section 3. Validity.**

Should any section, subsection, paragraph, sentence, clause or phrase set forth in this Ordinance or its application to any person or situation be declared unconstitutional or invalid for any reason, such decision shall not affect the validity of the remaining portions of this Ordinance, or its application to any other person or situation. The City Council of the City of Everett hereby declares that it would have adopted this Ordinance and each section, subsection, sentence, clause, phrase or portion thereof irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases or portions be declared invalid or unconstitutional.

**Section 4. Purpose.**

It is expressly the purpose of this Ordinance to provide for and promote the health, safety and welfare of the general public, and not to create or otherwise establish or designate any particular class or group of persons who will or should be especially protected or benefited by the terms of this Ordinance.

It is the specific intent of this Ordinance that no provision or any term used in this Ordinance is intended to impose any duty whatsoever upon the City or any of its officers or employees.

Nothing contained in this Ordinance is intended nor shall be construed to create or form the basis of any liability on the part of the City, or its officers, employees or agents, for any injury or damage resulting from any action or inaction on the part of the City, its officers, employees or agents.

**Section 5. Pending actions.**

The enactment of this Ordinance shall not affect any case, proceeding, appeal or other matter currently pending before the City or in any court.

**Section 6. Corrections.**

The City Clerk and the codifiers of this Ordinance are authorized to make necessary corrections to the Ordinance including but not limited to, the correction of scrivener's / clerical errors, references, Ordinance numbering, section / subsection numbers and any references thereto.

25 recommendation, on Final Docket XVII and the EVR1 – City of Everett proposal.

26  
27 NOW, THEREFORE, BE IT ORDAINED:

28  
29 Section 1. The county council makes the following findings:

- 30  
31 A. The county council adopts and incorporates the foregoing recitals as findings as if  
32 set forth fully herein.  
33  
34 B. The EVR1 – City of Everett proposal would revise the Southwest Urban Growth Area  
35 (UGA) to add 21 acres of land that will remain designated on the Future Land Use  
36 Map (FLUM) of the General Policy Plan (GPP) as Riverway Commercial Farmland  
37 (RCF) and will remain zoned Agriculture-10 Acre (A-10). The proposal would not  
38 result in a net increase in residential or employment land capacity.  
39  
40 C. The EVR1 – City of Everett proposal site is vacant and located on Smith Island, west  
41 of Union Slough and east of Everett's sewage treatment facility. The proposal site is  
42 owned by the City of Everett, and is being used for wetland enhancement and  
43 restoration to mitigate impacts from future expansion of Everett's sewage treatment

ORDINANCE NO. 14-131  
RELATING TO THE GROWTH MANAGEMENT ACT, ADOPTING  
FUTURE LAND USE MAP AMENDMENTS TO THE SNOHOMISH  
COUNTY GROWTH MANAGEMENT ACT COMPREHENSIVE PLAN,  
AMENDING THE ZONING MAP TO IMPLEMENT CHANGES TO  
THE FUTURE LAND USE MAP, AND REVISING THE SOUTHWEST  
URBAN GROWTH AREA (EVR1 – CITY OF EVERETT) - 2

1 facility. The dike along the eastern boundary of the site, adjacent to Union Slough,  
2 previously was breached by the city to allow intertidal wetland restoration on the  
3 south portion of the site. Including this municipal property in the UGA would allow  
4 Everett to have all of its municipally-owned land in this area within the City of  
5 Everett's boundaries, following annexation. Bringing the proposal site into the UGA  
6 for eventual annexation also would streamline permitting associated with future  
7 habitat restoration projects and enable Everett to efficiently provide public services  
8 to its property.

9  
10 D. The EVR1 – City of Everett proposal is consistent with the GMA, including  
11 RCW 36.70A.060(4), which provides: "Forest land and agricultural land located  
12 within urban growth areas shall not be designated by a county or city as forest land  
13 or agricultural land of long-term commercial significance under RCW 36.70A.170  
14 unless the city or county has enacted a program authorizing transfer or purchase of  
15 development rights." Both the City of Everett and Snohomish County have enacted  
16 transfer of development rights (TDR) programs. The county's TDR regulations are  
17 contained in chapter 30.35A SCC.

18  
19 E. The EVR1 – City of Everett proposal is subject to GMA requirements for UGAs  
20 under RCW 36.70A.110(8) as the proposal site is located within the 100-year  
21 floodplain of the Snohomish River, which has a mean annual flow that is greater  
22 than 1,000 cubic feet per second. However, the proposal is exempt from the  
23 prohibition of UGA expansions into a 100-year floodplain under  
24 RCW 36.70A.110(8)(b)(iii)(C) because: 1) the proposal site is owned by the City of  
25 Everett; 2) the city plans under the GMA; 3) the use of the proposal site will be  
26 limited to wetland enhancement and restoration; and 4) the use of the proposal site  
27 will not decrease flood storage, increase stormwater runoff, discharge pollutants to  
28 fresh or salt waters during normal operations or floods, or increase hazards to  
29 people and property.

30  
31 F. The EVR1 – City of Everett proposal is consistent with and advances the Puget  
32 Sound Regional Council (PSRC) Multicounty Planning Policies (MPP), in particular  
33 DP- 29, which provides that the County protect and enhance significant open  
34 spaces, natural resources, and critical areas. The proposal provides for continued  
35 protection and future enhancement of the open space, floodplain, and critical areas  
36 through the public ownership and continued RCF designation and A-10 zoning of the  
37 site.

38  
39 G. The EVR1 – City of Everett proposal is consistent with and advances the  
40 Countywide Planning Policies (CPP), in particular DP-1(f), which provides that the  
41 County shall maintain UGAs that do not include designated agricultural or forest land  
42 unless the city or county has enacted a program authorizing transfer or purchase of  
43 development rights. Both the city and county have adopted TDR programs.

H. The EVR1 – City of Everett proposal is consistent with and advances the GPP, in particular LU Policy 1.A.7, which provides that designated forest and agricultural lands shall not be included within a UGA unless the designated lands are maintained as natural resource lands and a TDR/PDR program has been enacted by the city or the county. The proposal site will continue to be designated RCF, a natural resource plan designation, and both the city and the county have adopted TDR programs.

I. Procedural requirements.

1. This proposal is a Type 3 legislative action pursuant to SCC 30.73.010.
2. State Environmental Policy Act (SEPA) requirements with respect to this non-project action have been satisfied through the completion of a Draft EIS issued on September 8, 2014, and a Final EIS issued on June 3, 2015.
3. Pursuant to RCW 36.70A.106(1), a notice of intent to adopt this ordinance was transmitted to the Washington State Department of Commerce for distribution to state agencies on December 17, 2014.
4. The public participation process used in the adoption of this ordinance has complied with all applicable requirements of the GMA and the SCC.
5. The Washington State Attorney General last issued an advisory memorandum, as required by RCW 36.70A.370, in December of 2006 entitled "Advisory Memorandum: Avoiding Unconstitutional Takings of Private Property" to help local governments avoid the unconstitutional taking of private property. The process outlined in the State Attorney General's 2006 advisory memorandum was used by Snohomish County in objectively evaluating the amendments proposed by this ordinance.

J. The ordinance is consistent with the record.

1. No inconsistencies between the proposed amendments and the GMACP elements or development regulations have been identified.
2. The proposal complies with all requirements of the GMA, including: the requirement in RCW 36.70A.070 that a plan be an internally consistent document; the requirements in RCW 36.70A.130(1)(d) that any amendment to a comprehensive plan shall conform to the GMA and that any amendment to development regulations shall implement the comprehensive plan; the requirement in RCW 36.70A.130(2) that a county consider comprehensive plan amendments no more frequently than once per year; and the

- 5  
6 A. The proposed amendments are consistent with the MPP and the CPP.  
7  
8 B. The proposal EVR1 – City of Everett meets the final docket criteria in  
9 SCC 30.74.060.

19  
20 F. The amendments do not result in an unconstitutional taking of private property for a  
21 public purpose and they do not violate substantive due process guarantees.  
22  
23 G. The county complied with state and local public participation requirements under the  
24 GMA and chapter 30.73 SCC.

Minor adjustments to Impact Fee Ordinance

Please find attached, for your consideration, revisions to the Impact Fee ordinance that is scheduled for action this coming Wednesday. The revisions are minor:

1. Impact Fee Deferral. EMC 18.40 (the City's Traffic Mitigation Ordinance) identifies two separate traffic mitigation components:
  - a fee for planned system improvements (commonly referred to as the "Traffic Mitigation Fee") and
  - a fair share of transportation improvements necessitated by a proposed development (commonly referred to as the "Proportionate Share" of an improvement).

The intent of this code amendment is to provide relief to developers on system-wide fees, not to defer specific, necessary improvements triggered by a development. The three edits (Section 5.E, 6.A and 6B) are intended to clarify this by using specific language and code references to EMC 18.40 to identify which of these two components is referred to in each section.

2. Administrative Fee Adjustment. At the Council briefing, Councilmember Stonecipher inquired about having a clause to escalate the administrative fee. The following clause has been added to the three sections (Section 2, C.2.c; Section 4, B.2.c; and Section 8, B.2.c) of the proposed ordinance regarding administrative fee.

"Beginning January 1, 2018, and each January 1 thereafter, this fee shall be adjusted in accordance with the most recent change in the Consumer Price Index (CPI) or other official measurement of inflation used by the city. If the change in the CPI or other official measurement of inflation used by the city indicates an increase of less than one percent since the last adjustment of the fees listed herein, there shall be no increase for that year. At such time that the change in the CPI or other official measurement of inflation used by the city for one or more years indicates an increase of one percent or more since the last adjustment of the fees, the cumulative percentage increase since the last adjustment of fees."

**DETAILED SUMMARY STATEMENT:**

This is an ordinance to amend the following chapters of the Everett Municipal Code:

- Chapter 18.36, Small Project Impact Fee
- Chapter 18.40, Transportation Mitigation
- Chapter 18.44, School District Impact Fees

The amendments would address requirements set forth by the 2015 state legislature in ESB 5923 regarding the establishment of a fee deferral system for new single-family detached and attached residential construction.

The amendments also provide an option to exempt up to 80% of impact fees for low-income housing.

**RECOMMENDATION (Exact action requested of Council):**

Adopt an Ordinance regarding deferred payment of impact fees for single-family homes and an exemption for payment of impact fees for low-income housing, amending Ordinance 3389-14 (EMC Chapter 18.36, Small Project Impact Fee), Ordinance 3387-14 (EMC Chapter 18.40, Transportation Mitigation) and Ordinance 3396-14 (EMC Chapter 18.44, School District Impact Fees) as amended.

ORDINANCE NO. \_\_\_\_\_

**An Ordinance regarding deferred payment of impact fees for single-family homes and an exemption for payment of impact fees for low-income housing, amending Ordinance 3389-14 (EMC Chapter 18.36, Small Project Impact Fee), Ordinance 3387-14 (EMC Chapter 18.40, Transportation Mitigation) and Ordinance 3396-14 (EMC Chapter 18.44, School District Impact Fees, as amended**

WHEREAS, Chapter 82.02.050 RCW requires the city to adopt and maintain a system for the deferred collection of impact fees for single-family detached and attached residential construction by September 1, 2016; and

WHEREAS, Chapter 82.02.060 RCW authorizes the city to provide an exemption of not more than eighty percent of impact fees for low-income housing with no explicit requirement to pay the exempted portion of the fee from public funds; and

WHEREAS, the Planning Commission of the City of Everett has reviewed the proposed amendments to Chapter 18.36, Small Project Impact Fee, Chapter 18.40, Transportation Mitigation and Chapter 18.44, School District Impact Fees and found that:

1. RCW 82.02.050(3) requires the city to include one of three options for when payment would be due: final inspection; issuance of the certificate of occupancy or equivalent certification; and/or the closing of the first sale of the property; and
2. RCW 82.02.060(3) authorizes the city to provide an exemption for not more than eighty percent of impact fees for low-income housing if it is conditioned to require the developer to record a covenant that prohibits use of the property for any purpose other than for low-income housing; and
3. RCW 82.02.060(3) requires that any school district that receives school impact fees must approve any exemption; and

WHEREAS, the City Council finds that:

1. The proposed ordinance provides one of the three options for impact fee deferral required by RCW 82.02.050; and
2. The proposed ordinance requires the recording of covenants for any impact fee exemption approved for low-income housing and requires school district approval as a condition of city approval of any school district impact fee exemption.

NOW, THEREFORE, THE CITY OF EVERETT DOES ORDAIN:

**Section 1.** Section 1 or Ordinance No. 3389-14, as amended (EMC 18.36.010), regarding “Title, authority and purpose” for Small Project Impact Fees, which reads as follows:

The fees adopted under this chapter are authorized by and in accordance with the provisions of RCW 82.02.050 through 82.02.090.

- 9. After the applicant has paid all deferred transportation impact fees, the applicant is responsible for submitting a lien release application to the city. The applicant, at their own expense, will be responsible for recording lien releases.
- 10. Compliance with the requirements of the deferral option shall constitute compliance with subdivision or short subdivision conditions pertaining to the timing of the transportation impact fee payment.

If there are no administrative appeal procedures for the underlying development approval, the appeal shall follow the administrative appeal procedures in Section 15.20.010 for the appeal of minor administration decisions.

**A.** The city may, on a case-by-case basis, grant exemptions to the application of the transportation impact fee for new low income housing units in accordance with the conditions specified under RCW 82.02.060(2). To qualify for the exemption, the developer shall submit an application to the planning and community development director for consideration by the city prior to application for building permit. Conditions for such approvals shall meet the requirements of RCW 82.02.060(2), which includes payment of the fee from public funds other than the fee for transportation improvement account. In addition, any approved exemption will require a covenant that will assure the project's continued use for low income housing. The covenant shall be an obligation that runs with the land upon which the housing is located, and shall be recorded against the title of the real property.

**B.** The city may, on a case-by-case basis, grant a partial exemption of not more than eighty percent of transportation impact fees, with no explicit requirement to pay the exempted portion of the fee from public funds, for low-income housing units, pursuant to the following:

1. The Mayor, or designee, may grant an exemption to a low-income housing project for each low-income unit.
2. The decision to grant, partially grant or deny an exemption shall be based on the public benefit of the specific project, the extent to which the applicant has sought other funding sources, the financial hardship to the project of paying the transportation impact fees, the impacts of the project on public facilities and services, and the consistency of the project with adopted city plans and policies relating to low-income housing.
3. An exemption granted under this subsection must be conditioned upon requiring the developer to record a covenant approved by the director of planning and community development that prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and require that, if the property is converted to a use other than for low-income housing as defined in the covenant, the property owner must pay the applicable transportation impact fees in effect at the time of any conversion. Covenants required by this subsection must be recorded with the Snohomish County Auditor.
4. For purposes of this section, low-income housing is defined as any housing with a monthly housing expense, that is no greater than thirty percent of fifty percent of the median family income adjusted for family size, for Everett, as reported by the United States Department of Housing and Urban Development.

8. If the building for which the deferral of the fee for transportation improvements is requested is located within a subdivision, unit lot subdivision or short subdivision, the subdivision, unit lot subdivision or short subdivision shall be recorded prior to recording the lien for fees and issuance of the building permit.
9. After the applicant has paid all deferred fees for transportation improvements, the applicant is responsible for submitting a lien release application to the city. The applicant, at their own expense, will be responsible for recording lien releases.
10. Compliance with the requirements of the deferral option shall constitute compliance with subdivision or short subdivision conditions pertaining to the timing of the fee payment.

11. If deferred fees for transportation improvements are not paid in accordance with terms authorized by state law and this section, the City may initiate foreclosure proceedings for the unpaid impact fees and all costs associated with the collection of the unpaid fees.
12. A request to defer transportation fees under this section may be combined in one application with a request to defer school impact fees under EMC 18.44.090.

**BC.** All fees collected under this chapter shall be obligated or expended on transportation improvements. Fees collected for specific projects shall be expended on those projects or may be expended on replacement projects that provide similar or greater improvements.

**CD.** The fees shall be obligated or expended in all cases within five years of collection. Any fees not so obligated or expended shall be refunded with interest at the rate applied to judgments to the property owners of record at the time of refund; however, if the payment is not obligated or expended within five years due to delay attributable to the project applicant, the payment shall be refunded without interest.

**DE.** An applicant's commitment to specific performance to construct or to pay a fair share of a transportation improvement (as specified in EMC 18.40.100.A.2), including any bonds or financial assurance associated with the improvement, shall not be considered a fee, regardless of whether a monetary value has been assigned to the improvements in the traffic analysis or other project review documents or agreements.

**Section 6.** Section 18.40.145, "Fee Exemptions" is added to the Everett Municipal Code for Transportation Mitigation as follows:

A. The city may, on a case-by-case basis, grant exemptions to the application of the fee for planned system improvements (as specified in EMC 18.40.100.A.1) for new low income housing units in accordance with the conditions specified under RCW 82.02.060(2). To qualify for the exemption, the developer shall submit an application to the planning and community development director for consideration by the city prior to application for building permit. Conditions for such approvals shall meet the requirements of RCW 82.02.060(2), which includes payment of the fee from public funds other than the fee for transportation improvement account. In addition, any approved exemption will require a covenant that will assure the project's continued use for low income housing. The covenant shall be an obligation that runs with the land upon which the housing is located, and shall be recorded against the title of the real property.

B. The city may, on a case-by-case basis, grant a partial exemption of not more than eighty percent of fees for planned system improvements (as specified in EMC 18.40.100.A.1), with no explicit requirement to pay the exempted portion of the fee from public funds, for low-income housing units, pursuant to the following:

1. The Mayor, or designee, may grant an exemption to a low-income housing project for each low-income unit.
2. The decision to grant, partially grant or deny an exemption shall be based on the public benefit of the specific project, the extent to which the applicant has sought other funding sources, the financial hardship to the project of paying the impact fees, the impacts of the project on public facilities and services, and the consistency of the project with adopted city plans and policies relating to low-income housing.
3. An exemption granted under this subsection must be conditioned upon requiring the developer to record a covenant approved by the director of planning and community development that prohibits using the property for any purpose other than for low-income

housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and require that, if the property is converted to a use other than for low-income housing as defined in the covenant, the property owner must pay the applicable fees for transportation improvements in effect at the time of any conversion. Covenants required by this subsection must be recorded with the Snohomish County Auditor.

4. For purposes of this section, low-income housing is defined as any housing with a monthly housing expense, that is no greater than thirty percent of fifty percent of the median family income adjusted for family size, for Everett, as reported by the United States Department of Housing and Urban Development.

**Section 7.** Section 6 of Ordinance No. 3396, as amended (EMC 18.44.060), regarding “Impact fee schedule--Exemptions” for School District Impact Fees, which reads as follows:

The city council may, on a case-by-case basis, grant exemptions to the application of the fee schedule for low income housing in accordance with the conditions specified under RCW 82.02.060(2). To qualify for the exemption, the developer shall submit a petition to the planning and community development director for consideration by the council prior to application for building permit. Conditions for such approvals shall meet the requirements of RCW 82.02.060(2) and include a requirement for a covenant to assure the project’s continued use for low income housing. The covenant shall be an obligation that runs with the land upon which the housing is located, and shall be recorded against the title of the real property.

**Is hereby amended to read as follows:**

A. The city council may, on a case-by-case basis, grant exemptions to the application of the fee schedule for low income housing in accordance with the conditions specified under RCW 82.02.060(2). To qualify for the exemption, the developer shall submit a petition to the planning and community development director for consideration by the council prior to application for building permit. Conditions for such approvals shall meet the requirements of RCW 82.02.060(2) and include a requirement for a covenant to assure the project’s continued use for low income housing. The covenant shall be an obligation that runs with the land upon which the housing is located, and shall be recorded against the title of the real property.

B. The city may, on a case-by-case basis, grant a partial exemption of not more than eighty percent of school impact fees, with no explicit requirement to pay the exempted portion of the fee from public funds, for low-income housing units, pursuant to the following:

1. The Mayor, or designee, after approval by the applicable school district, may grant an exemption to a low-income housing project for each low-income unit.
2. The decision to grant, partially grant or deny an exemption shall be based on the public benefit of the specific project, the extent to which the applicant has sought other funding sources, the financial hardship to the project of paying the impact fees, the impacts of the project on school facilities and services, and the consistency of the project with adopted city plans and policies relating to low-income housing.
3. An exemption granted under this subsection must be conditioned upon requiring the developer to record a covenant approved by the director of planning and community development that prohibits using the property for any purpose other than for low-income housing. At a minimum, the covenant must address price restrictions and household income limits for the low-income housing, and require that, if the property is converted to a use other than for low-income housing as defined in the covenant, the property owner

must pay the applicable impact fees in effect at the time of any conversion. Covenants required by this subsection must be recorded with the Snohomish County Auditor.

4. For purposes of this section, low-income housing is defined as any housing with a monthly housing expense, that is no greater than thirty percent of fifty percent of the median family income adjusted for family size, for Everett, as reported by the United States Department of Housing and Urban Development.

**Section 8.** Section 9 of Ordinance No. 3396, as amended (EMC 18.44.090), regarding "Collection and transfer of fees" for School District Impact Fees, which reads as follows:

A. School impact fees shall be due and payable to the city by the developer at the time of issuance of residential building permits for all developments. The city may make alternative arrangements with a school district for collection of impact fees, provided payment is made prior to the issuance of residential building permits for all developments.

B. Districts eligible to receive school impact fees required by this chapter shall establish an interest-bearing account and method of accounting for the receipt and expenditure of all impact fees collected under this chapter. 10. Compliance with the requirements of the deferral option shall constitute compliance with subdivision or short subdivision conditions pertaining to the timing of the impact fee payment.

**Section 9.** Severability. Should any section, paragraph, clause or phrase of this Ordinance, or its application to any person or circumstance, be declared unconstitutional or otherwise invalid for any reason, or should any portion of this Ordinance be pre-empted by state or federal law or regulations, this shall not affect the validity of the remaining portions of this Ordinance or its application to other persons or circumstances.

**Section 10.** Conflict. In the event there is a conflict between the provisions of this Ordinance and any other City ordinance, the provisions of this Ordinance shall control.

**DETAILED SUMMARY STATEMENT:**

On July 13, 2016, the City Council adopted Ordinance 3502-16 approving changes to the City Charter to be considered as ballot Charter amendments on the November 8, 2016, General Election. In order to place these measures on the ballot, the City is to participate in the County's Local Voters' Pamphlet. As part of that process, the City Council is to appoint up to three members for both:

- A pro committee to write a statement for the measures and a rebuttal to the con committee's statement;
- A con committee to write a statement against the measures and a rebuttal to the pro committee's statement.

Snohomish County Elections will communicate and work directly with the pro/con committee members once appointed. The appointments are to be submitted to the County no later than August 2<sup>nd</sup>.

Because of the August 2<sup>nd</sup> tight deadline, the committee candidates are still being assembled. However, staff will provide the actual names for consideration of Council appointment prior to the July 27<sup>th</sup> Council meeting.

**RECOMMENDATION** (Exact action requested of Council):

Authorize the Mayor to sign the Professional Services Agreement with Alliant Employee Benefits to provide insurance brokerage and advisory services associated with employee benefit plans in the amount of \$80,850 per year.

**CITY OF EVERETT  
PROFESSIONAL SERVICES AGREEMENT**

**THIS AGREEMENT** made and entered into on this 1<sup>st</sup> day of August, 2016, by and between the **CITY OF EVERETT**, a municipal corporation under the laws of the State of Washington, hereinafter referred to as the "City," and Alliant Employee Benefits, a division of Alliant Insurance Services, Inc., whose address is 1420 5<sup>th</sup> Avenue, Suite 1500, Seattle, WA 98101, hereinafter referred to as the "Service Provider."

**WHEREAS**, the City desires to engage Service Provider to perform ongoing consulting services in the area of employee health benefits as further described in the Attachment A for the City of Everett; and

**WHEREAS**, Service Provider represented, and by entering into this Agreement now represents, that it is fully qualified to perform the work to be performed hereunder in a competent and professional manner;

**NOW, THEREFORE**, the parties herein do mutually agree as follows:

1. **Engagement of Service Provider.** In a competent and professional manner, Service Provider shall provide the services as described on Attachment A (hereafter referred to as "Work"): Provide insurance brokerage and advisory services associated with employee benefits plans as described in Attachment A. Without a written directive of an authorized representative of the City, Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work between the City and Service Provider. If Service Provider's proposal is attached as an exhibit, and if such proposal contains or incorporates any conditions or terms in addition to or different from the terms of this Agreement, then Service Provider expressly agrees that such conditions or terms are neither incorporated nor included into this Agreement between the City and Service Provider.

2. **Intellectual Property Rights.** Unless otherwise expressly agreed in writing, all intellectual property rights in works created pursuant to this Agreement, or for the City of Everett, belong to the City of Everett. Service Provider retains any intellectual property rights in works created by Service Provider prior to engagement, or not for its performance of this Agreement ("Prior Works"). If Service Provider uses any Prior Works in the Work delivered under this Agreement, the City agrees that Service Provider shall retain all right, title, and interest in and to such items; provided, however, that Service Provider grants the City a non-exclusive, non-assignable, perpetual, royalty-free license to use such items that are embedded in the Work and are required for the City's own internal use of the Work. Service Provider expressly represents and warrants that the Work shall be original and shall not infringe on another's copyright, or rights in trade or service marks. Service Provider agrees to defend and indemnify City from any and all claims and damages arising out of Service Provider's breach of this Agreement or any non-conforming Work created hereunder.

3. **Time of Beginning and Completion of Performance.** This Agreement shall commence as September 1, 2016 and shall be completed by August 31, 2019.

4. **Compensation.**

A. The City shall pay Service Provider only for completed Work and for services actually rendered which are described herein. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment, and incidentals necessary to complete the Work.

B. Service Provider shall be paid such amounts and in such manner as follows: For professional consulting services described under "Scope of Services" in Attachment A for the period from September 1, 2016 through August 31, 2019, a fee of \$80,850 payable in twelve monthly installments of six thousand seven hundred thirty seven dollars and fifty cents (\$6,737.50).

C. Service Provider may receive payment as reimbursement for Eligible Expenses actually incurred. "Eligible Expenses" means those types and amounts of expenses approved for reimbursement by the City. If approval for reimbursement is not obtained from the City prior to Service Provider's incurring the expense, Service Provider acknowledges that the City retains the option not to reimburse Service Provider. Eligible expenses shall not exceed terms as stated above.

D. Total compensation, including all services and expenses, shall not exceed a maximum of terms as stated above.

E. If Service Provider fails or refuses to accept direction or carry out the reasonable directions of the City in performance of its work, the City may, in addition to any other remedy, withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider's conduct.

5. **Termination of Contract.** City reserves the right to terminate this Agreement at any time by sending written notice of termination to Service Provider ("Notice"). The Notice shall specify a termination date ("Termination Date") at least fourteen (14) days after the date the Notice is issued. The Notice shall be effective ("Notice Date") upon the earlier of either actual receipt by Service Provider (whether by fax, mail, delivery or other method reasonably calculated to be received by Service Provider in a reasonably prompt manner) or three calendar days after issuance of the Notice. Upon the Notice Date, Service Provider shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for Service Provider's material breach, Service Provider shall be paid or reimbursed for: (a) all hours worked and Eligible Expenses incurred up to the Notice Date, less all payments previously made; and (b) those hours worked and Eligible Expenses incurred after the Notice Date, but prior to the Termination Date, that were reasonably necessary to terminate the Work in an orderly manner. Notices under this Section 7 shall be sent by the United States Mail to Service Provider's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by delivery. In addition, Notices may also be sent by any other method reasonably believed to provide Service Provider actual notice in a timely manner, such as fax. The City does not by this Section 7 waive, release, or forego any legal remedy for any violation, breach, or non-performance of any of the provision of this Agreement. At its sole option, City may deduct from the final payment due Service Provider (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other backcharges or credits. The City shall not pay Service Provider for any expenses incurred or work done following the effective date of termination unless authorized in writing by the City before the expenses are incurred or the work is done.

6. **Changes.** The City may, from time to time, unilaterally change the scope of the services of Service Provider to be performed hereunder. Such change in the scope of work (and resulting reasonable change in compensation), shall: (a) be made only in writing and signed by an authorized City representative, (b) be explicitly identified as such and (c) become a part of this Agreement.

7. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

8. **Indemnification.**

A. To the extent of Service Provider's fault, breach of this Agreement, willful misconduct, or violation of law, Service Provider will defend and indemnify the City from any and all Claims arising out of, in connection with, or incident to any acts, errors, omissions, or conduct by Service Provider relating to, or arising out of its performance of, this Agreement. Service Provider will defend and indemnify the City whether a Claim is asserted directly against the City, or whether a Claim is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. The amount of insurance obtained by, obtainable by, or required of Service Provider does not in any way limit Service Provider's duty to defend and indemnify the City. The City retains the right to approve Claims investigation and counsel assigned to said Claim which approval shall not be unreasonably denied or delayed, and all investigation and legal work regarding said Claim shall be performed under a fiduciary relationship to the City.

B. The Service Provider's obligations under this Section 8 shall not apply to Claims caused by the sole negligence of the City. If (1) RCW 4.24.115 applies to a particular Claim, and (2) such Claim is caused by or results from the concurrent negligence of (a) the Service Provider, its employees, subcontractors/subconsultants or agents and (b) the City, then the Service Provider's obligations under this Section 8 shall apply only to the extent allowed by RCW 4.24.115.

C. Solely and expressly for the purpose of its duties to indemnify and defend the City, Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation.

D. As used in this Section 8: (1) "City" includes the City, the City's officers, employees, agents, and representatives; (2) "Claims" include all losses, penalties, fines, claims, demands, expenses (including, but not limited to, reasonable attorney's fees and litigation expenses), suits, judgments, or damage, whether threatened, asserted or filed against the City, whether such Claims sound in tort, contract, or any other legal theory, whether such Claims have been reduced to judgment or arbitration award, irrespective of the type of relief sought or demanded (such as money or injunctive relief), and irrespective of the type of damage alleged (such as bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages); and (3) "Service Provider" includes Service Provider, its employees, agents, representatives and subcontractors. If, and to the extent, Service Provider employs or engages subcontractors, then Service Provider shall ensure that each such subcontractor (and subsequent tiers of subcontractors) shall expressly agree to defend and indemnify the City to the extent and on the same terms and conditions as Service Provider pursuant to this Section 8.

9. **Insurance.** Service Provider shall procure and keep in force during the term of this Agreement, at Service Provider's own cost and expense, automobile liability insurance on all vehicles used by Service Provider in the performance of its duties under this Agreement. Proof of such insurance shall be provided to the City prior to performing any services hereunder. A statement certifying that no vehicle will be used in fulfilling this Agreement may be substituted for this insurance requirement.

10. **Independent Contractor.**

A. This Agreement neither constitutes nor creates an employer-employee relationship. Service Provider must provide services under this Agreement as an independent contractor. Service Provider must comply with all federal and state laws and regulations applicable to independent contractors including, but not

limited to, the requirements listed in this Section 10. Service Provider agrees to indemnify and defend the City from and against any claims, valid or otherwise, made against the City because of these obligations.

B. In addition to the other requirements of this Section 10, if Service Provider is a sole proprietor, Service Provider agrees that Service Provider is not an employee or worker of the City under Chapter 51 of the Revised Code of Washington, Industrial Insurance for the service performed in accordance with this Agreement, by certifying to the following:

(1) Service Provider is free from control or direction over the performance of the service; and

(3) Service Provider is customarily engaged in an independently established business of the same nature as the service performed, or has a principal place of business for the service performed that is eligible for a business deduction for federal income tax purposes; and

(4) On the effective date of this Agreement, Service Provider is responsible for filing a schedule of expenses, for the next applicable filing period, with the internal revenue service for the type of service performed; and

(5) By the effective date of this Agreement or within a reasonable time thereafter, Service Provider has established an account with the department of revenue and other state agencies, where required, for the service performed for the payment of all state taxes normally paid by employers and businesses and has registered for and received a unified business identifier number from the state of Washington; and

(6) By the effective date of this Agreement, Service Provider is maintaining a separate set of records that reflect all items of income and expenses of the services performed.

C. Any and all employees of Service Provider, while engaged in the performance of any Work, shall be considered employees of Service Provider only and not of the City, and any and all claims that may or might arise under the Worker's Compensation Act on behalf of said employees or Service Provider, while so engaged in any and all claims made by a third party as a consequence of any negligent act or omission on the part of Service Provider's employees, while so engaged on any of the Work, shall be the sole obligation and responsibility of Service Provider.

D. Service Provider shall comply with all applicable provisions of the Fair Labor Standards Act and other legislation affecting its employees and the rules and regulations issued thereunder insofar as applicable to its employees and shall at all times save the City free, clear and harmless from all actions, claims, demands and expenses arising out of said act, and rules and regulations that are or may be promulgated in connection therewith.

E. Service Provider assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes (such as state and, city business and occupation taxes), fees, licenses, excises or payments required by any city, federal or state legislation which are now or may during the term of the Agreement be enacted as to all persons employed by Service Provider and as to all duties, activities and requirements by Service Provider in performance of the Work and Service Provider shall assume exclusive liability therefore, and meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

11. **Employment.** Service Provider warrants that it had not employed or retained any company or person, other than a bona fide employee working solely for Service Provider, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for Service Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the City shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

12. **Audits and Inspections.** At any time during normal business hours and as often as the City may deem necessary, Service Provider shall make available to the City for the City's examination all of Service Provider's books, records and documents with respect to all matters covered by this Agreement and, furthermore, Service Provider will permit the City to audit, examine and make copies, excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement.

15. **Compliance with Federal, State, and Local Laws.** Service Provider shall comply with and obey all federal, state, and local laws, regulations, and ordinances applicable to the operation of its business and to its performance of work hereunder.

16. **Compliance with the Washington State Public Records Act.** Service Provider acknowledges that the City is subject to the Public Records Act, chapter 42.56 RCW (the "Act"). All records owned, used or retained by the City are public records subject to disclosure unless exempt under the Act, whether or not such records are in the possession or control of the City or Service Provider. Service Provider shall cooperate with the City so that the City may comply with all of its obligations under the Act. Within ten (10) days after receipt of notice from the City, Service Provider shall deliver to the City copies of all records relating to this Agreement or relating to the Work that the City determines qualify as the City's public records under the Act. If the City receives a public records request relating to this Agreement or relating to the Work, the City shall seek to provide notice to Service Provider at least ten (10) days before the City releases records pursuant to such public records request, but in no event will the City have any liability to Service Provider for any failure of the City to provide such notice. In addition to its other indemnification and defense obligations under this Agreement, Service Provider shall indemnify and defend the City from and against any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damage arising from or relating to any failure of Service Provider to comply with this Section 16.

17. **Compliance with Grant Terms and Conditions.** Service Provider shall comply with any and all conditions, terms and requirements of any federal, state or other grant that wholly or partially funds Service Provider's work hereunder.

18. **Waiver.** Any waiver by Service Provider or the City or the breach of any provision of this Agreement by the other party will not operate, or be construed, as a waiver of any subsequent breach by either party or prevent either party from thereafter enforcing any such provisions.

**DETAILED SUMMARY STATEMENT:**

The Everett Municipal Code (Section 1.20.090) authorizes the City to abate code violations and recover the abatement costs. On December 4, 2014, the City's Hearing Examiner held that code violations existed at 1405 Hoyt Avenue. The Examiner required the property owner to remove discarded bagged garbage, broken furniture, and shopping carts visible to the public or neighbors, and to provide approved electrical service to the occupied structure on site. The Examiner also imposed a penalty of \$4000. The violations were not abated in accordance with the Order and the City abated the violations. The Respondent failed to pay the abatement costs and penalty, which are now past due.

This Resolution authorizes placement of an assessment lien on the property on or after July 27, 2016, in the amount of the outstanding costs of abatement and the penalty imposed by the Examiner, which total \$7,483.26.

**RECOMMENDATION** (Exact action requested of Council):

Exhibit 17	Exhibit List dated December 4, 2014

Based upon a review of the administrative hearing record, the following Findings of Fact and Conclusions of Law hereby constitute the basis of the decision of the Everett Violations Hearing Examiner.

#### FINDINGS OF FACT

1. Shane E. Brend, Respondent, is the owner of record of the property at 1405 Hoyt Avenue, Everett, Washington (property). The property is in an R-2 Single Family Medium Density zone as established by the City of Everett. (*Exhibit #15, Snohomish County Assessors Record dated November 25, 2014*) (*Exhibit #16, Go Sync Maps*)
2. On December 5, 2013, twelve months prior to the hearing date on the instant violation, an Order was issued by the Everett Hearing Examiner that included findings that the Respondent had violated ordinances of the City of Everett on the property. Included in the Order was a requirement that the Respondent maintain the property free of nuisances including trash, garbage, litter and rubbish. The Order also required the Respondent to properly dispose of garbage on a weekly basis and that approved garbage containers with tight fitting lids were to be used to store garbage and refuse on the property. The Order established a fine of \$500.00 of which \$300 was suspended upon compliance with the Order. The amount of the fine due is unpaid and has been assigned to an agency for collection. (*Exhibit #5, Final Findings of Fact, Conclusions of Law and Default Order of the Hearing Examiner Case #CE13-0747 dated December 5, 2013*) (*Testimony of Code Enforcement Officer Wathen*)
3. On June 12, 2014, six (6) months prior to the hearing date for the instant violation, an Order issued by the Everett Hearing Examiner found the Respondent had again violated a nuisance ordinance of the City of Everett on the property. The Order required the Respondent to either properly store or remove and properly dispose of all bagged garbage, household items and personal items discarded on the property and to maintain the property in a clean, safe, secure and sanitary condition. The Order further required that the Respondent immediately remove all occupants of any unpermitted dwelling unit on the property. The Order established a fine of \$500.00 for violation of EMC 8.20.020(A). The unpaid fine of the June 12, 2014 Order has been assigned to an agency for collection. (*Exhibit #6, Final Findings of Fact, Conclusions of Law and Default Order of the Hearing Examiner Case #CE14-0210 dated June 12, 2014*) (*Testimony of Code Enforcement Officer Wathen*)

4. On October 13, 2014, City of Everett Code Enforcement (ECE) Officer Spring Wathen inspected the property and observed and photographed that three bags of garbage had been discarded near garbage containers in the alley. She also observed broken furniture that had been discarded on the front porch of the residential structure on site and four shopping carts that had been placed on the sidewalk in front of the property. Such violations are an annoyance and disrupt and injure the comfort, repose, health and safety of others. The entire community is affected by the activity. ECE Officer Wathen learned that the electrical service to the property had been shut off since June 24, 2014 but the water service remained current. *(Exhibit #1e-1i, Inspection Photos dated October 13, 2014) (Exhibit #, Email from Marcy Staats dated October 13, 2014) (Testimony of Code Enforcement Officer Wathen)*
5. ## AGREEMENT FOR INMATE HOUSING -- 2015

THIS INTERLOCAL AGREEMENT FOR INMATE HOUSING (hereinafter "Agreement") is made and entered into by and between the **South Correctional Entity**, a governmental administrative agency formed pursuant to RCW 39.34.030(3) ("SCORE") and City of Everett, a municipal corporation organized under the laws of the State of Washington (hereinafter the "City," and together with SCORE, the "Parties" or individually "Party").

This Agreement is made in accordance with chapters 39.34.080, 39.34.180, and 70.48 of the Revised Code of Washington ("RCW") for the purpose of establishing the terms and conditions pursuant to which the City will transfer custody of certain inmates to SCORE to be housed at SCORE's correctional facility.

In consideration of the mutual covenants, conditions, and promises contained herein, the Parties hereto mutually agree as follows:

**1. Purpose and Term.** The purpose and intent of this Agreement is to establish the terms under which SCORE will house certain inmates of the City for the term from January 1, 2016 (or such sooner date after mutual execution of this Agreement that the parties may agree to in writing) through December 31, 2019

**3. General Provisions.** SCORE shall accept City Inmates according to the terms of this Agreement and shall provide housing, care, and custody of those City Inmates

pursuant to SCORE policies and procedures and in the same manner as it provides housing, care and custody to other Inmates.

SCORE shall manage, maintain, and operate the SCORE Facility in compliance with all applicable federal, state, and local laws and regulations.

- 4. Right to Refuse or Return City Inmate.** To the greatest extent permitted by law, SCORE shall have the right to refuse to accept a City Inmate or to return a City Inmate to the City if the City Inmate has a current illness or injury that is listed in **Attachment A – Medical Acceptability**, or in the reasonable judgment of SCORE presents a substantial risk of escape, or of injury to self or other persons or property, or of adversely affecting or significantly disrupting the operations of the SCORE Facility. SCORE shall provide notice to the City at least one business day prior to transport if a City Inmate is being returned to the City. The cost of transport shall be paid by the City.
- 5. Inmate Transport.** The City is responsible for the transportation of City Inmates to the SCORE Facility, including costs associated therewith. The City will provide transport of City Inmates to the City of Everett for hearings in Everett Municipal Court or booking into Snohomish County Jail. SCORE may provide transportation services between SCORE and the City of Everett during regular transports or for the Additional Transportation Services fee in Section 27 below. The City and SCORE agree to make every effort to release City Inmates in the City of Everett. SCORE will provide transportation upon release according to Addendum F.
- 6. Inmate Medical Records.** Should a City Inmate receive medical care for injuries or illness at the time of arrest, and prior to booking at the SCORE Facility, the City shall provide copies of medical records documenting such medical care to SCORE at the time of booking if the City has access to such records. SCORE may require these records to determine if City Inmates meet conditions identified in **Attachment A – Medical Acceptability**. If the City cannot provide such records, SCORE, in its sole discretion, may refuse to accept a City Inmate.
- 7. Inmate Property.** SCORE shall accept City Inmate property in accordance with **Attachment B – Property**, and shall be responsible only for City Inmate property actually delivered into SCORE's possession. SCORE shall hold and handle each City Inmate's personal property pursuant to SCORE policies and procedures and in the same manner it holds and handles property of other Inmates. In the event a City Inmate is being transported from a City designated detention or correction facility, it will be the responsibility of the City to process the City Inmate's property not delivered and accepted into SCORE's possession. When returning City Inmates to the City, SCORE shall transport City Inmate property according to the provisions of **Attachment B – Property**, and it shall be the responsibility of SCORE to process any of the City Inmate's property not transported with the City Inmate.
- 8. Booking.** City Inmates shall be booked pursuant to SCORE's booking policies and procedures.

Pursuant to RCW 70.48.130, and as part of the booking procedure, SCORE shall obtain general information concerning the City Inmate's ability to pay for medical care, including insurance or other medical benefits or resources to which a City Inmate is entitled. The information is to be used for third party billing.
- 9. Classification.** City Inmates shall be classified pursuant to SCORE's classification policies and procedures, and within the sole discretion and judgment of SCORE. The City

shall provide information regarding each City Inmate as specified in **Attachment C – Classification**.

**10. Housing.** City Inmates shall be assigned to housing pursuant to SCORE's policies and procedures, and within the sole discretion and judgment of SCORE.

**11. Inmate Work Programs.** SCORE may assign City Inmates to work programs such as inside and outside work crews, kitchen and facility duties, and other appropriate duties pursuant to SCORE's policies and procedures and within the sole discretion and judgment of SCORE.

**12. Health Care.** SCORE shall provide in-facility medical care commonly associated with corrections operations as guided by American Correctional Association or National Commission on Correctional Health Care.

City Inmates shall be responsible for co-payment for health services according to SCORE policy. The City shall not be responsible to SCORE for City Inmate co-payments. No City Inmate shall be denied necessary health care because of an inability to pay for health services.

SCORE shall notify the City's designee(s) via electronic means, including e-mail or fax, at the notice address identified in this Agreement if a City Inmate requires medical, mental health, dental, or other medical services at an outside medical or health care facility. The City shall be responsible to promptly notify SCORE of any changes in its designee(s). In addition, after notification to the City of a need by a City Inmate for health care outside SCORE, the City may make arrangements for the release or furlough of that City Inmate. In that situation the City and SCORE will reasonably and fully cooperate with each so that medical service expenses payable by the City are minimized.

SCORE shall notify the City within a reasonable time period before the City Inmate receives medical, mental health, dental or any other medical services outside of the SCORE Facility. The City acknowledges that such notice may not be reasonably possible prior to emergency care.

The City shall pay for all medical, mental health, dental or any other medical services that are required to care for City Inmates outside of the SCORE Facility. Pharmaceuticals prescribed for the treatment of Hepatitis, HIV, and biologics are not covered within the daily rate. Lack of prior notice shall not excuse the City from financial responsibility for related medical expenses, and shall not be a basis for imposing financial responsibility for related medical expenses on SCORE. SCORE shall bear the expense of any such medical care necessitated by improper conduct of SCORE, or of its officers or agents.

If a City inmate is admitted to a hospital, the City will be responsible for hospital security unless other arrangements are made with SCORE. SCORE may provide hospital security services for an additional charge if staff is available.

Outside medical expenses for City Inmates housed on behalf of more than one jurisdiction shall be the sole responsibility of the City, which will be solely responsible to recoup these expenses from other jurisdictions.

**13. Inmate Discipline.** SCORE shall discipline City Inmates according to SCORE policies and procedures and in the same manner which other Inmates are disciplined; provided, however, nothing contained herein shall be construed to authorize the imposition of a type of discipline that would not be imposed on a comparable Inmate, up to and including the removal of earned early release credits as approved by the City.

**14. Removal from the SCORE Facility.** Except for work programs or health care, and during emergencies, City Inmates shall not be removed from the SCORE Facility without written authorization from the City or by the order of a court of competent jurisdiction. Other jurisdictions may "borrow" a City Inmate only according to the provisions of **Attachment D – Borrowing**. In the event of the City Inmate's emergency removal, SCORE shall notify the City by electronic means, including e-mail or fax, as soon as reasonably possible. No early release or alternative to incarceration, home detention, or work release shall be granted to any Inmate without written authorization by the committing court.

**15. Visitation.** SCORE shall provide reasonable scheduled visitation for attorneys, spouses, family and friends of City Inmates. Inmate visitation by friends and family may be accessible via video connection by third party provider at off-site locations for an access fee. Complimentary video access is available at the SCORE facility. Off-site professional visits (legal and religious) will be provided without additional costs to the City.

**16. Inmate-Attorney Communication.** Confidential telephones or visitation rooms shall be available to City Inmates to communicate with their legal counsel. City will provide to SCORE any numbers inmates should use to reach legal counsel.

**17. Inmate Accounts.** SCORE shall establish and maintain a non-interest bearing account for each City Inmate. SCORE shall ensure family members and others have a reasonable process to add funds to a City Inmate's account. Upon returning custody of a City Inmate to the City, SCORE shall transfer the balance of that City Inmate's account that is not subject to charges, to the City Inmate or to the City in the form of cash, check, debit card or other agreed upon methods in the name of the City Inmate.

In the event that SCORE contracts with a company/business that furnishes technology for wireless inmate account crediting, the City may allow SCORE (or SCORE's contracted representative) to install the equipment necessary for use of the system. The City shall not be financially responsible for any aspect of the system, including but not limited to installation or maintenance costs. The City shall not receive any compensation or profits arising from such a system.

**18. Detainers.** Inmates in a "Detainer" status shall be handled according to **Attachment E – Warrants/Other Court Orders/Detainers**.

**19. Releases.** Inmates will be released in accordance with **Attachment F – Inmate Release**.

SCORE shall not transfer custody of a City Inmate housed pursuant to this Agreement to any party other than the City, except as provided in this Agreement or as directed by the City.

**20. Jail Sentence Calculations.** SCORE will award Good Time credits for Inmates in custody in accordance with state law and any policies adopted by SCORE. City is responsible to notify SCORE of any credit days awarded for time served by use of court commitment forms.

**21. Release of Holds and Court Appearances.** If a court of limited jurisdiction of the City releases a hold on a City Inmate still incarcerated at the SCORE Facility, SCORE will not facilitate further court appearances of that City Inmate except if the City wishes to use the video arraignment system at the SCORE Facility. In such case, there will be a twenty-five dollar (\$25) hearing fee assessed per video appearance for court matters for which the inmate is not being held.

**22. Escape.** If a City Inmate escapes SCORE's custody, SCORE shall notify the City as soon as reasonably possible. SCORE shall use all reasonable efforts to pursue and regain custody of escaped City Inmates.

**23. Death.** If a City Inmate dies while in SCORE custody, SCORE shall notify the City as soon as reasonably possible. The King County Medical Examiner shall assume custody of the City Inmate's body. Unless another agency becomes responsible for investigation, SCORE's Member Cities shall investigate and shall provide the City with a report of its investigation. The City may participate in the investigation. If another agency becomes responsible for investigation, SCORE shall serve as a liaison or otherwise facilitate the City's communication with and receipt of reports from the other agency.

The City shall provide SCORE with written instructions regarding the disposition of the City Inmate's body. The City shall pay for all reasonable expenses for the preparation and shipment of the body. The City may request in writing that SCORE arrange for burial and all matters related or incidental thereto and the City shall be responsible for all costs associated with this request.

**24. Reporting Requirements.** SCORE will work with the City to provide access to jail management systems that provide statistical information about Inmates. Other reports may be available within standard workload limitations.

**25. City's Right of Inspection.** The City shall have the right, upon reasonable advance notice, to inspect the SCORE Facility at reasonable times. During such inspections, the City may interview City Inmates and review City Inmates' records. The City shall have no right to interview Inmates housed for other jurisdictions or to review their records, unless City is properly authorized to do so by the Inmate or the other jurisdiction.

**26. Technology.** SCORE and the City may each permit the other continuous access to its computer database regarding all City Inmates housed by SCORE. This continuous access feature may be accomplished through a computer link between a computer(s) designated by the City and appropriate computer(s) of SCORE.

**27. Bed Rate/Additional Transportation Services.** In consideration of SCORE's commitment to house City Inmates, the City shall pay SCORE based upon the rates and other applicable fees or charges stated in this Agreement.

**Guaranteed Bed Rate:** **\$105**

The City hereby selects to guarantee \_\_\_ beds.

The City declines to guarantee beds and will pay the Non-Guaranteed bed rate. \_\_\_\_\_.

**Non-Guaranteed Bed Rate:** **\$157**

**Additional Transportation Services:**

SCORE will provide inmate transportation between SCORE facility and the City of Everett at a rate of \$275 per trip.

The above referenced Non-Guaranteed Bed Rate (the "Daily Rate") is based on available space at the SCORE Facility. All contract rates are established to recover full cost of services. Daily Rates for the following year will be based upon actual expenses from the period of April 1 – March 31 of each calendar year. An estimate of the Daily Rates will be provided by July 1 of each year for the following year.

**28. Billing and Payment.** SCORE shall provide the City with monthly statements itemizing the name of each City Inmate, the number of days of housing, including the date

and time booked into the SCORE Facility and date and time released from SCORE and itemization of any additional charges including a description of the service provided, date provided and reason for service.

SCORE shall provide said statement for each month on or about the 15th day of the following month. Payment shall be due to SCORE within 30 days from the date the bill is received. SCORE may bill the City electronically. Payments not received by the 30th day shall bear interest at the rate of one percent per month until payment is received.

The Daily Rate for City Inmates housed on charges from multiple agencies will be divided equally among those agencies.

**29. Billing and Dispute Resolution.** Withholding of any amount billed or alleging that any Party is in violation of any provision of this Agreement shall constitute a dispute, which shall first attempt to be resolved as follows, and as a mandatory predicate to termination as provided in Section 36.C:

For billing and other disputes:

A. City must provide written notice of dispute to SCORE within 60 days of billing and other disputed charges.

B. SCORE shall respond in writing to such disputes within 60 days of receipt of such disputes.

C. For both billing and other types of disputes, SCORE and the City shall attempt to resolve the dispute by negotiation. If such negotiation is unsuccessful, either party may refer the dispute to the SCORE Operations Board for resolution. The decision of the SCORE Operations Board is the final internal administrative remedy the City must exhaust before pursuing other contractual, legal, equitable, or alternative dispute resolutions.

**30. Operations Board Representatives.** In accordance with the SCORE Interlocal Agreement, Section 6, Subsection A, membership of the Operations Board will include two (2) at-large members selected, by majority vote, of the contract agencies to represent the contract agencies. At the time set for election of the at-large members, only the representatives of the contract agencies, then in attendance, will participate in the election of at-large members. The at-large members shall serve one-year terms, unless otherwise determined by the majority vote of the Operations Board. The purpose and duties of the Operations Board shall be established by the Administrative Board.

**31. Duration of Agreement.** The duration of this Agreement shall be from January 1, 2016, at 12:00 A.M. (or such sooner date after mutual execution of this Agreement that the parties may agree to in writing) and shall end at 11:59 P.M., on December 31, 2019 unless otherwise terminated in accordance with Section 35 of this Agreement. This Agreement may be renewed for any successive period by written addendum under terms and conditions acceptable to SCORE and the City.

**32. Independent Contractor.** In providing services under this Agreement, SCORE is an independent contractor and neither it nor its officers, nor its agents nor its employees are employees of the City for any purpose, including responsibility for any federal or state tax, industrial insurance, or Social Security liability. Neither shall the provision of services under this Agreement give rise to any claim of career service or civil service rights, which may accrue to an employee of the City under any applicable law, rule or regulation. Nothing in this Agreement is intended to create an interest in or give a benefit to third persons not signing as a party to this Agreement.

**33. Hold Harmless, Defense, and Indemnification.** SCORE shall hold harmless, defend, and indemnify the City, its elected officials, officers, employees, and agents from and against any and all suits, actions, claims, liability, damages, judgments, costs and expenses (including reasonable attorney's fees) (also including but not limited to claims related to false arrest or detention, alleged mistreatment, alleged violation of civil rights, injury, or death of any City Inmate, or loss or damage to City Inmate property while in SCORE custody) that result from or arise out of the acts or omissions of SCORE, its elected officials, officers, employees, and agents in connection with or incidental to the performance or non-performance of SCORE's services, duties, and obligations under this Agreement.

The City shall hold harmless, defend, and indemnify SCORE, its elected officials, officers, employees, and agents from and against any and all suits, actions, claims, liability, damages, judgments, costs and expenses (including reasonable attorney's fees) (also including but not limited to claims related to false arrest or detention, alleged mistreatment, alleged violation of civil rights, injury, or death of any City Inmate, or loss or damage to City Inmate property while in SCORE custody) that result from or arise out of the acts or omissions of the City, its elected officials, officers, employees, and agents in connection with or incidental to the performance or non-performance of the City's services, duties, and obligations under this Agreement.

In the event the acts or omissions of the officials, officers, agents, and/or employees of both the City and SCORE in connection with or incidental to the performance or non-performance of the City's and or SCORE's services, duties, and obligations under this Agreement are the subject of any liability claims by a third party, the City and SCORE shall each be liable for its proportionate concurrent negligence in any resulting suits, actions, claims, liability, damages, judgments, costs and expenses and for their own attorney's fees.

Nothing contained in this section or this Agreement shall be construed to create a right in any third party to indemnification or defense.

SCORE and the City hereby waive, as to each other only, their immunity from suit under industrial insurance, Title 51 RCW. This waiver of immunity was mutually negotiated by the parties hereto.

The provisions of this section shall survive any termination or expiration of this Agreement.

**34. Insurance.** SCORE and the City shall provide each other with evidence of insurance coverage, in the form of a certificate or other competent evidence from an insurance provider, insurance pool, or of self-insurance sufficient to satisfy the obligations set forth in this Agreement.

SCORE and the City shall each maintain throughout the term of this Agreement coverage in minimum liability limits of one million dollars (\$1,000,000) per occurrence and two million dollars (\$2,000,000) in the aggregate for its liability exposures, including comprehensive general liability, errors and omissions, auto liability and police professional liability. The insurance policies shall provide coverage on an occurrence basis. So long as the City maintains its customary self-insurance program (which as of October 1, 2015 includes a \$1.25 million self-insured retention and two excess liability insurance layers totaling \$30 million above that retention), the City has no obligation to maintain the coverage required under this Section.

**35. Termination.**

A. **Mutual Agreement:** This Agreement may be terminated by mutual written consent between SCORE and the City with 90 days written notice to the other party and to the State Office of Financial Management as required by RCW 70.48.090 stating the grounds for said termination and specifying plans for accommodating the affected City Inmates.

B. **Imperiling Conditions:** The City shall have the right to terminate this Agreement where: 1) conditions and/or circumstances at the SCORE Facility present an imminent risk of serious injury or death to the City's Inmates ("Imperiling Conditions"); 2) the City has sent SCORE written notice by certified mail, return receipt requested describing with reasonable specificity the Imperiling Conditions; and 3) SCORE has failed to cure the Imperiling Conditions within a reasonable period of time, which, unless the parties agree in writing to a longer period, shall be no more than 45 days after SCORE receives the City's notice. Termination pursuant to this section 34(B) shall be effective if and when: 1) after at least 45 days, SCORE has not cured the Imperiling Condition(s); and 2) the City has removed its Inmates; and 3) the City has given SCORE formal written notice of final termination pursuant to this Section 36.B.

C. **Material Breach:** Subject to compliance with Section 30 above, either party shall have the right to terminate this Agreement if: 1) the other party is in material breach of any term of this Agreement; 2) the terminating party has sent the breaching party written notice of its intent to terminate this Agreement under this section by certified mail, return receipt requested describing with reasonable specificity the basis for the termination; and 3) the breaching party has failed to cure the breach within 90 days, unless the parties agree in writing to a longer cure period.

**36. Real or Personal Property.** It is not anticipated that any real or personal property will be acquired or purchased by the parties solely because of this Agreement.

**37. Equal Opportunity.** Neither party shall discriminate against any person on the grounds of race, creed, color, religion, national origin, sex, age, marital status, sexual orientation, veterans and military status, political affiliation or belief or the presence of any sensory, mental or physical handicap in violation of any applicable federal law, Washington State Law Against Discrimination (chapter 49.60 RCW) or the Americans with Disabilities Act (42 USC 12110 *et seq.*). In the event of the violation of this provision, the other party may terminate this Agreement as provided in Sections 30 and 36 above.

**38. Assignment.** This Agreement, or any interest herein, or claim hereunder, shall not be assigned or transferred in whole or in part by SCORE to any other person or entity without the prior written consent of the City, which consent shall not be unreasonably withheld. In the event that such prior written consent to an assignment is granted, then the assignee shall assume all duties, obligations, and liabilities of SCORE stated herein.

**39. Non-Waiver.** The failure of either party to insist upon strict performance of any provision of this Agreement or to exercise any right based upon a breach thereof or the acceptance of any performance during such breach shall not constitute a waiver of any right under this Agreement.

**40. Severability.** If any portion of this Agreement is changed per mutual Agreement or any portion is held invalid, the remainder of the Agreement shall remain in full force and effect.

**41. Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of Washington. Any actions, suit, or judicial or administrative

proceeding for the enforcement of this Agreement shall be brought and tried in the Federal or Superior Court for the State of Washington in King County.

**42. Approval and Filing.** Each party shall approve this Agreement by resolution, ordinance or otherwise pursuant to the laws of the governing body of each party. The attested signatures of the authorized signatory(ies) and SCORE Presiding Officer below shall constitute a presumption that such approval was properly obtained. A copy of this Agreement shall be filed or posted on the internet pursuant to RCW 39.34.040.

**43. General Provisions.** Unless otherwise agreed in writing executed by both parties, on and after January 1, 2016, and so long as this Agreement remains in effect, this document constitutes the entire Agreement between the City and SCORE under which SCORE houses City Inmates, and no other oral or written agreements between the parties shall affect this Agreement.

No changes or additions to this Agreement shall be valid or binding upon either party unless such change or addition be in writing and executed by both parties, with the Mayor signing for the City.

Any provision of this Agreement that is declared invalid or illegal shall in no way affect or invalidate any other provision.

This Agreement may be executed in any number of counterparts.

1. If a contracting agency requests the transport of another contracting agency's Inmate from SCORE the requesting agency must notify each agency with rights to custody of the Inmate, and if each agency with rights to custody of the Inmate notifies SCORE in writing (e-mail) of its approval, SCORE shall provide the requested transport to the requesting agency. SCORE will complete a custody transfer form that lists all outstanding detainers. The custody transfer paperwork will accompany the Inmate.
2. Once custody of the Inmate has been transferred to the requesting agency, it is the responsibility of the requesting agency to determine whether the Inmate shall be returned to the custody of SCORE, and if so, the requesting agency shall make all necessary and proper arrangements with SCORE and any agency with rights to custody of the Inmate, for the Inmate's return according to the terms of this Agreement. The requesting agency, to the full extent permitted by law, defend, indemnify, save and hold harmless SCORE as provided in Section 34 of the Agreement.
3. SCORE will not track the Inmate once he or she has left SCORE's facility.
4. If the Inmate is returned to the custody of SCORE, the requesting agency shall provide SCORE with sentencing/charge information. The requesting agency shall supply all pre-sentence, and post-sentence paperwork from agreeing agencies that authorized the borrowing of the Inmate. This will aid SCORE in determining split billing and release dates.
5. SCORE will transport the Inmate only to an agency that also contracts with SCORE for Inmate housing.

**1. Scope of Work.** Without a written directive of an authorized representative of the City, the Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work. The Service Provider shall perform the Work in a competent and professional manner. If, and to the extent, the Work includes the design of a public work or improvement, in whole or in part, Service Provider's design shall be reasonably accurate, adequate and suitable for its intended purpose.

**2. Intellectual Property Rights.** Reports, drawings, plans, specifications and any other intangible property created in furtherance of the Work are property of the City for all purposes, whether the project for which they are made is executed or not, and may be used by the City for any purpose. Unless otherwise expressly agreed in writing, all intellectual property rights in such documents or intangible property created pursuant to the Agreement, or for the City of Everett, belong to the City of Everett. Service Provider retains any intellectual property rights in documents and intangible property created by Service Provider prior to engagement, or not created by Service Provider for its performance of the Agreement.

**3. Time of Beginning and Completion of Performance.** The Agreement shall commence as of the Date of Contract Commencement and shall be completed by the Date of Contract Completion.

**4. Compensation.**

A. The City shall pay the Service Provider only for completed Work and for services actually rendered which are described herein. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment and incidentals necessary to complete the Work.

B. The Service Provider shall be paid such amounts and in such manner as described in Exhibit D.

C. Service Provider may receive payment as reimbursement for Eligible Expenses actually incurred. "Eligible Expenses" means those types and amounts of expenses either listed in Exhibit D or such expenses as are approved for reimbursement by the City in writing prior to the expense being incurred. If Exhibit D regarding expenses is either blank or not attached, expenses may not be reimbursed unless prior written approval was obtained from the City. An expense shall not be reimbursed if: (1) the expense is not identified in Exhibit D; (2) the expense exceeds the per item or cumulative limits for such expense if it is identified in Exhibit D; or (3) the expense was not approved in writing by an authorized City representative prior to the Service Provider incurring the expense. If, and to the extent, overnight lodging in western Washington is authorized, Service Provider is strongly encouraged to lodge within the corporate limits of City. When authorized, Service Provider will be reimbursed 100% of lodging expense, if lodged within the corporate limits of the City, but Service Provider will be reimbursed 50% of lodging expense when lodged outside the corporate limits of the City. If authorized, the City may (at its sole option) obtain or arrange air travel for the Service Provider.

D. Total compensation, including all services and expenses, shall not exceed the Maximum Total Compensation Amount.

E. If Service Provider fails or refuses to correct its work when so directed by the City, the City may withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider's conduct.

#### **5. Method of Payment.**

A. To obtain payment, the Service Provider shall (a) file its request for payment, accompanied by evidence satisfactory to the City justifying the request for payment; (b) submit a report of Work accomplished and hours of all tasks completed; (c) to the extent reimbursement of Eligible Expenses is sought, submit itemization of such expenses and, if requested by the City, copies of receipts and invoices; and (d) comply with all applicable provisions of the Agreement. Service Provider shall be paid no more often than once every thirty days.

B. All requests for payment should be sent to the payment address on the first page of the Agreement.

**6. Submission of Reports and Other Documents.** The Service Provider shall submit all reports and other documents as and when specified in Exhibit C. Said information shall be subject to review by the City, and if found to be unacceptable, Service Provider shall correct and deliver to the City any deficient Work at Service Provider's expense with all practical dispatch. Service Provider shall abide by the City's determinations concerning acceptability of Work.

**7. Termination of Contract.** City reserves the right to terminate the Agreement at any time by sending written notice of termination to Service Provider ("Notice"). The Notice shall specify a termination date ("Termination Date") at least fourteen (14) days after the date the Notice is issued. The Notice shall be effective ("Notice Date") upon the earlier of either actual receipt by Service Provider (whether by fax, mail, delivery or other method reasonably calculated to be received by Service Provider in a reasonably prompt manner) or three calendar days after issuance of the Notice. Upon the Notice Date, Service Provider shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for Service Provider's material breach, the Service Provider shall be paid or reimbursed for: (a) all hours worked and Eligible Expenses incurred up to the Notice Date, less all payments previously made; and (b) those hours worked and Eligible Expenses incurred after the Notice Date, but prior to the Termination Date, that were reasonably necessary to terminate the Work in an orderly manner. Notices under this Section 7 shall be sent by the United States Mail to Service Provider's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by delivery. In addition, Notices may also be sent by any other method reasonably believed to provide Service Provider actual notice in a timely manner, such as fax. The City does not by this Section 7 waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provision of the Agreement. At its sole option, City may deduct from the final payment due the Service Provider (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other backcharges or credits.

**8. Changes.** The City may, from time to time, unilaterally change the scope of the services of the Service Provider to be performed hereunder. Such changes, including any increase or decrease in the scope of work (and resulting increase or decrease in compensation), shall: (a) be made only in writing and signed by an authorized City representative, (b) be explicitly identified as an amendment to the Agreement and (c) become a part of the Agreement.

9. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

10. **Indemnification.** Except as otherwise provided in this Section 10, the Service Provider hereby agrees to defend and indemnify the City from any and all Claims arising out of, in connection with, or incident to any negligent or intentional acts, errors, omissions, or conduct by Service Provider (or its employees, agents, representatives or subcontractors/subconsultants) relating to this Agreement, whether such Claims sound in contract, tort, or any other legal theory. The Service Provider is obligated to defend and indemnify the City pursuant to this Section 10 whether a Claim is asserted directly against the City, or whether it is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. The Service Provider's duty to defend and indemnify pursuant to this Section 10 is not in any way limited to, or by the extent of, insurance obtained by, obtainable by, or required of the Service Provider. The Service Provider's obligations under this Section 10 shall not apply to Claims caused by the sole negligence of the City. If (1) RCW 4.24.115 applies to a particular Claim, and (2) such Claim is caused by or results from the concurrent negligence of (a) the Service Provider, its employees, subcontractors/subconsultants or agents and (b) the City, then the Service Provider's obligations under this Section 10 shall apply only to the extent allowed by RCW 4.24.115. Solely and expressly for the purpose of its duties to indemnify and defend the City, the Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. The Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. As used in this Section 10: (1) "City" includes the City, the City's officers, employees, agents, and representatives and (2) "Claims" include, but is not limited to, any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damages, irrespective of the type of relief sought or demanded, such as money or injunctive relief, and irrespective of whether the damage alleged is bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages. If, and to the extent, Service Provider employs or engages subconsultants or subcontractors, then Service Provider shall ensure that each such subconsultant and subcontractor (and subsequent tiers of subconsultants and subcontractors) shall expressly agree to defend and indemnify the City to the extent and on the same terms and conditions as the Service Provider pursuant to this Section 10.

## 11. Insurance.

A. Service Provider shall comply with the following conditions and procure and keep in force during the term of the Agreement, at Service Provider's own cost and expense, the following policies of insurance with companies authorized to do business in the State of Washington, which are rated at least "A" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the City.

1. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance with limits not less than \$1,000,000 per occurrence. If the City authorizes sublet work, the Service Provider shall require each subcontractor to provide Workers' Compensation Insurance for its employees, unless the Service Provider covers such employees.

2. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$2,000,000 in the annual aggregate, including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.

3. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile. A statement certifying that no vehicle will be used in accomplishing the Agreement may be substituted for this insurance requirement.

4. Professional Errors and Omissions Insurance in an amount not less than \$1,000,000 per occurrence and \$1,000,000 in the annual aggregate. Such coverage may be written on a claims made basis. If both parties agree that the Work does not warrant Service Provider providing Professional Errors and Omissions Insurance, this Section 11.A.4 may be stricken and initialed by both parties.

B. The above liability policies shall be primary as to the City and shall contain a provision that the policy shall not be canceled or materially changed without 30 days prior written notice to the City. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of the Service Provider to furnish the required insurance during the term of the Agreement.

C. Upon written request by the City, the insurer or his/her agent will furnish, prior to or during any Work being performed, a copy of any policy cited above, certified to be a true and complete copy of the original.

D. Prior to the Service Provider performing any Work, Service Provider shall provide the City with a Certificate of Insurance acceptable to the City Attorney evidencing the required insurance. Service Provider shall provide the City with either (1) a true copy of an endorsement naming the City of Everett, its officers, employees and agents as Additional Insureds on the Commercial General Liability Insurance policy and the Business Automobile Liability Insurance policy with respect to the operations performed and services provided under the Agreement and that such insurance shall apply as primary insurance on behalf of such Additional Insureds or (2) a true copy of the blanket additional insured clause from the policies. Receipt by the City of any certificate showing less coverage than required is not a waiver of the Service Provider's obligations to fulfill the requirements.

E. If the policy listed in Section 11.A.4. above, Professional Errors and Omissions Insurance, is on a claims made policy form, the retroactive date on the policy shall be the effective date of the Agreement or prior. The retroactive date of any subsequent renewal of such policy shall be the same as the original policy provided. The extended reporting or discovery period on a claims made policy form shall not be less than 36 months following expiration of the policy. (This Section 11.E shall not apply if Section 11.A.4. above is stricken.)

F. Service Provider certifies that it is aware of the provisions of Title 51 of the Revised Code of Washington that requires every employer to be insured against liability of Workers' Compensation, or to undertake self-insurance in accordance with the provisions of that Title. Service Provider shall comply with the provisions of Title 51 of the Revised Code of Washington before commencing the performance of the Work. Service Provider shall provide the City with evidence of Workers' Compensation Insurance (or evidence of qualified self-insurance) before any Work is commenced.

G. In case of the breach of any provision of this Section 11, the City may, at its option and with no obligation to do so, provide and maintain at the expense of Service Provider, such types of insurance in the name of the Service Provider, and with such insurers, as the City may deem proper, and may deduct the cost of providing and maintaining such insurance from any sums which may be found or become due to Service Provider under the Agreement or may demand Service Provider to promptly reimburse the City for such cost.

## **12. Independent Contractor.**

A. The Agreement neither constitutes nor creates an employer-employee relationship. Service Provider must provide services under the Agreement as an independent contractor. Service Provider must comply with all federal and state laws and regulations applicable to independent contractors including, but not limited to, the requirements listed in this Section 12. Service Provider agrees to indemnify and defend the City from and against any claims, valid or otherwise, made against the City because of these obligations.

B. **THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.**

## **BLANKET ADDITIONAL INSURED (ARCHITECTS, ENGINEERS AND SURVEYORS)**

This endorsement modifies insurance provided under the following:  
COMMERCIAL GENERAL LIABILITY COVERAGE PART

**A. The following is added to WHO IS AN INSURED (Section II):**

Any person or organization that you agree in a "contract or agreement requiring insurance" to include as an additional insured on this Coverage Part, but only with respect to liability for "bodily injury", "property damage" or "personal injury" caused, in whole or in part, by your acts or omissions or the acts or omissions of those acting on your behalf:

- a. In the performance of your ongoing operations;
- b. In connection with premises owned by or rented to you; or
- c. In connection with "your work" and included within the "products-completed operations hazard".

Such person or organization does not qualify as an additional insured for "bodily injury", "property damage" or "personal injury" for which that person or organization has assumed liability in a contract or agreement.

The insurance provided to such additional insured is limited as follows:

- d. This insurance does not apply on any basis to any person or organization for which coverage as an additional insured specifically is added by another endorsement to this Coverage Part.
- e. This insurance does not apply to the rendering of or failure to render any "professional services".
- f. The limits of insurance afforded to the additional insured shall be the limits which you agreed in that "contract or agreement requiring insurance" to provide for that additional insured, or the limits shown in the Declarations for this Coverage Part, whichever are less. This endorsement does not increase the limits of insurance stated in the **LIMITS OF**

**INSURANCE (Section III)** for this Coverage Part.

**B. The following is added to Paragraph a. of 4. Other Insurance in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

However, if you specifically agree in a "contract or agreement requiring insurance" that the insurance provided to an additional insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such additional insured which covers such additional insured as a named insured, and we will not share with the other insurance, provided that:

- (1) The "bodily injury" or "property damage" for which coverage is sought occurs; and
- (2) The "personal injury" for which coverage is sought arises out of an offense committed;

after you have entered into that "contract or agreement requiring insurance". But this insurance still is excess over valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to the insured when the insured is an additional insured under any other insurance.

**C. The following is added to Paragraph 8. Transfer Of Rights Of Recovery Against Others To Us in COMMERCIAL GENERAL LIABILITY CONDITIONS (Section IV):**

We waive any rights of recovery we may have against any person or organization because of payments we make for "bodily injury", "property damage" or "personal injury" arising out of "your work" performed by you, or on your behalf, under a "contract or agreement requiring insurance" with that person or organization. We waive these rights only where you have agreed to do so as part of the "contract or agreement requiring insurance" with such person or organization entered into by you before, and in effect when, the "bodily

## COMMERCIAL GENERAL LIABILITY

injury" or "property damage" occurs, or the "personal injury" offense is committed.

D. The following definition is added to **DEFINITIONS (Section V)**:

"Contract or agreement requiring insurance" means that part of any contract or agreement under which you are required to include a person or organization as an additional insured on this Cov-

erage Part, provided that the "bodily injury" and "property damage" occurs, and the "personal injury" is caused by an offense committed:

- a. After you have entered into that contract or agreement;
- b. While that part of the contract or agreement is in effect; and
- c. Before the end of the policy period.
