## ATTEMPT TO ID SUSPECTS

### MEDIA RELEASE

May 19, 2017  
Case # 17-54408

At about 1:30 am on May 15<sup>th</sup>, Everett Police responded to an alarm at the 76 Station (2802 Hewitt Ave) where they found the front glass door broken and a white Honda leaving the business in a reckless manner. Due to safety concerns, officers did not pursue the Honda.

Surveillance video shows the Honda circled the business several times before using the front bumper to break the glass doors. The Honda left, but returned minutes later so the male driver could enter the business to steal cigarettes and scratch tickets. As officers arrived, the vehicle sped away.

The white male driver (pictured below) wore a blue hoodie with green writing, light colored jeans and black shoes.

Based on the investigation, it has been determined the white Honda is a stolen vehicle.

Detectives believe this male also burglarized Buds Garage (3015 Everett Ave) about 3 hours later by also using the Honda's bumper to force their doors open.
