

**By Directive of the Mayor of Everett
and Order of the Governor of Washington State**

All essential businesses providing goods and services within the city of Everett shall follow the recommendations of the Center for Disease Control and Prevention (CDC) when conducting essential activities and services.

Clearly post the attached notice to customers/clients at every business entrance. *By posting this notice, a business verifies that it is an "essential business" referenced in Governor Inslee's executive order issued on March 23, 2020.*

Restrict employees AND customers/clients showing symptoms of COVID-19 from entering the workplace in a manner consistent with CDC guidelines.

Ensure employees AND customers/clients maintain at least 6 feet from other people.

Ensure employees AND customer/clients wash hands with soap and water for at least 20 seconds as frequently as possible or use hand sanitizer, cover coughs and sneezes, and do not shake hands.

Take all steps necessary for employees AND customers/clients to conduct business from home to the extent possible.

Perform frequent cleaning of the workspace, especially frequently touched areas.

All public and private play equipment in common areas shall be closed with notice of closure posted.

ESSENTIAL BUSINESS NOTICE

**By Directive of Mayor of Everett
and Order of the Governor of Washington State**
