Everett Police investigate shooting at 112th and Evergreen

EVERETT, WA – Everett Police are investigating a shooting that occurred late Thursday evening, March 7, at 112th and Evergreen.

Police were dispatched around 10:30 p.m. Thursday to reports of shots fired outside a BECU at 112th and Evergreen. Responding officers found an adult male with multiple gunshot wounds. They also contacted the alleged shooter, an adult male, on scene.

Initial reports indicate that the two men had arranged to meet so that one could sell the other an iPhone. During the interaction, the intended buyer allegedly pulled a fake gun and attempted to rob the seller. The seller responded by pulling a real gun and shooting the other man several times.

The man who was shot was transported to a local hospital with severe, life-threatening injuries.

This is an active investigation and Everett Police will share more information as it becomes available.
