Hoyt Avenue streetscape- completion of the Susan Zoccola Inflorescence light sculptures using 1% for the Arts funds. Carol showed the artwork installed on Hoyt Avenue from Everett Ave to Wall. When Hoyt Ave is completed in spring of 2020, we would like to have Susan Zoccola create another five light sculptures for Hoyt Ave from Wall to Pacific. Carol asked the commission to approve the use of the 1% for arts fund up to \$65,000 to complete this project. Diane Wright made a motion to accept. Rosemary Jones seconded. All in favor.

Invisible Creature Mural – review preliminary sketches

Carol showed Don Clark's preliminary sketches. Commissioners preferred option one which was also the artist's preferred option. Feedback was that the mural should not include the Mukilteo lighthouse. There was also some concern about having Freddie Funko in the mural.

Broadway Bike Racks & Sculptures – reviewed prototype, discussed what the monumental sculptures would look like. Carol asked for approval to use the 1% for arts fund to a maximum of \$125,000 for the fabrication and installation of 22 bike racks and 4 large sculptures. Rosemary Jones made a motion to approve. Elizabeth Person seconded. All were in favor.
