

Water conservation tips

VOLUNTARY STAGE

Stages of water usage contingency plan

City of Everett Utility Services is asking customers to voluntarily reduce water use by 10%.

We are working to help manage water supplies at this time. Below are some great tips to help you use water wisely.

Find more information at savingwater.org.

Please consider doing the following:

Lawn and garden

- Let your lawn go dormant and limit plant watering to twice a week
- Water plants before 8 a.m. (best) or after 7 p.m.
- Wash your vehicle(s) at locations that recycle the water
- Do only essential pressure washing
- Minimize refilling swimming pools and hot tubs
- Turn off water features
- Fall is the best time for planting

Limit watering to twice a week

Water before 8 a.m. (best) or after 7 p.m.

Indoors

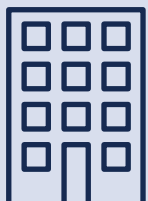

- Reduce your showering time
- Check for and fix leaks
- Wash only full loads of laundry and dishes
- Turn off the tap while brushing your teeth or shaving
- Don't pre-rinse dishes
- If purchasing fixtures/equipment, choose water-efficient models

Reduce showering time

Businesses

- Encourage reduced showering times at your facilities
- Serve water only on request
- Check for and fix leaks
- Wash only full loads of laundry and dishes
- Provide new towels only on request
- Check cooling towers for overflow and excessive blowdown
- If purchasing fixtures/equipment, choose water-efficient models
