**Fiscal summary statement:**

None.

**Budget amendment:**

Yes  No

**Project summary statement:**

At the August 21, 2019 Everett Transit workshop, City staff shared with Council that Community Transit staff was willing to share its organizational and planning perspectives related to the current Everett Transit structural and policy analysis work being undertaken this year. As part of Council's discussion of the workshop material, a request was made to arrange for a presentation from Community Transit.

**PowerPoint presentation:**

Yes  No

The information to be shared will be reviewed by city staff and addressed as part of the planned third and final transit workshop to be held later this year. That workshop's intended purpose is to share with council three policy options for consideration regarding future transit services operating within and to/from the City of Everett.

**Attachments:**

Powerpoint

Community Transit's Chief Operating Officer, Emmett Heath and Roland Behee, Community Transit's Manager of Planning, will jointly make the presentation.
