

GET INVOLVED

You can make a difference.

ATTEND OR JOIN A BOARD OR COMMISSION

Serving on one of the City commissions, boards or committees can be a fascinating and rewarding experience. These advisory bodies are responsible for sharing new ideas and giving feedback to staff.

VOLUNTEER WITH US

There are many volunteer opportunities available, depending on what interests you: animal shelter, library, public works, senior center, parks, police and more.

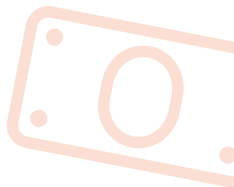

CONNECT WITH YOUR NEIGHBORHOOD

Everett is divided into 19 neighborhoods, each of which has its own neighborhood association led by community volunteers. As independent entities, the neighborhood associations work to enhance community engagement and civic involvement.

DONATE

Your generosity can provide support to our Safe Streets Flex Fund, support programs for seniors, aid animals in the shelter's care, help connect youth to resources, enhance library services and so much more.

STAY CONNECTED & INFORMED

Stay up to date by following us on social media, signing up for email or text notices, and attending public meetings.
