Section 4. Registration, Exchange and Payments.

(a) *Registrar/Bond Register.* The City hereby specifies and adopts the system of registration approved by the Washington State Finance Committee from time to time through the appointment of state fiscal agencies. The City shall cause a bond register to be maintained by the Registrar. So long as any Bonds remain outstanding, the Registrar shall make all necessary provisions to permit the exchange or registration or transfer of Bonds at its principal corporate trust office. The Registrar may be removed at any time at the option of the Designated Representative upon prior notice to the Registrar and a successor Registrar appointed by the Designated Representative. No resignation or removal of the Registrar shall be effective until a successor shall have been appointed and until the successor Registrar shall have accepted the duties of the Registrar hereunder. The Registrar is authorized, on behalf of the City, to authenticate and deliver Bonds transferred or exchanged in accordance with the provisions of such Bonds and this ordinance and to carry out all of the Registrar's powers and duties under this ordinance. The Registrar shall be responsible for its representations contained in the Certificate of Authentication of the Bonds.

(b) *Registered Ownership.* The City and the Registrar, each in its discretion, may deem and treat the Registered Owner of each Bond as the absolute owner thereof for all purposes (except as provided in Section 17 of this ordinance), and neither the City nor the Registrar shall be affected by any notice to the contrary. Payment of any such Bond shall be made only as described in Section 4(h) hereof, but such Bond may be transferred as herein provided. All such payments made as described in Section 4(h) shall be valid and shall satisfy and discharge the liability of the City upon such Bond to the extent of the amount or amounts so paid.

(c) *DTC Acceptance/Letters of Representations.* The Bonds initially shall be held in fully immobilized form by DTC acting as depository. To induce DTC to accept the Bonds as eligible for deposit at DTC, the City has executed and delivered to DTC a Blanket Issuer Letter of Representations. Neither the City nor the Registrar will have any responsibility or obligation to DTC participants or the persons for whom they act as nominees (or any successor depository) with respect to the Bonds in respect of the accuracy of any records maintained by DTC (or any successor depository) or any DTC participant, the payment by DTC (or any successor depository) or any DTC participant of any amount in respect of the principal of or interest on Bonds, any notice which is permitted or required to be given to Registered Owners under this ordinance (except such notices as shall be required to be given by the City to the Registrar or to DTC (or any successor depository)), or any consent given or other action taken by DTC (or any successor depository) as the Registered Owner. For so long as any Bonds are held in fully-immobilized form hereunder, DTC or its successor depository shall be deemed to be the Registered Owner for all purposes hereunder, and all references herein to the Registered Owners shall mean DTC (or any successor depository) or its nominee and shall not mean the owners of any beneficial interest in such Bonds.

If any Bond shall be duly presented for payment and funds have not been duly provided by the City on such applicable date, then interest shall continue to accrue thereafter on the unpaid principal thereof at the rate stated on such Bond until it is paid.

(d) *Use of Depository.*

(1) The Bonds shall be registered initially in the name of "Cede & Co.", as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date.

Registered ownership of such immobilized Bonds, or any portions thereof, may not thereafter be transferred except (A) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (B) to any substitute depository appointed by the Designated Representative pursuant to subsection (2) below or such substitute depository's successor; or (C) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Designated Representative to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Designated Representative may hereafter appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (A) or (B) of subsection (1) above, the Registrar shall, upon receipt of all outstanding Bonds, together with a written request of the Designated Representative, issue a single new Bond for each maturity then outstanding, registered in the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Designated Representative.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Designated Representative determines that it is in the best interest of the beneficial owners of the Bonds that such owners be able to obtain such bonds in the form of Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held in fully-immobilized form. The Designated

Representative shall deliver a written request to the Registrar, together with a supply of definitive Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Registrar of all then outstanding Bonds together with a written request of the Designated Representative to the Registrar, new Bonds shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

(e) *Registration of Transfer of Ownership or Exchange; Change in Denominations.*

The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner's duly authorized agent in a manner satisfactory to the Registrar. Upon such surrender, the Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond (or Bonds at the option of the new Registered Owner) of the same date, maturity and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same date, maturity and interest rate, in any authorized denomination. The Registrar shall not be obligated to register the transfer or to exchange any Bond during the 15 days preceding any interest payment or principal payment date any such Bond is to be redeemed.

(f) *Registrar's Ownership of Bonds.* The Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Registrar, and to the

extent permitted by law, may act as depository for and permit any of its officers or directors to act as member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners of Bonds.

(g) *Registration Covenant.* The City covenants that, until all Bonds have been surrendered and canceled, it will maintain a system for recording the ownership of each Bond that complies with the provisions of Section 149 of the Code.

(h) *Place and Medium of Payment.* Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds are in fully immobilized form, payments of principal and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds are no longer in fully immobilized form, interest on the Bonds shall be paid by check or draft mailed to the Registered Owners at the addresses for such Registered Owners appearing on the Bond Register on the fifteenth day of the month preceding the interest payment date, or upon the written request of a Registered Owner of more than \$1,000,000 of Bonds (received by the Registrar at least 15 days prior to the applicable payment date), such payment shall be made by the Registrar by wire transfer to the account within the continental United States designated by the Registered Owner. Principal of the Bonds shall be payable upon presentation and surrender of such Bonds by the Registered Owners at the principal office of the Registrar.

(c) *Purchase of Bonds for Retirement.* The City further reserves the right to use at any time any surplus Revenue of the System available after providing for the payments required by paragraphs First, through Sixth of Section 6(b) of this ordinance, or other available funds, to purchase any of the Bonds that are offered to the City at any price deemed appropriate by the City. Any purchase of Bonds may be made with or without tender of Bonds and at either public or private sale.

(d) *Effect of Purchase.* To the extent that the City shall have purchased any term bonds or Balloon Maturity Bonds since the last scheduled mandatory redemption of such term bonds, the City may reduce the principal amount of the term bonds or Balloon Maturity Bonds to be redeemed in like principal amount. Such reduction may be applied in the year specified by the Designated Representative.

(e) *Selection of Bonds for Redemption.* If Bonds are called for optional redemption, the maturities of Bonds to be redeemed shall be selected by the City. If any Bonds to be redeemed (optional or mandatory) then are held in book-entry-only form, the selection of Bonds to be redeemed within a maturity shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds to be redeemed are no longer held in book-entry-only form,

the selection of such Bonds to be redeemed shall be made in the following manner. If the City redeems at any one time fewer than all of the Bonds having the same maturity date, the particular Bonds or portions of Bonds and maturity to be redeemed shall be selected by lot utilizing a random selection process reasonably determined by the Registrar) in increments of \$5,000. In the case of a Bond of maturity in a denomination greater than \$5,000, the City and Registrar shall treat each Bond of that maturity as representing such number of separate Bonds each of the denomination of \$5,000 as is obtained by dividing the actual principal amount of such Bond of that maturity by \$5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the principal office of the Registrar there shall be issued to the Registered Owner, without charge therefor, for the then-unredeemed balance of the principal sum thereof a Bond or, at the option of the Registered Owner, Bonds of like maturity and interest rate in any of the denominations herein authorized.

(f) *Notice of Redemption.* Written notice of any redemption of Bonds prior to maturity, which notice may be conditional, shall be given by the Registrar on behalf of the City by first class mail, postage prepaid, not less than 20 days nor more than 60 days before the date fixed for redemption to the Registered Owners of Bonds that are to be redeemed at their last addresses shown on the Bond Register. This requirement shall be deemed complied with when notice is mailed to the Registered Owners at their last addresses shown on the Bond Register, whether or not such notice is actually received by the Registered Owners.

So long as the Bonds are in book-entry only form, notice of redemption shall be given to Beneficial Owners of Bonds to be redeemed in accordance with the operational arrangements then in effect at DTC, and neither the City nor the Registrar shall be obligated or responsible to confirm that any notice of redemption is, in fact, provided to Beneficial Owners.

Each notice of redemption prepared and given by the Registrar to Registered Owners of Bonds shall contain the following information: (1) the proposed redemption date, (2) the redemption price, (3) if fewer than all outstanding Bonds are to be redeemed, the identification by maturity (and, in the case of partial redemption, the principal amounts) of the Bonds to be redeemed, (4) that (unless the notice of redemption is a conditional notice, in which case the notice shall state that interest shall cease to accrue from the date fixed for redemption if and to the extent that funds have been provided to the Registrar for the redemption of Bonds) on the date fixed for redemption the redemption price will become due and payable upon each Bond or portion called for redemption, and that interest shall cease to accrue from the date fixed for redemption, (5) that the Bonds are to be surrendered for payment at the principal office of the Registrar, (6) the CUSIP numbers of all Bonds being redeemed, (7) the dated date of the Bonds being redeemed, (8) the rate of interest for each Bond being redeemed, (9) the date of the notice, and (10) any other information deemed necessary by the Registrar to identify the Bonds being redeemed.

Upon the payment of the redemption price of Bonds being redeemed, each check or other transfer of funds issued for such purpose shall bear the CUSIP number identifying, by issue and maturity, the Bonds being redeemed with the proceeds of such check or other transfer.

(g) *Effect of Redemption.* Unless the City has revoked a notice of redemption (or unless the City provided a conditional notice and the conditions for redemption set forth therein are not satisfied), the City shall transfer to the Registrar amounts that, in addition to other money, if any, held by the Registrar for such purpose, will be sufficient to redeem, on the date fixed for redemption, all the Bonds to be redeemed. If and to the extent that funds have been provided to the Registrar for the redemption of Bonds then such Bonds shall become due and payable on the

date fixed for redemption and interest on such Bond shall cease to accrue from and after such date.

(h) *Amendment of Notice Provisions.* The foregoing notice provisions of this section, including but not limited to the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes to maintain compliance with duly promulgated regulations and recommendations regarding notices of redemption of municipal securities.

(a) *Revenue Fund.* A special fund of the City known as “Fund 401 Public Works – Utilities Fund, including subaccounts therein (the “Revenue Fund”) has heretofore been established in the office of the Designated Representative into which shall be deposited the Revenue of the System as collected, except the interest earned and income derived from investments of money in the Revenue Bond Fund and the accounts therein. The Revenue Fund shall be held separate and apart from all other funds and accounts of the City.

(b) *Priority of Payments from the Revenue Fund.* The Revenue of the System deposited in the Revenue Fund shall be used only for the following purposes and in the following order of priority:

Money in the Revenue Fund may be invested by the City in any investment that is a legal investment for the City.

(c) *Coverage Stabilization Account.* The Chief Financial Officer is hereby authorized to create a Coverage Stabilization Account within the Revenue Fund at the option of the Chief Financial Officer. The City hereby determines that the maintenance of a Coverage Stabilization Account will moderate fluctuations in Net Revenues and help to alleviate the need for short-term rate adjustments. Money in the Coverage Stabilization Account will be transferred as determined from time to time by the City. The City may make payments into the Coverage Stabilization Account from the Revenue Fund at any time. Money in the Coverage Stabilization Account may be withdrawn at any time and used for the purpose for which the Revenue of the System may be used. Amounts withdrawn from the Coverage Stabilization Account shall increase Revenue of the System for the period in which they are withdrawn, and amounts deposited in the Coverage Stabilization Account shall reduce Revenue of the System for the period during which they are deposited for purposes of measuring compliance with the Rate Covenant. Credits to or from the Coverage Stabilization Account that occur within 90 days after the end of a fiscal year may be treated as occurring within such fiscal year. Earnings on the Coverage Stabilization Account shall be credited to the Revenue Fund.

Section 7. Payments into Revenue Bond Fund. A special account of the City known as the “Fund 401 – Public Works-Utilities – Bond Redemption Subaccount” (the “Revenue Bond Fund”) has been created in the office of the Chief Financial Officer for the sole purpose of

paying and securing the payment of Parity Bonds. The City hereby irrevocably covenants and agrees to pay the ULID Assessments into the Revenue Bond Fund.

(a) *Payments into Revenue Bond Fund.* As long as the Bonds remain outstanding, the City hereby irrevocably obligates and binds itself to set aside and pay from the Revenue Fund into the Revenue Bond Fund on or before the date due those amounts necessary, together with ULID Assessments deposited and such other money as is on hand and available therefor in the Revenue Bond Fund, to pay the interest or principal and interest next coming due on the Bonds.

Notwithstanding anything in Section 7(d) hereof to the contrary, money in the Revenue Bond Fund may be used to pay any arbitrage rebate, if any, to the extent the rebate is attributable to earnings on money in the Revenue Bond Fund.

(b) *Payments into Reserve Account.*

(1) Establishment. The City hereby agrees that a special account to be known as the “Fund 401 – Public Works Utilities – restricted subaccount for bond reserves” (the “Reserve Account”) shall be maintained for the purpose of securing the payment of the principal of and interest on all Covered Bonds.

The Designated Representative may decide to utilize a Surety Bond to satisfy all or a portion of the Reserve Requirement; provided that the Surety Bond meets the qualifications for Qualified Insurance. Upon such election, the Designated Representative is hereby authorized to execute and deliver a Surety Bond Agreement with a Surety Bond Issuer to effect the delivery of the Surety Bond. Any moneys released from the Reserve Account as a result of the acquisition of a Surety Bond shall be used by the City for capital improvements to the System.

(2) Maintenance of Reserve Requirement. The Reserve Account shall be maintained for the purpose of securing the payment of the principal of and interest on all

Covered Bonds. The Bonds shall be Covered Bonds, secured by the Reserve Account. The City hereby covenants that the Reserve Requirement for the Bonds will be fully funded as of the date of issuance of the Bonds, either with cash, Bond proceeds or Qualified Insurance. The City covenants and agrees that from and after the closing and delivery of the Bonds, it will at all times, subject to the foregoing funding requirements, maintain an amount in the Reserve Account at least equal to the Reserve Requirement except for withdrawals therefrom authorized hereinafter, at all times for so long as any Covered Bonds remain outstanding. The Reserve Requirement may be maintained by deposits of cash, a Qualified Letter of Credit or Qualified Insurance, or a combination of the foregoing. In computing the amount on hand in the Reserve Account, Qualified Insurance and/or a Qualified Letter of Credit shall be valued at the face amount thereof, and all other obligations purchased as an investment of moneys therein shall be valued at cost. As used herein, the term "cash" shall include U.S. currency, cash equivalents and evidences thereof, including demand deposits, certified or cashier's check; and the deposit to the Reserve Account may be satisfied initially by the transfer of qualified investments to such account.

Any Qualified Insurance shall not be cancelable on less than 30 days' notice to the City. In the event of any cancellation or termination of a Qualified Insurance or a Qualified Letter of Credit, the Reserve Account shall be funded as if the Covered Bonds that remain outstanding had been issued on the date of such notice of cancellation.

In the event that the City elects to meet the Reserve Requirement through the use of a Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device, the City may contract with the entity providing such Qualified Letter of Credit, Qualified Insurance or other equivalent credit enhancement device that the City's reimbursement

obligation, if any, to such entity shall be made from payments of principal and interest on Covered Bonds from the City subject only to the prior lien thereon for the payments required hereunder to be made to registered owners of Parity Bonds.

(3) Withdrawals From Reserve Account. If the balances on hand in the Reserve Account are sufficient to satisfy the Reserve Requirement, interest earnings shall be applied as provided in the following sentences. Whenever there is a sufficient amount in the Revenue Bond Fund, including the Reserve Account to pay the principal of and interest on all outstanding Covered Bonds, the money in the Reserve Account may be used to pay such principal and interest. As long as the money left remaining on deposit in the Reserve Account is equal to the Reserve Requirement, money in the Reserve Account may be transferred to the Revenue Bond Fund and used to pay the principal of and interest on Covered Bonds as the same becomes due and payable. The City also may transfer out of the Reserve Account any money required in order to prevent any Parity Bonds from becoming “arbitrage bonds” under the Code.

If a deficiency in the Revenue Bond Fund for the payment of debt service on Covered Bonds shall occur, such deficiency shall be made up from the Reserve Account by the withdrawal of cash therefrom for that purpose and by the sale or redemption of obligations held in the Reserve Account, in such amounts as will provide cash in the Reserve Account sufficient to make up any such deficiency with respect to Covered Bonds, and if a deficiency still exists immediately prior to an interest payment date and after the withdrawal of cash, the City shall then draw from any Qualified Letter of Credit or Qualified Insurance for Covered Bonds in sufficient amount to make up the deficiency. Such draw shall be made at such times and under such conditions as the agreement for such Qualified Letter of Credit or such Qualified Insurance shall provide.

(4) Replenishment. Any deficiency created in the Reserve Account by reason of any such withdrawal shall then be made up within one year of the date of withdrawal from Net Revenues or from ULID Assessments (or out of any other moneys on hand legally available for such purpose) after making necessary provision for the payments required to be made by subparagraphs First through Fourth, inclusive, of Section 6(b) of this ordinance or may be made up with a policy or policies of Qualified Insurance or a Qualified Letter of Credit as provided above.

(5) Future Parity Bonds. In the event the City issues any Future Parity Bonds that are Covered Bonds, the City will provide in the ordinance authorizing the issuance of the same for payment into the Reserve Account out of proceeds of such Future Parity Bonds, Revenue of the System or ULID Assessments (or, at the option of the City, out of any other funds on hand and legally available therefor) approximately equal additional annual installments so that by five years from the date of issuance of such Future Parity Bonds there will have been paid into the Reserve Account an amount that, together with the money already on deposit therein, will be at least equal to the Reserve Requirement. Such annual payments into the Reserve Account shall be made not later than December 20 of each year.

(c) *Priority of Lien of Payments into Revenue Bond Fund*. The amounts so pledged to be paid into the Revenue Bond Fund from the Revenue Fund are hereby declared to be a lien and charge upon the Revenue of the System junior in lien to the Costs of Maintenance and Operation and equal to the lien of the charges upon such Revenue of the System and ULID Assessments that have heretofore been made to pay and secure the payment of the principal of and interest on the Outstanding Parity Bonds and which may hereafter be made upon the Revenue of the System and ULID Assessments to pay and secure the payment of the principal of

and interest on any Future Parity Bonds, and prior and superior to all other charges of any kind or nature whatsoever.

(d) *Application and Investment of Money in Revenue Bond Fund.* Money in the Revenue Bond Fund and the Reserve Account shall be invested in any legal investment for City funds. Investments in the Revenue Bond Fund shall mature prior to the date on which such money shall be needed for required interest or principal payments. Investments in any Reserve Account shall mature not later than the last maturity of the Parity Bonds secured thereby. All interest earned and income derived by virtue of such investments shall remain in the Revenue Bond Fund and be used to meet the required deposits into any account therein.

(e) *Sufficiency of Revenues.* The Council hereby finds and declares that in fixing the amounts to be paid into the Revenue Bond Fund out of the Revenue of the System, it has exercised due regard for the Costs of Maintenance and Operation and has not obligated the City to set aside and pay into such Fund a greater amount of such Revenue than in its judgment will be available over and above the Costs of Maintenance and Operation.

(f) *Surety Bond Agreement.* The Designated Representative may solicit bids from surety bond issuers, and the Designated Representative is hereby authorized to select a proposal and to execute the Surety Bond Agreement(s), which may include such covenants and conditions as shall be approved by the Designated Representative.

Section 8.     Bond Covenants.

(a) *Maintenance and Operation.* The City shall at all times maintain, preserve and keep the properties of the System in good repair, working order and condition and will from time to time make all necessary and proper repairs, renewals, replacements, extensions and betterments thereto, so that at all times the business carried on in connection therewith will be

properly and advantageously conducted, and the City will at all times operate or cause to be operated said properties of the System and the business in connection therewith in an efficient manner and at a reasonable cost.

(b) *Rate Covenant.* The City will establish, maintain and collect such rates and charges for service of its System for so long as any Parity Bonds are outstanding as will maintain the Rate Covenant.

(c) *Payment of Costs of Maintenance and Operation.* After making or providing for the payments from the Revenue Fund as required by Section 6(b) hereof, there shall be maintained in the Revenue Fund sufficient money to enable the City to meet the Costs of Maintenance and Operation of the System on a current basis.

(d) *Sale or Disposition of the System.* The City will not sell or otherwise dispose of the System in its entirety unless simultaneously with such sale or other disposition, provision is made for the payment into the Revenue Bond Fund of cash or Government Obligations sufficient together with interest to be earned thereon to pay the principal of and interest on the then Outstanding Parity Bonds, nor will it sell or otherwise dispose of any part of the useful operating properties of the System unless such facilities are replaced or provision is made for payment into the Revenue Bond Fund of the greatest of the following:

(1) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (defined as the total amount of the Parity Bonds less the amount of cash and investments in the Revenue Bond Fund and accounts therein) that the Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue for such period; or

(2) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the Net Revenue from the portion of the System sold or disposed of for the preceding year bears to the total Net Revenue for such period;  
or

(3) An amount which will be in the same proportion to the net amount of Parity Bonds then outstanding (as defined above) that the depreciated cost value of the facilities sold or disposed of bears to the depreciated cost value of the entire System immediately prior to such sale or disposition.

The proceeds of any such sale or disposition of a portion of the properties of the System (to the extent required above) shall be paid into the Revenue Bond Fund.

Notwithstanding any other provision of this subsection (d), the City may sell or otherwise dispose of any of the works, plant, properties and facilities of the System or any real or personal property comprising a part of the same which shall have become unserviceable, inadequate, obsolete or unfit to be used in the operation of the System, or no longer necessary, material to or useful in such operation, without making any deposit into the Revenue Bond Fund.

(e) *Liens or Encumbrances.* The City will not at any time create or permit to accrue or to exist any lien or other encumbrance or indebtedness upon the System or the Revenue of the System, or any part thereof, prior or superior to the lien thereon for the payment of the Parity Bonds, and will pay and discharge, or cause to be paid and discharged, any and all lawful claims for labor, materials or supplies which, if unpaid, might become a lien or charge upon the Revenue of the System, or any part thereof, or upon any funds in the hands of the City, prior to or superior to the lien of the Parity Bonds, or which might impair the security of the Parity Bonds.

(f) *Insurance.* The City will keep the works, plants and facilities comprising the System insured, and will carry such other insurance, with responsible insurers, with policies payable to the City, against risks, accidents or casualties, at least to the extent that insurance is usually carried by private corporations operating like properties, or will implement a self-insurance program with reserves adequate, in the judgment of the Council, to protect the City and the holders of Parity Bonds against loss. In the event of any loss or damage, the City will promptly repair or replace the damaged portion of the insured property and apply the proceeds of any insurance policy for that purpose; or in the event the City should determine not to repair or reconstruct such damaged portion of the properties of the System, the proceeds of such insurance shall be paid into any Reserve Account to the extent that such transfer shall be necessary to make up any deficiency in said Reserve Account and the balance, if any, shall, at the option of the City, be used either for repairs, renewals, replacements, or capital additions to the System, for the redemption of Parity Bonds, or for deposit into the Revenue Bond Fund.

(g) *Books and Accounts.* The City shall keep proper books of account in accordance with any applicable rules and regulations prescribed by the State of Washington. The City shall prepare, and any owner or holder of Parity Bonds may, upon written request, obtain copies of, balance sheets and profit and loss statements showing in reasonable detail the financial condition of the System as of the close of each year, and the income and expenses of such year, including the amounts paid into the Revenue Fund, the Revenue Bond Fund, and into any and all special funds or accounts created pursuant to the provisions of this ordinance, and the amounts expended for maintenance, renewals, replacements, and capital additions to the System.

(h) *No Free Service.* The City will not furnish or supply or permit the furnishing or supplying of any commodity, service or facility furnished by or in connection with the operation

of the System, free of charge to any person, firm or corporation, public or private, so long as any Bonds are outstanding and unpaid.

(i) *Additions and Improvements.* The City will not expend any of the revenues derived by it from the operation of the System or the proceeds of any indebtedness payable from the Revenue of the System for any extensions, betterments or improvements to the System that are not legally required or economically sound, and that will not properly and advantageously contribute to the conduct of the business of the System in an efficient manner.

(j) *Collection of Delinquent Accounts.* The City will, on or before April 1 of each calendar year, determine all accounts that are delinquent and will take all necessary action to enforce payment of such accounts including real property foreclosure actions pursuant to RCW Chapter 35.67, as amended, or its successor statute, if any, against those property owners whose accounts are delinquent.

(k) *Collection and Application of ULID Assessments.* All ULID Assessments shall be paid into the Revenue Bond Fund and shall be used to pay and secure the payment of the principal of and interest on the Parity Bonds. Nothing in this ordinance or this section shall be construed to prohibit the City from issuing water, sewer or water and sewer revenue bonds junior in lien to the Bonds and pledging as security for their payment assessments levied in any ULID which may have been specifically created to pay part of the cost of improvements to the System for which those junior lien bonds were specifically issued.

(l) *Collection of Delinquent ULID Assessments.* The City will, on or before April 1 of each calendar year, determine all ULID Assessments or installments thereof that are delinquent and will take all necessary action to enforce payment of such ULID Assessments,

including real property foreclosure actions pursuant to RCW Chapter 35.50, as amended, or its successor statute, if any, against the property owners whose ULID Assessments are delinquent.

Section 9. Issuance of Future Parity Bonds.

(a) *Conditions to the issuance of Future Parity Bonds.* As long as any of Parity Bonds remain outstanding, the City hereby further covenants and agrees that it will not issue any Future Parity Bonds except that the City hereby reserves the right to issue additional water and sewer revenue bonds, which shall constitute a charge and lien upon the Revenue of the System equal to the lien thereon of the Bonds. Except as provided in subsection (b) below, the City shall not issue any series of Future Parity Bonds or incur any additional indebtedness with a parity lien or charge on Net Revenues (*i.e.*, on a parity of lien with Parity Bonds at the time outstanding) unless:

(1) the City shall not have been in default of its Rate Covenant for the immediately preceding fiscal year, without regard to transfers from the Coverage Stabilization Account;

(2) The ordinance authorizing the issuance of such Future Parity Bonds shall include the covenants provided in Section 8(b) hereof; and

(3) there shall have been filed a certificate (prepared as described in subsection (c) or (d) below) demonstrating fulfillment of the Parity Requirement, commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued no longer will be paid from the proceeds of such series of Future Parity Bonds.

(b) *No Certificate Required.* The certificate described in the foregoing subsection (a)(3) shall not be required as a condition to the issuance of Future Parity Bonds:

(1) if the Future Parity Bonds being issued are for the purpose of refunding Outstanding Parity Bonds; or

(2) if the Future Parity Bonds are being issued to pay costs of construction of facilities of the System for which Future Parity Bonds have been issued previously and the principal amount of such Future Parity Bonds being issued for completion purposes does not exceed an amount equal to an aggregate of 15% of the principal amount of Future Parity Bonds theretofore issued for such facilities and reasonably allocable to the facilities to be completed as shown in a written certificate of the Chief Financial Officer, and there is delivered a Designated Representative's certificate stating that the nature and purpose of such facilities has not materially changed.

(c) *Certificate of the City Without A Consultant.* If required pursuant to the foregoing subsection (a)(3), a certificate may be delivered by the City (executed by the Chief Financial Officer) without a Consultant if Net Revenues for the Base Period (confirmed by an audit) conclusively demonstrate that the Parity Requirement will be fulfilled commencing with the first full fiscal year following the date on which any portion of interest on the series of Future Parity Bonds then being issued will not be paid from the proceeds of such series of Future Parity Bonds.

(d) *Certificate of a Consultant.* Unless compliance with the requirements of subsection (a)(3) have been otherwise satisfied (as provided in (b) or (c) above), compliance with the Parity Requirement shall be demonstrated conclusively by a certificate of a Consultant.

In making the computations of Net Revenues for the purpose of certifying compliance with the Parity Requirement, the Consultant shall use as a basis the Net Revenues (which may be

based upon unaudited financial statements of the City if the audit has not yet been completed) for the Base Period. Such Net Revenues shall be determined by adding the following:

(1) The historical net revenue of the City for the Base Period being issued as determined by a Consultant.

(2) The net revenue derived from those customers of the City that have become customers during such 12-month period or thereafter and prior to the date of such certificate, adjusted to reflect a full year's net revenue from each such customer to the extent such net revenue was not included in (1) above.

(3) The estimated annual net revenue to be derived from any person, firm, association, private or municipal corporation under any executed contract for service, which net revenue was not included in any of the sources of net revenue described in this subsection (d).

(4) The estimated annual net revenue to be derived from the operation of any additions or improvements to or extensions of the City under construction but not completed at the time of such certificate and not being paid for out of the proceeds of sale of such Future Parity Bonds being issued, and which net revenue is not otherwise included in any of the sources of net revenue described in this subsection (d).

(5) The estimated annual net revenue to be derived from the operation of any additions and improvements to or extensions of the City being paid for out of the proceeds of sale of such Future Parity Bonds being issued.

In the event the City will not derive any revenue as a result of the construction of the additions, improvements or extensions being made or to be made to the System within the provisions of subparagraphs (4) and (5) immediately above, the estimated normal Costs of Maintenance and Operation (excluding any transfer of money to other funds of the City and

license fees, taxes and payments in lieu of taxes payable to the City) of such additions, improvements and extensions shall be deducted from estimated annual net revenue.

The words “historical net revenue” or “net revenue” as used in this subsection (d) shall mean the Revenue or any part or parts thereof less the normal expenses of maintenance and operation of the System or any part or parts thereof, but before depreciation.

Such “historical net revenue” or “net revenue” shall be adjusted to reflect the rates and charges effective on the date of such certificate if there has been any change in such rates and charges during or after such 12-consecutive-month period.

(e) *Junior Liens.* Nothing herein contained shall prevent the City from issuing revenue bonds or other obligations that are a charge upon the Revenue of the System junior or inferior to the payments required by this ordinance to be made out of such Revenue into the Revenue Bond Fund and accounts therein to pay and secure the payment of any Outstanding Parity Bonds.

(f) *Refunding to avoid default.* Nothing herein contained shall prevent the City from issuing revenue bonds to refund maturing Parity Bonds for the payment of which money is not otherwise available.

Section 10. Tax Covenants. The City covenants that it will not take or permit to be taken on its behalf any action that would adversely affect the exemption from federal income taxation of the interest on the Bonds and will take or require to be taken such acts as may reasonably be within its ability and as may from time to time be required under applicable law to continue the exemption from federal income taxation of the interest on the Bonds.

(a) *Arbitrage Covenant.* Without limiting the generality of the foregoing, the City covenants that it will not take any action or fail to take any action with respect to the proceeds of

sale of the Bonds or any other funds of the City which may be deemed to be proceeds of the Bonds pursuant to Section 148 of the Code and the regulations promulgated thereunder which, if such use had been reasonably expected on the dates of delivery of the Bonds to the initial purchasers thereof, would have caused the Bonds as “arbitrage bonds” within the meaning of such term as used in Section 148 of the Code.

The City represents that it has not been notified of any listing or proposed listing by the Internal Revenue Service to the effect that it is an issuer whose arbitrage certifications may not be relied upon. The City will comply with the requirements of Section 148 of the Code and the applicable regulations thereunder throughout the term of the Bonds.

(b) *Private Person Use Limitation for Bonds.* The City covenants that for as long as the Bonds are outstanding, it will not permit:

(1) More than 10% of the Net Proceeds of the Bonds to be used for any Private Person Use; and

(2) More than 10% of the principal or interest payments on the Bonds in a Bond Year to be directly or indirectly: (A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or (B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use.

The City further covenants that, if:

(3) More than five percent of the Net Proceeds of the Bonds are to be used for any Private Person Use; and

(4) More than five percent of the principal or interest payments on the Bonds in a Bond Year are (under the terms of this ordinance or any underlying arrangement) directly or indirectly:

(A) secured by any interest in property used or to be used for any Private Person Use or secured by payments in respect of property used or to be used for any Private Person Use, or

(B) derived from payments (whether or not made to the City) in respect of property, or borrowed money, used or to be used for any Private Person Use, then, (i) any Private Person Use of the projects financed or refinanced with the proceeds of the Bonds or Private Person Use payments described in subsection (4) hereof that is in excess of the five percent limitations described in such subsections (3) or (4) will be for a Private Person Use that is related to the state or local governmental use of the projects financed or refinanced with the proceeds of the Bonds, and (ii) any Private Person Use will not exceed the amount of Net Proceeds of the Bonds used for the state or local governmental use portion of the projects financed or refinanced with the proceeds of the Bonds to which the Private Person Use of such portion of the projects financed or refinanced with the proceeds of the Bonds relates. The City further covenants that it will comply with any limitations on the use of the projects by other than state and local governmental users that are necessary, in the opinion of its bond counsel, to preserve the tax exemption of the interest on the Bonds. The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Bonds.

(c) *No Designation under Section 265(b) of the Code.* The Bonds are not “qualified tax exempt obligations” for investment by financial institutions under Section 265(b) of the Code.

(d) *Modification of Tax Covenants.* The covenants of this section are specified solely to assure the continued exemption from regular income taxation of the interest on the Bonds. To that end, the provisions of this section may be modified or eliminated without any requirement for formal amendment thereof upon receipt of an opinion of the City’s bond counsel that such modification or elimination will not adversely affect the tax exemption of interest on any Bonds.

Section 11. Form of Bonds. The Bonds shall be in substantially the following form:

Section 13. Defeasance. In the event that the City, in order to effect the payment, retirement or redemption of any Bond, sets aside in the Revenue Bond Fund or in another special account, cash or noncallable Government Obligations, or any combination of cash and/or noncallable Government Obligations, in amounts and maturities which, together with the known earned income therefrom, are sufficient to redeem or pay and retire such Bond in accordance with its terms and to pay when due the interest and redemption premium, if any, thereon, and such cash and/or noncallable Government Obligations are irrevocably set aside and pledged for such purpose, then no further payments need be made into the Revenue Bond Fund for the

payment of the principal of and interest on such Bond. The owner of a Bond so provided for shall cease to be entitled to any lien, benefit or security of this ordinance except the right to receive payment of principal, premium, if any, and interest from such special account, and such Bond shall be deemed to be not outstanding under this ordinance.

The Registrar shall provide notice of defeasance of Bonds to Registered Owners and to each party entitled to receive notice in accordance with Section 17 of this ordinance.

The Chief Financial Officer shall cause notice of the public sale to be given and provide for such other matters pertaining to the public sale as she deems necessary or desirable.

Upon the date and time established for the receipt of bids for the Bonds, the Chief Financial Officer or her designee shall open the bids and shall cause the bids to be mathematically verified. The Bonds shall be sold to the bidder offering to purchase them at the lowest true interest cost to the City; *provided, however*, that the Chief Financial Officer reserves the right to reject any and all bids for the Bonds and also may waive any irregularity or informality in any bid

Subject to the terms and conditions set forth in this Section 15, the Chief Financial Officer is hereby authorized to approve the Refunded Bonds and accept an Approved Bid, upon her approval of the final interest rates, maturity dates, aggregate principal amounts, principal maturities and redemption rights set forth therein in accordance with the authority granted by this section so long as the aggregate principal amount of the Bonds does not exceed \$82,500,000 and the Savings Target is met. Following the sale of the Bonds, the Chief Financial Officer shall provide a report to the Council, describing the final terms of the Bonds approved pursuant to the authority delegated in this section.

(c) *Preliminary and Final Official Statements.* The Chief Financial Officer is hereby authorized to deem final the preliminary Official Statement relating to the Bonds for the purposes of the Rule. The Chief Financial Officer is further authorized to ratify and to approve for purposes of the Rule, on behalf of the City, the Official Statement relating to the issuance and sale of the Bonds and the distribution of the Official Statement pursuant thereto with such changes, if any, as may be deemed by her to be appropriate.

Section 16. Disposition of Bond Proceeds; Refunding Plan and Procedures.

(a) *Reserve Account.* The portion of the Bonds, if any, designated by the Chief Financial Officer shall be deposited into the Reserve Account which shall be, together with the balance therein, sufficient to meet the Reserve Requirement. In the alternative, the portion of Bond proceeds, if any, designated by the Chief Financial Officer may be used to pay all or a portion of the cost of purchasing the Surety Bond, if any, to satisfy the Reserve Requirement.

(b) *Designation of Refunded Bonds.* As outlined in the recitals to this ordinance, certain principal maturities of the 2009 Refunding Bond Candidates and the 2011 Refunding Bond Candidates may be called for redemption prior to their scheduled maturities. All or some of these bonds may be refunded and defeased with the proceeds of the Bonds authorized by this ordinance. As provided in Section 15, the Designated Representative may select some or all of the 2009 Refunding Bond Candidates and 2011 Refunding Bond Candidates and designate those 2009 Refunding Bond Candidates and/or 2011 Refunding Bond Candidates as the “Refunded Bonds” in the Official Statement.

(c) *Refunding Plan.* A portion of the proceeds of sale of the Bonds, together with other funds, if any, provided by the City shall be delivered to the Escrow Agent for the purpose of defeasing the Refunded Bonds and paying related costs of issuance. Money received by the Escrow Agent from Bond proceeds and other money provided by the City shall be used immediately by the Escrow Agent upon receipt thereof in accordance with the terms of the Escrow Agreement to defease the Refunded Bonds as authorized by the 2009 Bond Ordinance and the 2011 Bond Ordinance, respectively, and pay costs of issuance of the Bonds. The City shall defease the Refunded Bonds and discharge such obligations to purchase certain Government Obligations (which obligations so purchased, are herein called “Acquired Obligations”), bearing such interest and maturing as to principal and interest in such amounts and at such times which, together with any necessary beginning cash balance, will provide for the payment of:

- (1) Interest on the Refunded Bonds as such becomes due on and prior to the Call Date; and
- (2) The redemption price (100% of the principal amount) of the Refunded Bonds payable on the Call Date.

The Escrow Agent is hereby authorized and directed to pay to the paying agent for the Refunded Bonds, sums sufficient to pay, when due, the payments specified in of subsection (c) above. All such sums shall be paid from the money and Acquired Obligations deposited with said Escrow Agent pursuant to this section, and the income therefrom and proceeds thereof.

The City will take such actions as are found necessary to ensure that all necessary and proper fees, compensation and expenses of the Escrow Agent shall be paid when due.

Section 18. Amendments.

(a) The Council from time to time and at any time may pass an ordinance or ordinances supplemental hereof, which ordinance or ordinances thereafter shall become a part of this ordinance, for any one or more or all of the following purposes:

(1) To add to the covenants and agreements of the City in this ordinance, other covenants and agreements thereafter to be observed, which shall not adversely affect the interests of the holders of any Parity Bonds, or to surrender any right or power herein reserved.

(2) To make such provisions for the purpose of curing any ambiguities or of curing, correcting or supplementing any defective provision contained in this ordinance or any ordinance authorizing future Parity Bonds in regard to matters or questions arising under such ordinances as the Council may deem necessary or desirable and not inconsistent with such ordinances and which shall not adversely affect, in any material respect, the interest of the holders of Parity Bonds.

Any such supplemental ordinance may be adopted without the consent of the holders of any Parity Bonds at any time outstanding, notwithstanding any of the provisions of subsection (b) of this section.

(b) With the consent of the holders of not less than 65% in aggregate principal amount of the Parity Bonds at the time outstanding, the Council may pass an ordinance or

ordinances supplemental hereto for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this ordinance or of any supplemental ordinance; provided, however, that no such supplemental ordinance shall:

(1) Extend the fixed maturity of any Parity Bonds, or reduce the rate of interest thereon, or extend the time of payment of interest from their due date, or reduce the amount of the principal thereof, or reduce any premium payable on the redemption thereof, without the consent of the holder of each bond so affected; or

(2) Reduce the aforesaid percentage of bondholders required to approve any such supplemental ordinance, without the consent of the holders of all of the Parity Bonds then outstanding.

It shall not be necessary for the consent of bondholders under this subsection (b) to approve the particular form of any proposed supplemental ordinance, but it shall be sufficient if such consent shall approve the substance thereof.

For the purpose of consenting to amendments under this Section 18(b) except for amendments that alter the interest rate on any Parity Bonds, the maturity date, interest payment dates, purchase upon tender or redemption of any Parity Bonds, the issuer of a Credit Facility shall be deemed to be the sole Registered Owner of the Parity Bonds that are payable from such Credit Facility and that are then outstanding.

(c) Upon the passage of any supplemental ordinance pursuant to the provisions of this section, this ordinance shall be deemed to be modified and amended in accordance therewith, and the respective rights, duties and obligations of the City under this ordinance and all holders of Parity Bonds outstanding hereunder shall thereafter be determined, exercised and enforced thereunder, subject in all respects to such modification and amendments, and all terms and

conditions of any such supplemental ordinance shall be deemed to be part of the terms and conditions of this ordinance for any and all purposes.

(d) Parity Bonds executed and delivered after the execution of any supplemental ordinance passed pursuant to the provisions of this section may have a notation as to any matter provided for in such supplemental ordinance, and if such supplemental ordinance shall so provide, new bonds so modified as to conform, in the opinion of the Council, to any modification of this ordinance contained in any such supplemental ordinance, may be prepared and delivered without cost to the holders of any affected Parity Bonds then outstanding, upon surrender for cancellation of such bonds with all unmatured coupons and all matured coupons not fully paid, in equal aggregate principal amounts.

Section 19. Severability. If any provision in this ordinance is declared by any court of competent jurisdiction to be contrary to law, then such provision shall be null and void and shall be deemed separable from the remaining provision of this ordinance and shall in no way affect the validity of the other provisions of this ordinance or of the Bonds.

Section 20. Effective Date. This ordinance shall be effective fifteen days after it becomes valid pursuant to Section 3.4 of the City Charter.

**DETAILED SUMMARY STATEMENT:**

The City of Everett and the Tulalip Tribes entered into a settlement agreement in 2005 that provided for the construction of a water pipeline and the delivery of water through this pipeline. The Tulalip Water Pipeline has been built in segments between Everett's water transmission lines (near Highway 2) and Quilceda Village on the Tulalip Reservation. Segment 2 is the last segment and it is scheduled for completion in November 2016.

The 2005 agreement also provided that the City shall be prepared to deliver up to an annual average of 30 Million Gallons per day to the Tulalip tribes under a long term water contract. This 50-year wholesale water delivery contract has been negotiated with the Tulalip Tribes.

**RECOMMENDATION (Exact action requested of Council):**

Authorize the Mayor to sign a Wholesale Water Delivery Contract for 2016-2066 with the Tulalip Tribes.

# CITY OF EVERETT AND THE TULALIP TRIBES

## WHOLESALE WATER DELIVERY CONTRACT 2016 - 2066

THIS WHOLESALE WATER DELIVERY CONTRACT ("Contract,") is made and entered into by and between the City of Everett, a municipal corporation of the State of Washington, hereinafter referred to as "City, or "Everett," and THE TULALIP TRIBES OF WASHINGTON, successors-in-interest to the Snohomish, Snoqualmie, Skykomish and other allied Native American tribes and bands signatory to the 1855 Treaty of Point Elliott, a federally recognized Indian Tribe organized pursuant to Section 16 of the Indian Reorganization Act of 1934, as amended, hereinafter referred to as "Tulalip". Each of Everett and Tulalip is a "Party,, and collectively, the "Parties,,.

WHEREAS, Everett owns and operates a water supply system located in Snohomish County, Washington; Said system has regional supply capability for domestic, commercial and industrial water consumption; and

WHEREAS, pursuant to RCW 35.92.170, RCW 35.92.200 and RCW 39.94, Everett is authorized to enter into contracts with other municipalities to supply said municipalities with water; Pursuant to WAC 248-54, Everett has prepared a Water System Plan identifying certain areas of Snohomish County as being within its long-range wholesale water supply service area; and

WHEREAS, Tulalip owns and operates a water supply system on the Tulalip Indian Reservation in Snohomish County, Washington, and distributes said water on a retail basis to domestic, commercial and industrial customers within a service area identified in its Water System Plan adopted pursuant to applicable law; and

WHEREAS, Tulalip and Everett entered a 2005 Agreement for Settlement, Water Supply and Water Delivery System ("2005 Agreement,,). The 2005 Agreement provides for the development of a 36-inch (now 36 and 42-inch) water transmission line for a new point of water delivery for Tulalip use ("Project,,). Subsequently, Everett and Tulalip entered a 2006 Interlocal Agreement to organize a Joint Board to oversee Project development. This Contract is to govern the terms of the relationship of the parties upon the availability of water to the Tribe from the Project; and

WHEREAS, this Contract is in addition to such other contracts that exist among Tulalip and Everett, such as the 2005 Agreement and the 1991 Everett and JOA Participants' Water

Supply Contract (the "1991 Contract,,"). Except as otherwise set forth in this Contract, other agreements and contracts between the Parties remain in effect.

NOW, THEREFORE, for the mutual benefits to be derived, the parties agree as follows:

1. Delivery of Water. Everett hereby agrees to deliver water to Tulalip and Tulalip agrees to pay Everett for the delivery and treatment of water.

2. Point of Delivery. Everett shall deliver water to Tulalip at agreed connection point along Everett's Transmission Pipeline at Everett's master meter system on the south side of Union Slough ("Point of Delivery,,"). The actual point of delivery at the connection point shall be deemed to be the upstream flange of the valve downstream of the master meter and check valve.

3. Quantity of Water. Everett and Tulalip agree that each have made, and will continue to make, significant capital investments in water delivery facilities which are interdependent and that coordinated planning will be required throughout the term of this contract to maximize public benefits and minimize costs. Everett shall not be responsible for storage for Tulalip's reservation system storage except as it relates to Everett's existing storage at Lake Chaplain and uninterrupted delivery of water at the Point of Delivery in accordance with the 2005 agreement and Sections 6 and 10 of this contract. It is understood that Tulalip and consumers of water from Tulalip may reach an average annual demand of 30.0 million gallons per day (MGD) and peak period demand of 36.0 million gallons per day (MGD) before the expiration of this Contract. Estimated average daily demands and peak day demands of Tulalip and its major customers for the near future are shown on Exhibit A attached hereto. Everett's facilities have, or will have in the future, the capacity to deliver water for Tulalip's water quantity demands as shown in Exhibit A or updated projections to be provided by the Tulalips at least every five years after the effective date of this contract. Once the Tulalip Water Pipeline is connected to the City's transmission pipelines, the maximum amount of water to be delivered by the City to the Tulalip under this Contract will in no case exceed 30 MGD average annual rate or 36 MGD during peak periods.

Nothing herein, however, shall be construed as obligating Tulalip to take or purchase any minimum quantity of water from Everett at any time.

4. Quality of Water. Everett shall be responsible for meeting state and federal standards for safe, high-quality drinking water at the point of delivery. All water supplied by Everett for use or sale by Tulalip shall be delivered upon the express condition that after it has passed the point of delivery the same is under the exclusive control of Tulalip, and Everett shall not be liable for any damages or loss resulting from degradation of water quality which may occur beyond said point. Everett shall not be responsible for changes in water quality or operating problems which may result from mixing of different sources of water in Tulalip's system or in systems served by Tulalip. Tulalip shall provide means to assure that water will not backflow into the Everett water system.

Everett shall make available to Tulalip, during Everett's regular business hours, all test and monitoring data and reports of Everett drinking water quality. Everett shall send to Tulalip its periodic reports of drinking water quality, prepared by Everett in conformance with requirements of the Safe Drinking Water Act or State Department of Health regulations.

5. Rates and Charges. Rates for water delivery service under this Contract shall be established by Everett ordinance, as may be amended. Tulalip will receive water service under the Everett's "east of river,, ordinance rate or successor rate. (For purposes of reference, this rate for 2016 is set forth in Section 14.16.713.B.2.b(1) of the Everett Municipal Code.) All rates shall be based on accepted standard practice for public water utility rate-making, such as AWWA M1 Rate Manual or successor manual or other commonly-used industry standards, provided:

A. Unless Everett is mandated to pay or otherwise remit a State utility tax by Washington State law, no rate or charge under this Contract shall include State utility tax or adjustment for State utility tax.

B. As of the date of this Contract, Everett, in accordance with City Council Resolution 2285, charges the Everett utility an annual PILOT payment equal to 6% of utility revenues. This PILOT is included in the "east of river,, ordinance rate, as it is included in all other wholesale water rates. With respect to the Everett PILOT, the parties agree:

1. The rate charged under this Contract may include such an Everett PILOT, so long as it is the same percentage included in the rate of other wholesale customers and so long as the PILOT (alone or in combination with any successor tax or fee to the PILOT or any other Everett taxes or fees on Utility revenues) included in the rate charged to Tulalip during the initial 50-year term of this Contract does not exceed six percent (6%).

2. For the entire term of the Contract (including the initial 50-year term of this Contract and renewal term) and subject to Section 5.D below, neither Tulalip nor Everett will, so long as the PILOT included in the Tulalip rate does not exceed 6%, challenge the binding character of the provisions made in this Section 5.B addressing the PILOT or otherwise seek to either eliminate or reduce the PILOT from the Tulalip rate or change the 50-year 6% cap that this Section B imposes on it. If after the initial 50-year term of this Contract, Everett increases the PILOT in the Tulalip rate in excess of 6%, then Tulalip may challenge the PILOT, but the remedy allowed in the challenge to the PILOT by Tulalip shall be solely limited to the remedy of reducing the PILOT to 6%, and no retroactive remedy shall be available.

C. Everett's outside rate multiplier is a percentage surcharge on water service outside of Everett city limits. As of the date of this Contract, this multiplier is 20% for the "east of river,, rate. Regardless of whether such multiplier is later increased in the Everett Municipal Code or elsewhere, the rate charged to Tulalip, regardless of whether it is the "east of river,, rate or successor rate, will never include such a multiplier in excess of 20%.

D. Everett contracts with customers other than Tulalip for the provision of water supply and/or water delivery services. If after the day this Contract is signed, Everett allows a wholesale customer (whether current or future Everett customer) who was charged the "east of river,, or successor ordinance rate during the term of this Contract to receive service substantially similar to that under this Contract at a lower rate and/or charge than charged now or in the future under this Contract, then such lower rate shall apply to this Contract so that the rate and/or charge to Tulalip under this Contract is equal to or less than the rate charged to such other Everett customer(s).

E. Everett shall not charge an Everett tax to the Tulalip Tribes for water delivered under this contract. Everett charges on Everett utility revenues are covered by 5.B. above.

6. Payment. On a monthly basis, Everett shall bill Tulalip for water delivered to Tulalip through pipeline master meter. Said bills shall be payable within thirty (30) days after receipt of the invoice. Delinquent bills shall accrue interest at the rate of twelve percent (12%) per annum, but not to exceed 1% per month, for any delinquency greater than sixty (60) days. If payments are delinquent by greater than 180 days, the matter shall be submitted to dispute resolution. If payments are delinquent by more than one year, the City has the right to shut off service until paid in full.

7. Resale or Distribution of Water. After water has passed the points of delivery and has entered Tulalip's connection transmission pipeline, said water becomes subject to Tulalip's exclusive authority, except as otherwise provided in this Contract:

A. After the water has passed the point of delivery and has entered the Tulalip's portion of the pipeline, Tulalip may, at its sole discretion, use the water delivered by the City for any purpose allowed under applicable law in the Tribal Service Area as shown in Exhibit B, now existing or as may be amended in the future. Tulalip shall have sole discretion over resale to Tribal enterprises and other users within the Tribal Service Area. If a planned new connection is for delivery of water outside of the Tribal Service Area, greater than 12 inches, and supplies more than one million gallons per day (1 MGD), then the Tulalip shall first obtain approval from Everett for said connection. Everett's approval shall not be unreasonably withheld and shall be based on the water supply impacts to Everett water system caused by said connection.

B. Tulalip will provide information to the City of Everett as may be needed to meet the City's reporting requirements approved by the Washington State Department of Health, if appropriate.

8. Term of Contract. The term of this Contract shall be fifty (50) years from the date of its mutual acceptance by the parties to be automatically renewed for an additional fifty (50) years unless (a) the Parties agree mutually not to renew this water contract, or (b) the City fails to

substantially succeed in the water application for the permitting of a 200 cfs water right (water right application No. 13219, dated 15 December 1954).

9. Construction, Operation and Maintenance of Capital Improvements. Tulalip shall construct or cause to be constructed all capital improvements to its water system and shall individually own all capital improvements downstream from the points of delivery. Tulalip shall assume exclusive responsibility for the operation, maintenance and repair of the same; all construction, operation, and maintenance and repairs shall be in strict compliance with standards approved by the US Public Health Service as relevant and applicable regulatory Washington State Department of Health authority.

Tulalip shall annually provide to Everett a water system report to include number of customers, peak use and other information useful in optimizing joint operations.

10. Continuity of Service.

A. Continuity of service to Tulalip shall be maintained by Everett in the same manner as service to the Everett's businesses and residences. In the event of a general emergency or water shortage affecting the Everett Water Supply System requiring restrictions on the delivery of water, general restrictions placed upon deliveries to Tulalip shall be determined by a similar method to that used for restricting deliveries to Everett's retail consumers. In the event of localized emergency problems, temporary service interruptions may result.

B. It is recognized by both parties that emergency conservation measures may have to be implemented by Everett on a regional basis in order to meet an emergency condition. Tulalip shall assist and support such emergency conservation measures.

C. Everett shall provide oral and electronic mail notice to Tulalip, and may temporarily interrupt or reduce deliveries of water to Tulalip, if Everett determines that such interruption or reduction is necessary or reasonable in case of system emergencies or in order to install equipment, make repairs, replacements, investigations and inspections or perform other maintenance work on Everett's water system or those parts of the system supplying Tulalip. Except in cases of emergency, and in order that Tulalip's operations not be unreasonably interfered with, Everett shall give Tulalip reasonable written notice of any such interruption or reduction, the reason therefore, and the probable duration thereof. Any such service interruption shall be for the shortest possible period in order that the public health and welfare of Tulalip is not jeopardized.

11. Indemnity.

A. Nothing herein shall be interpreted to create indemnity or cross indemnity agreements between the parties. In the event of claim, loss or liability alleged to have arisen out of the ownership or operation of Everett's water supply system or Tulalip's water supply facilities,

the parties agree that their liability shall be borne in accordance with and as determined under federal and Washington State laws.

B. Notwithstanding any other provision of this Contract, neither Tulalip nor Everett shall be liable under or pursuant to this Contract for indirect, incidental, special, exemplary or consequential damages, including but not limited to damages for lost profits or benefits, even if such party has been advised of the possibility or existence of such damages.

12. Uncontrollable Forces or State or Federal Law Changes. Neither of the parties hereto shall be considered to be in default in respect to any obligations hereunder if prevented from fulfilling such obligations by reason of uncontrollable forces or material changes in state or federal law. Parties rendered unable to fulfill any obligation hereunder by reason of an uncontrollable force or material change in state or federal law shall exercise due diligence to deal with such uncontrollable force with all reasonable dispatch and to take actions consistent with the purpose of this Contract.

13. Assignment; Successors Bound. Neither this Contract nor any right or privilege herein shall be assigned by any party without the written consent of the other party.

14. Notice. Formal notice and official communications between the parties regarding this Contract shall be sent by first class mail as follows:

TO: Everett  
Mayor, City of Everett  
2930 Wetmore Avenue  
Everett, WA 98201

Except as maybe explicitly provided otherwise herein, the Parties are independent entities and shall not be deemed to be partners, joint ventures, principals, or agents of each other for any purpose whatsoever. 16. Dispute Resolution. Any dispute under or in connection with this Contract shall be governed by the General Governmental Dispute Resolution Process of Part K of the Agreement for Settlement, Water Supply, and Water Delivery System Between the Tulalip Tribes of Washington, and the City of Everett dated 16 September 2005; provided, that should

either party file suit in any judicial forum pursuant to that Part K, that party shall have recourse first to the Federal District Court for the Western District of Washington, and only if that Court rules that it lacks subject matter jurisdiction will any party seek relief in an alternative judicial forum.

17. Miscellaneous.

A. 1991 Contract. The 1991 Contract remains in full force and effect under its terms. Water received by Tulalip from Everett, through the Marysville system, shall continue to be available for use by Tulalip consistent with and subject to the terms of the 1991 Contract.

Either party may waive any notice or agree to accept a shorter notice than specified in this Contract. Such waiver of notice or acceptance of shorter notice by a party at any time regarding a notice shall not be considered a waiver with respect to any subsequent notice required under this Contract.

I. Amendment. No change, amendment or modification of any provision of this Contract shall be valid unless set forth in a written amendment to this Contract signed by

both parties.

**DETAILED SUMMARY STATEMENT:**

This ordinance sets the amount of the City of Everett's 2017 property taxes and directs the Snohomish County Assessor to include them in the property tax levy. As a matter of practice, we estimate the amounts to be used and ask the Assessor to determine and use the correct rates for general property taxes. The ordinance includes the levies for the general fund and Emergency Medical Services (EMS). The 2017 property tax ordinance calls for a one percent increase in the regular levy and a one percent increase in the EMS levy.

**RECOMMENDATION:**

Adopt an Ordinance levying the general taxes for the City of Everett for fiscal year commencing January 1, 2017, on all taxable property, both real and personal, subject to taxation thereon, for the purpose of raising a portion of the revenue to carry on City operations for the ensuing year, as required by the Charter of the City of Everett and the laws of the State of Washington.

ORDINANCE NO. \_\_\_\_\_

**AN ORDINANCE** levying the general taxes for the City of Everett for fiscal year commencing January 1, 2017, on all taxable property, both real and personal, subject to taxation thereon, for the purpose of raising a portion of the revenue to carry on City operations for the ensuing year, as required by the Charter of the City of Everett and the laws of the State of Washington

**WHEREAS**, the City Council of the City of Everett duly and regularly adopts as required by law the estimate of the amounts required to meet the public expense of said City for the ensuing year and the amount to be raised by taxation in said City for said ensuing year from sources other than direct taxation; and

**WHEREAS**, the City Council of the City of Everett is considering its budget for the calendar year 2017; and

**WHEREAS**, the City Council, in the course of considering the budget for 2017, reviews all sources of revenue and examines all anticipated expenses and obligations; and

**WHEREAS**, the City Council finds that in order to meet the rising cost of providing essential public services, a substantial need exists to increase regular property tax collections by one percent as provided for in RCW 84.55.0101; and

**WHEREAS**, the qualified electors of the City voted approval in 2010 of a levy lid lift for additional regular property tax in an amount equal to a maximum of \$0.50 per thousand dollars of the assessed value of property in the City for funding an emergency medical services program; and

**NOW, THEREFORE, THE CITY OF EVERETT DOES ORDAIN:**

**Section 1:** That there be, and hereby is, levied upon real and personal property in the City of Everett, subject to taxation thereon, a general property tax for municipal purposes for the ensuing year commencing on January 1, 2017, as follows:

The Everett City Council hereby authorizes the property tax levy for collection in the year 2017 at \$35,991,550 (including a \$356,352 increase in dollar amount, which is a 1% increase over the amount of taxes lawfully levied by the City in 2016), plus an estimated \$1,000,000 from new construction, improvements to

property, annexations, and changes in state-assessed property, and \$500,000 resulting from a refund levy, for a total of \$37,491,550.

**EMERGENCY MEDICAL SERVICES**

The Everett City Council hereby authorizes the property tax levy for collection in the year 2017 at \$6,540,679 (including a \$64,759 increase in dollar amount, which is a 1% increase over the amount of taxes lawfully levied by the City in 2016. **Section 2:** That the City Clerk be, and hereby is, directed to certify to the County Assessor a copy of this ordinance in order that the same be extended upon the general assessment roll of said County, in the same manner and at the same time that the levy for the State and County taxes is extended.

**Section 3:** That said taxes shall be collected and paid to the City Treasurer at the same time and in the same manner as provided by the laws of the State of Washington relating to collection of taxes in cities of the first class.

**DETAILED SUMMARY STATEMENT:**

The City is required by WAC 200-110\*120 to obtain a health care claims audit of claims reserving, adjusting, and payment procedures every three years at a minimum. The audit must be conducted by a qualified claims auditor who is not affiliated with the program, its broker of record, or its third-party administrator. The scope of the claims audit shall include filing procedures, internal financial control mechanism, and claim adjustment expense reports. The work performed through this agreement will satisfy that requirement.

**RECOMMENDATION:**

Authorize the Mayor to sign a Professional Services Agreement with BMI Audit Services, LLC for health care claims audit services for the City's self-insured medical benefits.

**CITY OF EVERETT**

**PROFESSIONAL SERVICES AGREEMENT**

**THIS AGREEMENT** made and entered into on this \_\_\_\_ day of September, 2016, by and between the **CITY OF EVERETT**, a municipal corporation under the laws of the State of Washington, hereinafter referred to as the "City," and BMI Audit Services, LLC, whose address 202 S. Michigan St., Suite 200, South Bend, IN 46601, hereinafter referred to as the "Service Provider."

WHEREAS, the City desires to engage Service Provider to provide health care claims audit services for the City of Everett; and

WHEREAS, Service Provider represented, and by entering into this Agreement now represents, that it is fully qualified to perform the work to be performed hereunder in a competent and professional manner;

**NOW, THEREFORE**, the parties herein do mutually agree as follows:

1. **Engagement of Service Provider.** In a competent and professional manner, Service Provider shall provide the services described in Attachment A (hereafter referred to as "Work"). Without a written directive of an authorized representative of the City, Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work between the City and Service Provider. If Service Provider's proposal is attached as an exhibit, and if such proposal contains or incorporates any conditions or terms in addition to or different from the terms of this Agreement, then Service Provider expressly agrees that such conditions or terms are neither incorporated nor included into this Agreement between the City and Service Provider.
2. **Intellectual Property Rights.** Unless otherwise expressly agreed in writing, all intellectual property rights in works created pursuant to this Agreement, or for the City of Everett, belong to the City of Everett. Service Provider retains any intellectual property rights in works created by Service Provider prior to engagement, or not for its performance of this Agreement. Service Provider expressly represents and warrants that the Work shall be original and shall not infringe on another's copyright, or rights in trade or service marks. Service Provider agrees to defend and indemnify City from any and all claims and damages arising out of this Agreement or the Work created hereunder.
3. **Time of Beginning and Completion of Performance.** This Agreement shall commence as of the date of execution of this Agreement and shall be completed by March 31, 2017 assuming a mid-October 2016 start date.
4. **Compensation.**
  - A. The City shall pay Service Provider only for completed Work and for services actually rendered which are described in Attachment A. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment, travel expenses, and incidentals necessary to complete the Work.
  - B. The City agrees to pay the Service Provider upon receipt of invoices from the Service Provider.

- C. Total compensation, including all services and expenses, shall not exceed a maximum of \$23,000.
- D. If Service Provider fails or refuses to accept direction or carry out the reasonable directions of the City in performance of its work, the City may, in addition to any other remedy, withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider's conduct.

5. **Termination of Contract.** City reserves the right to terminate this Agreement at any time by sending written notice of termination to Service Provider ("Notice"). The Notice shall specify a termination date ("Termination Date") at least fourteen (14) days after the date the Notice is issued. The Notice shall be effective ("Notice Date") upon the earlier of either actual receipt by Service Provider (whether by fax, mail, delivery or other method reasonably calculated to be received by Service Provider in a reasonably prompt manner) or three calendar days after issuance of the Notice. Upon the Notice Date, Service Provider shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for Service Provider's material breach, Service Provider shall be paid or reimbursed for: (a) all hours worked and Eligible Expenses incurred up to the Notice Date, less all payments previously made; and (b) those hours worked and Eligible Expenses incurred after the Notice Date, but prior to the Termination Date, that were reasonably necessary to terminate the Work in an orderly manner. The Notice shall be sent by the United States Mail to Service Provider's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by delivery. In addition, the Notice may also be sent by any other method reasonably believed to provide Service Provider actual notice in a timely manner, such as fax. The City does not by this section waive, release, or forego any legal remedy for any violation, breach, or non-performance of any of the provision of this Agreement. At its sole option, City may deduct from the final payment due Service Provider (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other backcharges or credits. The City shall not pay Service Provider for any expenses incurred or work done following the effective date of termination unless authorized in writing by the City before the expenses are incurred or the work is done.

6. **Confidentiality.** Each party hereto ("Such Party") shall hold in trust for the other party hereto ("Such Other Party"), and shall not disclose to any non-party to the Agreement, any confidential information of Such Other Party. Confidential information is information which relates to Such Other Party's research, development, trade secrets or business affairs, but does not include information which is generally known or easily ascertainable by non-parties of ordinary skill in computer systems design and programming.

Service Provider hereby acknowledges that during the performance of this contract, the Service Provider may learn or receive confidential Client information and therefore Service Provider hereby confirms that all such information relating to the Client's business will be kept confidential by the Service Provider, except to the extent that such information is required to be divulged to the consultant's clerical or support staff or associates in order to enable Service Provider to perform Service Provider's contract obligation.

Service Provider will retain from Administrator the claims data in its original format, and any electronic product produced there from, for a period not to exceed three (3) years from date of receipt, unless otherwise instructed by the City.

7. **Changes.** The City may, from time to time, unilaterally decrease the scope of the services of Service Provider to be performed hereunder. Such decrease in the scope of work (and resulting decrease

in compensation), shall: (a) be made only in writing and signed by an authorized City representative, (b) be explicitly identified as such and (c) become a part of this Agreement.

8. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

9. **Indemnification.**

A. **General.** To the extent of its fault only, Service Provider will defend and indemnify the City from any and all Claims relating to, or arising out of, Service Provider's performance of this Agreement. Service Provider will defend and indemnify the City whether a Claim is asserted directly against the City, or whether a Claim is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. The amount of insurance obtained by, obtainable by, or required of Service Provider does not in any way limit Service Provider's duty to defend and indemnify the City. The City retains the right to approve Claims investigation and counsel assigned to said Claim and all investigation and legal work regarding said Claim shall be performed under a fiduciary relationship to the City.

B. **Waiver of Workmen's Compensation Immunity.** Solely and expressly for the purpose of its duties to indemnify and defend the City, Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation.

C. **Definitions.** As used in this section: (1) "City" includes the City's officers, employees, agents, and representatives; (2) "Claims" include all losses, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damage, whether threatened, asserted or filed against the City, whether such Claims sound in tort, contract, or any other legal theory, whether such Claims have been reduced to judgment or arbitration award, irrespective of the type of relief sought or demanded (such as money or injunctive relief), and irrespective of the type of damage alleged (such as bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages); and (3) "Service Provider" includes Service Provider, its employees, agents, representatives and subcontractors. If, and to the extent, Service Provider employs or engages subcontractors, then Service Provider shall ensure that each such subcontractor (and subsequent tiers of subcontractors) shall expressly agree to defend and indemnify the City to the extent and on the same terms and conditions as Service Provider pursuant to this section.

10. **Insurance.** Service Provider shall procure and keep in force during the term of this Agreement, at Service Provider's own cost and expense, automobile liability insurance on all vehicles used by Service Provider in the performance of its duties under this Agreement. Proof of such insurance shall be provided to the City prior to performing any services hereunder. A statement certifying that no vehicle will be used in fulfilling this Agreement may be substituted for this insurance requirement.

11. **Independent Contractor.**

A. The parties agree that this Agreement neither constitutes nor creates an employer-employee relationship. As an independent contractor, Service Provider shall be responsible for all obligations relating to federal income tax, self-employment FICA taxes and contributions, and all other so called employer taxes and contributions, including, but not limited to, industrial insurance (Workmen's Compensation). Service Provider agrees to indemnify, defend and hold the City harmless from any claims, valid or otherwise, made against the City because of these obligations.

B. Any and all employees of Service Provider, while engaged in the performance of any Work, shall be considered employees of Service Provider only and not of the City, and any and all claims that may or might arise under the Worker's Compensation Act on behalf of said employees or Service Provider, while so engaged in any and all claims made by a third party as a consequence of any negligent act or omission on the part of Service Provider's employees, while so engaged on any of the Work, shall be the sole obligation and responsibility of Service Provider.

C. Service Provider shall comply with all applicable provisions of the Fair Labor Standards Act and other legislation affecting its employees and the rules and regulations issued thereunder insofar as applicable to its employees and shall at all times save the City free, clear and harmless from all actions, claims, demands and expenses arising out of said act, and rules and regulations that are or may be promulgated in connection therewith.

D. Service Provider assumes full responsibility for the payment of all payroll taxes, use, sales, income, or other form of taxes (such as state and, city business and occupation taxes), fees, licenses, excises or payments required by any city, federal or state legislation which are now or may during the term of the Agreement be enacted as to all persons employed by Service Provider and as to all duties, activities and requirements by Service Provider in performance of the Work and Service Provider shall assume exclusive liability therefore, and meet all requirements thereunder pursuant to any rules or regulations that are now or may be promulgated in connection therewith.

12. **Employment**. Service Provider warrants that it had not employed or retained any company or person, other than a bona fide employee working solely for Service Provider, to solicit or secure this Agreement and that it has not paid or agreed to pay any company or person, other than a bona fide employee working solely for Service Provider, any fee, commission, percentage, brokerage fee, gifts, or any other consideration, contingent upon or resulting from the award or making of this Agreement. For breach or violation of this warranty, the City shall have the right to annul this Agreement without liability or, in its discretion, to deduct from the Agreement price or consideration or otherwise recover, the full amount of such fee, commission, percentage, brokerage fee, gift, or contingent fee.

13. **Audits and Inspections**. At any time during normal business hours and as often as the City may deem necessary, Service Provider shall make available to the City for the City's examination all of Service Provider's books, records and documents with respect to all matters covered by this Agreement and, furthermore, Service Provider will permit the City to audit, examine and make copies, excerpts or transcripts from such records, and to make audits of all contracts, invoices, materials, payrolls, records of personnel, conditions of employment and other data relating to all matters covered by this Agreement.

14. **City of Everett Business License**. Service Provider shall obtain a City of Everett business license prior to performing any work pursuant to this Agreement.

**1. Scope of Services.** Specific to this Agreement, Service Provider will provide the following Services for the City relative to medical claims administered by Healthcare Management (“Administrator”).

- Service Provider will contact Administrator to review audit process and data needs.
- Service Provider will review the City enrollment records versus Administrator eligibility records for the audit period to confirm that only those truly eligible for the plan were covered.
- Service Provider will review all pertinent plan design documents in order to customize its electronic auditing tools.
- Service Provider will electronically audit 100% of medical claims paid by Administrator from January 1, 2014, through December 31, 2015.
- Service Provider will produce exception reports identifying and organizing all claims potentially paid in error into error categories.
- Upon review of all error categories, Service Provider will then judgmentally select up to 100 total claims that will provide the necessary information to support all claims within each error category.
- Service Provider will then perform an on-site audit of those judgmentally selected claims at Administrator’s claims payment location. Each on-site audited claim will be logged onto a worksheet detailing the reason for which Service Provider considers the claim was paid in error.
- Administrator will be provided copies of all worksheets in order for them to reply to Service Provider’s findings. Administrator will then return their responses back to Service Provider within a reasonable amount of time and all responses will be published in the Final Report.
- Based upon the on-site findings and Administrator’s responses, Service Provider will re-examine the full electronic file to determine if additional claims (those related by same patient and/or services) are to be included in the Final Report.
- Service Provider will prepare and deliver the Final Report using detailed spreadsheets, narrative findings, and recommendations based on the electronic analysis, on-site audit reviews, and Administrator’s responses.

- Service Provider will not initiate recovery efforts, but can provide guidance to the City as to the advantages and consequences of recovery action and the potential impact on plan participants.

**2. Professional Fees.** For Services stated in above Scope of Services, the City will pay the Service Provider professional fees as follows:

a) Due within 10 days of execution of Agreement	\$11,500.00
b) Due within 10 days of receipt of the Final Report	\$11,500.00

**3. Travel Expenses.** All reasonable travel related expenses, including airfare, lodging, food and transportation will be billed in addition to those Professional Fees. Service Provider will assume responsibility for any travel related expenses exceeding \$2,000.

**DETAILED SUMMARY STATEMENT:**

Amendment No. 2 to the Statewide Stormwater Grant Agreement for the 3<sup>rd</sup> Avenue SE Detention Pond Retrofit reduces the project agreement funding based on final eligible costs of the project completed in 2015. The original amount of the grant agreement is decreased from \$357,522 to \$135,722.

The project is located in the North Creek basin at 3<sup>rd</sup> Avenue SE south of SE Everett Mall Way. The City-owned pond did not provide any water quality treatment for stormwater. **RECOMMENDATION:**

Authorize the Mayor to sign Amendment No. 2 to the 2012 State Stormwater Grant Agreement No. G1200574 with the Washington State Department of Ecology to deobligate remaining funds and close out the project.

**DETAILED SUMMARY STATEMENT:**

The Three Lakes Pressure Sustaining/Reducing Valve is a critical component of the Transmission Line 5 (TL5) operation. This project will provide a bypass around the Three Lakes Valve that will be used to allow maintenance on the existing valve structure without having to shut down TL5. This project is identified in the City's Capital Improvement Program and is scheduled for completion by December 2017.

This project is being designed by in-house staff. The bypass is being designed to allow for adding equipment to generate electricity in the future should it become economically feasible. As this new valve needs to be housed in an underground vault that requires electrical power and remote communication ability, City staff needs electrical engineering assistance and selected Casne Engineering, Inc. off the MRSC Engineering Roster.

**RECOMMENDATION (Exact action requested of Council):**

Authorize the Mayor to sign a Professional Services Agreement with Casne Engineering, Inc. to provide engineering and construction management services for the Three Lakes Valve Bypass Project in the amount of \$21,429.

**CITY OF EVERETT  
PROFESSIONAL SERVICES AGREEMENT**

**THIS AGREEMENT** made and entered into on this            day of           , 2016, by and between the **CITY OF EVERETT**, a municipal corporation under the laws of the State of Washington, hereinafter referred to as the “City,” and CASNE ENGINEERING, INC., whose address is 10604 NE 38th Place, Suite 205, Kirkland, WA 98033, hereinafter referred to as the “Service Provider.”

**WHEREAS**, the City desires to engage the Service Provider to provide professional electrical engineering design and construction services for the City of Everett; and

**WHEREAS**, Service Provider represented, and by entering into this Agreement now represents, that it is fully qualified to perform the work to be performed hereunder in a competent and professional manner;

**NOW, THEREFORE**, the parties herein do mutually agree as follows:

1.     **Engagement of Service Provider.** The City hereby agrees to engage the Service Provider, and the Service Provider hereby agrees, to perform the work in a competent and professional manner and provide the services described in the attached "Exhibit A - Scope of Work". The Scope of Work so identified is hereafter referred to as “Work”. Without a written directive of an authorized representative of the City, the Service Provider shall not perform any services that are in addition to, or beyond the scope of, the Work. If the Service Provider’s proposal is attached as an exhibit, and if such proposal contains or incorporates any conditions or terms in addition to or different from the terms of this Agreement, then the Service Provider expressly agrees that such conditions or terms are neither incorporated nor included into this Agreement between the City and Service Provider. If, and to the extent, the Work includes the design of a public work or improvement, in whole or in part, Service Provider’s design shall be reasonably accurate, adequate and suitable for its intended purpose.
  
2.     **Intellectual Property Rights.** Reports, drawings, plans, specifications and any other intangible property created in furtherance of the Work are property of the City for all purposes, whether the project for which they are made is executed or not, and may be used by the City for any purpose. Unless otherwise expressly agreed in writing, all intellectual property rights in such documents or intangible property created pursuant to this Agreement, or for the City of Everett, belong to the City of Everett. Service Provider retains any intellectual property rights in documents and intangible property created by Service Provider prior to engagement, or not created by Service Provider for its performance of this Agreement.
  
3.     **Time of Beginning and Completion of Performance.** This Agreement shall commence as of the date of execution of this Agreement and shall be completed by MARCH 31, 2018.

4. **Compensation.**

A. The City shall pay the Service Provider only for completed Work and for services actually rendered which are described herein. Such payment shall be full compensation for Work performed or services rendered, including, but not limited to, all labor, materials, supplies, equipment and incidentals necessary to complete the Work.

B. The Service Provider shall be paid such amounts and in such manner as described in Exhibit B.

C. Service Provider may receive payment as reimbursement for Eligible Expenses actually incurred. "Eligible Expenses" means those types and amounts of expenses either listed in Exhibit C or such expenses as are approved for reimbursement by the City in writing prior to the expense being incurred. If Exhibit C is either blank or not attached, expenses may not be reimbursed unless prior written approval was obtained from the City. An expense shall not be reimbursed if: (1) the expense is not identified in Exhibit C; (2) the expense exceeds the per item or cumulative limits for such expense if it is identified in Exhibit C; or (3) the expense was not approved in writing by an authorized City representative prior to the Service Provider incurring the expense. If, and to the extent, overnight lodging in western Washington is authorized, Service Provider is strongly encouraged to lodge within the corporate limits of City. When authorized, Service Provider will be reimbursed 100% of lodging expense, if lodged within the corporate limits of the City, but Service Provider will be reimbursed 50% of lodging expense when lodged outside the corporate limits of the City. If authorized, the City may (at its sole option) obtain or arrange air travel for the Service Provider.

D. Total compensation, including all services and expenses, shall not exceed a maximum of TWENTYONE THOUSAND FOUR HUNDRED TWENTY NINE Dollars (\$ 21,429).

E. If Service Provider fails or refuses to correct its work when so directed by the City, the City may withhold from any payment otherwise due an amount that the City in good faith believes is equal to the cost to the City of correcting, re-procuring, or remedying any damage caused by Service Provider's conduct.

5. **Method of Payment.**

A. To obtain payment, the Service Provider shall (a) file its request for payment, accompanied by evidence satisfactory to the City justifying the request for payment; (b) submit a report of Work accomplished and hours of all tasks completed; (c) to the extent reimbursement of Eligible Expenses is sought, submit itemization of such expenses and, if requested by the City, copies of receipts and invoices; and (d) comply with all applicable provisions of this Agreement. Service Provider shall be paid no more often than once every thirty days.

B. All requests for payment should be sent to:

City of Everett  
Attn.: RICHARD HEFTL, PE  
3200 CEDAR ST  
Everett, WA 98201

6. **Submission of Reports and Other Documents.** The Service Provider shall submit all reports and other documents as and when specified in Exhibit A. Said information shall be subject to review by the City, and if found to be unacceptable, Service Provider shall correct and deliver to the City any deficient Work at Service Provider's expense with all practical dispatch. Service Provider shall abide by the City's determinations concerning acceptability of Work.

7. **Termination of Contract.** City reserves the right to terminate this Agreement at any time by sending written notice of termination to Service Provider ("Notice"). The Notice shall specify a termination date ("Termination Date") at least fourteen (14) days after the date the Notice is issued. The Notice shall be effective ("Notice Date") upon the earlier of either actual receipt by Service Provider (whether by fax, mail, delivery or other method reasonably calculated to be received by Service Provider in a reasonably prompt manner) or three calendar days after issuance of the Notice. Upon the Notice Date, Service Provider shall immediately commence to end the Work in a reasonable and orderly manner. Unless terminated for Service Provider's material breach, the Service Provider shall be paid or reimbursed for: (a) all hours worked and Eligible Expenses incurred up to the Notice Date, less all payments previously made; and (b) those hours worked and Eligible Expenses incurred after the Notice Date, but prior to the Termination Date, that were reasonably necessary to terminate the Work in an orderly manner. Notices under this Section 7 shall be sent by the United States Mail to Service Provider's address provided herein, postage prepaid, certified or registered mail, return receipt requested, or by delivery. In addition, Notices may also be sent by any other method reasonably believed to provide Service Provider actual notice in a timely manner, such as fax. The City does not by this Section 7 waive, release or forego any legal remedy for any violation, breach or non-performance of any of the provision of this Agreement. At its sole option, City may deduct from the final payment due the Service Provider (a) any damages, expenses or costs arising out of any such violations, breaches, or non-performance and (b) any other backcharges or credits.

8. **Changes.** The City may, from time to time, unilaterally change the scope of the services of the Service Provider to be performed hereunder. Such changes, including any increase or decrease in the scope of work (and resulting increase or decrease in compensation), shall: (a) be made only in writing and signed by an authorized City representative, (b) be explicitly identified as an amendment to this Agreement and (c) become a part of this Agreement.

9. **Subletting/Assignment of Contracts.** Service Provider shall not sublet or assign any of the Work without the express, prior written consent of the City.

10. **Indemnification.** To the extent of the Service Provider's fault, breach of this Agreement, willful misconduct, or violation of law, the Service Provider hereby agrees, except as otherwise

provided in this Section 10, to defend and indemnify the City from any and all Claims arising out or relating to the performance of this Agreement by Service Provider (or by its employees, agents, representatives or subcontractors/subconsultants), whether such Claims sound in contract, tort, or any other legal theory. The Service Provider is obligated to defend and indemnify the City pursuant to this Section 10 whether a Claim is asserted directly against the City, or whether it is asserted indirectly against the City, e.g., a Claim is asserted against someone else who then seeks contribution or indemnity from the City. The Service Provider's duty to defend and indemnify pursuant to this Section 10 is not in any way limited to, or by the extent of, insurance obtained by, obtainable by, or required of the Service Provider. The Service Provider's obligations under this Section 10 shall not apply to Claims caused by the sole negligence of the City. If (1) RCW 4.24.115 applies to a particular Claim, and (2) such Claim is caused by or results from the concurrent negligence of (a) the Service Provider, its employees, subcontractors/subconsultants or agents and (b) the City, then the Service Provider's obligations under this Section 10 shall apply only to the extent allowed by RCW 4.24.115. Solely and expressly for the purpose of its duties to indemnify and defend the City, the Service Provider specifically waives any immunity it may have under the State Industrial Insurance Law, Title 51 RCW. The Service Provider recognizes that this waiver of immunity under Title 51 RCW was specifically entered into pursuant to the provisions of RCW 4.24.115 and was the subject of mutual negotiation. As used in this Section 10: (1) "City" includes the City, the City's officers, employees, agents, and representatives and (2) "Claims" include, but is not limited to, any and all losses, penalties, fines, claims, demands, expenses (including, but not limited to, attorney's fees and litigation expenses), suits, judgments, or damages, irrespective of the type of relief sought or demanded, such as money or injunctive relief, and irrespective of whether the damage alleged is bodily injury, damage to property, economic loss, general damages, special damages, or punitive damages. If, and to the extent, Service Provider employs or engages subconsultants or subcontractors, then Service Provider shall ensure that each such subconsultant and subcontractor (and subsequent tiers of subconsultants and subcontractors) shall expressly agree to defend and indemnify the City to the extent and on the same terms and conditions as the Service Provider pursuant to this Section 10.

## 11. **Insurance.**

A. Service Provider shall comply with the following conditions and procure and keep in force during the term of this Agreement, at Service Provider's own cost and expense, the following policies of insurance with companies authorized to do business in the State of Washington, which are rated at least "A" or better and with a numerical rating of no less than seven (7), by A.M. Best Company and which are acceptable to the City.

1. Workers' Compensation Insurance as required by Washington law and Employer's Liability Insurance with limits not less than \$1,000,000 per occurrence. If the City authorizes sublet work, the Service Provider shall require each subcontractor to provide Workers' Compensation Insurance for its employees, unless the Service Provider covers such employees.

2. Commercial General Liability Insurance on an occurrence basis in an amount not less than \$1,000,000 per occurrence and at least \$2,000,000 in the annual aggregate,

including but not limited to: premises/operations (including off-site operations), blanket contractual liability and broad form property damage.

3. Business Automobile Liability Insurance in an amount not less than \$1,000,000 per occurrence, extending to any automobile. A statement certifying that no vehicle will be used in accomplishing this Agreement may be substituted for this insurance requirement.

4. Professional Errors and Omissions Insurance in an amount not less than \$1,000,000 per occurrence and \$1,000,000 in the annual aggregate. Such coverage may be written on a claims made basis. If both parties agree that the Work does not warrant Service Provider providing Professional Errors and Omissions Insurance, this Section 11.A.4 may be stricken and initialed by both parties.

B. The above liability policies shall be primary as to the City and shall contain a provision that the policy shall not be canceled or materially changed without 30 days prior written notice to the City. No cancellation provision in any insurance policy shall be construed in derogation of the continuous duty of the Service Provider to furnish the required insurance during the term of this Agreement.

C. Upon written request by the City, the insurer or his/her agent will furnish, prior to or during any Work being performed, a copy of any policy cited above, certified to be a true and complete copy of the original.

D. Prior to the Service Provider performing any Work, Service Provider shall provide the City with a Certificate of Insurance acceptable to the City Attorney evidencing the required insurance. Service Provider shall provide the City with either (1) a true copy of an endorsement naming the City of Everett, its officers, employees and agents as Additional Insureds on the Commercial General Liability Insurance policy and the Business Automobile Liability Insurance policy with respect to the operations performed and services provided under this Agreement and that such insurance shall apply as primary insurance on behalf of such Additional Insureds or (2) a true copy of the blanket additional insured clause from the policies. Receipt by the City of any certificate showing less coverage than required is not a waiver of the Service Provider's obligations to fulfill the requirements.

E. If the policy listed in Section 11.A.4. above, Professional Errors and Omissions Insurance, is on a claims made policy form, the retroactive date on the policy shall be the effective date of this Agreement or prior. The retroactive date of any subsequent renewal of such policy shall be the same as the original policy provided. The extended reporting or discovery period on a claims made policy form shall not be less than 36 months following expiration of the policy. (This Section 11.E shall not apply if Section 11.A.4. above is stricken.)

F. Service Provider certifies that it is aware of the provisions of Title 51 of the Revised Code of Washington that requires every employer to be insured against liability of Workers' Compensation, or to undertake self-insurance in accordance with the provisions of that Title.

Service Provider shall comply with the provisions of Title 51 of the Revised Code of Washington before commencing the performance of the Work. Service Provider shall provide the City with evidence of Workers' Compensation Insurance (or evidence of qualified self-insurance) before any Work is commenced.

G. **Subject: Everett Three Lakes Pressure Sustaining Valve  
Electrical Design Scope and Fee Estimate**

Rich,

In response to the City's request to provide electrical power and controls for a new Pressure Sustaining Valve installation at the site of the existing Ball Valve Type PRV, we have developed this scope and fee estimate. We understand that the existing PRV has a three phase 230 VAC electric service and telemetry communications. The City requests we design standby power for this facility with an Automatic Transfer Switch and Standby diesel engine generator in a sound attenuated enclosure. The City wants to provide power and controls to the new 36" PSV vault with lighting, receptacles, a sump pump, exhaust fan and heat. We will monitor pipeline pressure above and below the PSV and will provide a remote operator interface in the PSV Vault. We will provide conduit and wiring back to the building for power, controls and telemetry monitoring. A future Flow meter vault will be provided for either an insertion type flow meter or a strap on ultrasonic flow meter. This future vault will require a sump pump and lighting, but no heat or exhaust fan. We understand that the City requests that the project design be completed by January 2017 and bid thereafter. The construction is expected to take into early 2018. A 60% submittal will be scheduled for September or early October.

To accomplish this we anticipate the following design tasks:

1. A site visit to check the installation with the original design drawings and mark changes that have been made by the City in construction of the block building.
2. Provide a one line diagram for the existing service with the addition of the ATS and standby generator and power extensions to the new PSV Vault and the future Flow Meter Vault. Provide a demand calculation to verify that all new equipment will fit within the existing service.
3. Generator calculations to determine that the station loads will start and run.
4. A plan and elevation for the new PSV vault with all equipment and wiring shown.
5. Control wiring for the PSV, open and close solenoids, valve position indication, upstream and downstream pressure transmitters and the future flow meter.

6. Telemetry Control Panel additions shown in elevation.

We will provide the following construction services tasks:

7. Contractor questions during bidding.
8. Submittal reviews.
9. Response to contractor questions during construction

10. Startup and testing.

11. Record drawings of built facilities.

Attached is our fee estimate for the above areas of the work.  
Please call if you have any questions on this proposal.

Sincerely,
