**DETAILED SUMMARY STATEMENT:**

The clean-up project for Everett Transit's Smith Street includes excavation, hauling, disposal at a Washington Department of Ecology approved site, and backfill in accordance with the Volunteer Cleanup Plan that has been approved by the Washington State Department of Ecology. Clean fill material will be placed on the site after clean-up.

The engineer's estimate for the environmental clean-up portion of the project (i.e., the excavation, hauling, disposal) is \$285,075 and the engineer's estimate for the fill placement portion of the project is \$259,114.

Construction is anticipated to start in September 2019 and take approximately two months to complete.

**RECOMMENDATION** (Exact action requested of Council):

Authorize the Call for Bids for the Smith Street Clean-up and Fill Project.
