Permits, studies & environmental documents: A building permit (B1811-020) was previously issued for this project to construct the building up to 15 feet in height. Subsequent fill resulted in the structure measuring approximately 15'-10" from the surveyed average base elevation, requiring a Review Process II Planning Director Decision.

Preliminary determinations: No preliminary determination has been issued. This proposal is subject to the development regulations of the Everett Municipal Code.

The City complies with Title VI, the Civil Rights Act of 1964, the Restoration Act of 1987, and related statutes and regulations.
