**DETAILED SUMMARY STATEMENT:**

Public Works has a need to replace two sewer-vacuum truck bodies for installation on separately purchased chassis. This equipment is available from competitively bid Washington State contract 01912. The City has an interlocal cooperative purchasing agreement with the state that allows us to make purchases from their competitively awarded contracts in lieu of soliciting bids on our own.

This purchase will replace two vehicles on the 2016 Approved Replacement List. Replaced vehicles will be surplus when replacements are put into service.

**RECOMMENDATION (Exact action requested of Council):**

Approve the Purchase of two Sewer-Vacuum Truck Bodies from State Contract 01912 in the amount of \$684,329.54 including Washington State Sales Tax.
