*ACKNOWLEDGEMENT: I have reviewed this application and confirm the information contained herein is true and correct. Work done pursuant to this permit must comply with current federal, state, and local law. The granting of a permit only authorizes approved work and no deviations therefrom. Deviations must first be authorized in writing from the Building Official before being authorized under any circumstance. I am the owner, or I am authorized by the owner of this property to perform the work for which application is made, and I comply with the State Contractors Law 18.27 RCW and 296.200A WAC.*
