DETAILED SUMMARY STATEMENT:

The attached Animal Shelter fee modifications will become effective October 1, 2016. The revisions take into consideration current sheltering costs and market comparisons of local animal agencies.

The adjustments include the following:

1. Increasing reclaim, owner surrender, euthanasia, licensing and adoption fees;
2. Including a microchip with stray reclaim fees;
3. Establishing certain fee categories for species other than cats and dogs;
4. Increasing license fees to adjust for online purchases; and
5. Establishing tiered late fees for expired licenses

Consistent with the requirements of the resolution passed by City Council in 2011, animal shelter fee adjustments specify a review process and notification to the City Council prior to implementation. The fee modifications were the subject of a public comment period from May 2, 2016 through June 1, 2016 and a public meeting at the May 25, 2016 regular meeting of the Animal Shelter Advisory Board. Public notices regarding the fees and meeting were placed in The Daily Herald, on the City's website and posted at the Animal Shelter. The Board finalized its recommendation to staff at its June 22, 2016 meeting.

The adjustments include the following:

1. Increasing reclaim, owner surrender, euthanasia, licensing and adoption fees;
2. Including a microchip with stray reclaim fees;
3. Establishing certain fee categories for species other than cats and dogs;
4. Increasing license fees to adjust for online purchases; and
5. Establishing tiered late fees for expired licenses

Consistent with the requirements of the resolution passed by City Council in 2011, animal shelter fee adjustments specify a review process and notification to the City Council prior to implementation. The fee modifications were the subject of a public comment period from May 2, 2016 through June 1, 2016 and a public meeting at the May 25, 2016 regular meeting of the Animal Shelter Advisory Board. Public notices regarding the fees and meeting were placed in The Daily Herald, on the City's website and posted at the Animal Shelter. The Board finalized its recommendation to staff at its June 22, 2016 meeting.

Dear Business Owner,

The Live in Everett Food Truck Festival is scheduled for Saturday, August 27th, 2016. As with previous years, we're working with the Bubble Run to create a whole day of fun in Everett and bring thousands of people to your doorsteps. We experienced record growth last year and did our best to deal with the chaos. However, we recognize that the chaos affected your business. We're committed this year to working alongside the businesses on Colby to minimize the negative affects our event has on your business.

As of now, we're planning to host the event on Colby Avenue between 25th Street and Everett Avenue. This will result in Colby being closed from early in the morning until 6 PM on Saturday August 27th. The alleys WILL BE OPEN this year. We have worked with the Bubble Run to **ensure** their race WILL NOT block the alleys so your clients and customers can get to your business (see attached maps).

We're asking you to please sign our street closure application to close down Colby for the day and bring the Everett Food Truck Festival and thousands of people to your doorsteps.

Please see reverse side for a list of complaints from last year and our remedies to fix them.

Sincerely yours,

Tyler Chism + Garret Hunt

www.liveineverett.com

Common complaints from last year and our plans to address them this year.

“We were not informed of the event”

This year, we’re hand delivering this letter four months in advance to inform you about our event. We also want to invite you to dialog with us about your needs and how we can help.

“There was garbage everywhere!”

This year, we’re staffing our event with two dozen volunteers and investing in twice as many trash bins to handle the waste. We’ll work with a janitorial company to clean Colby between 25th and Everett Ave. after the event.

“My customers/clients could not get to my business!”

This year, the alleys behind your businesses will be open along with Hoyt and Wetmore. Everpark garage will also be open for your clients to park in, for free. We’re happy to provide you with a map that you can print and give to your clients/customers showing how they’ll access your business and where to park. Call us to inquire.

“The Food Trucks will steal business from my restaurant.”

Trust us, the lines are LONG and people get tired of waiting. Last year, we saw lines going out of the doors of every restaurant that stayed open for the festival.

“My bathroom will be destroyed by non-paying customers!”

Yeah, we would not want someone who’s full of food using our bathroom either! We’ll have a ton of porta-potties and can provide you with a sign that states that your restroom is not for public use.

Along with our plans to mitigate these issues, we’re also committed to helping you market your business to a captive audience of many non-Everett people. We will create custom coupons for all businesses to distribute to visitors so you can invite people back to your business after the event. Our in-house design team will design the coupon and help connect you with a place to get them printed at a very affordable rate. Call to inquire.

Please don't hesitate to call us with any other concerns. We'll work as hard as we can make sure you have a record day!

DETAILED SUMMARY STATEMENT:

Publics Works has an ongoing need for pumps and replacement parts for their fleet of Flygt submersible pumps at various locations. The estimated cost of these items over the next two years is \$200,000. Flygt pumps have been established as a City standard and are only available from Whitney Equipment, Inc. As such, the City needs to waive its competitive bidding requirements and authorize a sole source purchase of Flygt pumps and replacement parts from Whitney Equipment, Inc.

RECOMMENDATION (Exact action requested of Council):

Adopt a Resolution waiving public bidding requirements and approve sole source purchase of Flygt submersible pumps and replacement parts from Whitney Equipment, Inc. in the estimated amount of \$200,000 including Washington State sales tax.

RESOLUTION NO. _____

A RESOLUTION waiving public bidding requirements and approving a sole source purchase of Flygt submersible pumps and replacement parts from Whitney Equipment, Inc.

WHEREAS, the City has selected Flygt pumps as a standard for submersible pumps in wastewater and sewer lift station applications; and

WHEREAS, maintenance and spare part stocking is made more efficient by the purchase of pumps from a single manufacturer; and

WHEREAS, Whitney Equipment, Inc is the only supplier capable of providing the Flygt pumps to customers in Washington State;

NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF EVERETT that because there is clearly and legitimately only one source capable of supplying Flygt pumps and replacement parts; the City hereby waives competitive bidding requirements and authorizes the purchase of Flygt pumps and replacement parts from Whitney Equipment, Inc.

Broadway between 35 th Street & Pacific Avenue	Call for Bids – July 13, 2016	Bid Summary	Public Works

Amount Budgeted	\$1,000,000.00	Fund 336
Expenditure Required	\$721,228.06	Account Number(s): UP 3612
Budget Remaining	\$293,029.94	
Additional Required	-0-	

DETAILED SUMMARY STATEMENT:

Bids were opened on August 2, 2016 with 10 bids received. Faber Construction submitted the lowest responsive and responsible bid in the amount of \$721,228.06. The highest bid submitted came in at \$997,651.20. The Engineer's Opinion of Probable Construction Cost is \$919,900.

Water Main Replacement "Q – Broadway" (UP3612) will replace approximately 1,900 feet of existing 12-inch diameter cast iron pipe along the west side of Broadway between 35th Street and Pacific Avenue. The 12-inch cast iron pipe in Broadway has broken several times in the past and when it breaks it results in significant damage claims from flooding private property.

The budget remaining amount is arrived at by deducting the contracts for geotechnical (\$7,865), surveying (\$30,877), bid advertising (\$2,000), and the low bid from the amount budgeted. There are no supplemental bidder requirements associated with this project.

RECOMMENDATION (Exact action requested of Council):

Award Contract for the construction of the Water Main Replacement "Q - Broadway" Project to Faber Construction in the amount of \$721,228.06, which includes Washington State sales tax.
