

CITY OF EVERETT

**NOTICE OF CITY COUNCIL PUBLIC HEARING ON EMERGENCY ORDINANCE
MORATORIUM ON SUPPORTIVE HOUSING IN SINGLE FAMILY RESIDENTIAL ZONES**

NOTICE IS HEREBY GIVEN that the Everett City Council, pursuant to RCW 36.70A.390, will hold a Public Hearing on **Wednesday, July 10, 2019**, at their regular meeting beginning at 6:30 pm in the City Council Chambers located in the William E. Moore Historic City Hall, 3002 Wetmore Avenue. The purpose of the Public Hearing is to take public comments on the Emergency Ordinance No. 3686-19, adopted on June 12, 2019, which established a six-month moratorium on applications for “supportive housing” in single family residential zones.

“Supportive housing” is defined by Everett Municipal Code Title 19 (Zoning) as:

“Supportive housing” means a combination of housing, including low barrier housing, and services intended as a cost-effective way to help people live more stable and productive lives. The housing type is a multiple-family dwelling owned or sponsored by a qualified nonprofit provider or government entity, designed for occupancy by persons that are either (1) experiencing or at risk of experiencing homelessness; (2) are experiencing a disability that presents barriers to employment and housing stability; or (3) generally require structured supportive services such as case management and twenty-four-hour on-site facility management to be successful living in the community and is intended to provide long-term, rather than transitional, housing.

The public is welcome to attend and provide comments. If you have any questions regarding the emergency ordinance, please contact the Planning Department at 425-257-8731.

We strive to provide special accommodations for individuals with disabilities. Please contact the City Council office at least one week prior to the scheduled event if special accommodations are needed. The City is in compliance with Title VI of the Civil Rights Act of 1964 and Restoration Act of 1987, and related statutes and regulations in all its programs and activities.
