Fall into green gardening
Did you know that fall is one of the best times to plant bulbs and other plants? Learn what additional things should be on your gardening to-do list. Join a local expert as they discuss pruning, mulching and weeding, then watch as your garden bounces back in the spring.

Tues, Sept 18 • 6:30 - 8 p.m.
Legion Hall, 145 Alverson Blvd

Evergreen Arboretum tour
Take a tour of the Evergreen Arboretum & Gardens with Trevor Cameron. Learn how they transplant plants, decide what to keep and what new native species are popping up around their ten themed gardens. Dress for the weather.

Tues, Sept 25 • 6 - 7:30 p.m.
Legion Hall, 145 Alverson Blvd

RainScaping Expo
Snohomish County is hosting an expo with engaging workshops, inspiring talks and local vendor booths featuring stormwater runoff solutions, services and products. Ciscoe Morris will give a talk on environmentally friendly gardening during the event.

Sat, Sept 29 • noon - 4 p.m.
McCollum Park, 600 128th St SE

Register at Everett.eventbrite.com

Make a rain barrel

Attend a “Make it, Take it” workshop and build your own rain barrel. Public Works will supply the barrels, parts and tools. You build your functional rain barrel at the workshop. The fee covers the price of the 55-gallon barrel and parts.

You must **pre-register** for the workshop. Call 425-257-8992 to sign up today.

*Space is limited.*

**Thurs, Sept 27 • 7 p.m.**
**Tues, Oct 23 • 7 p.m.**

Public Works, 3200 Cedar St

Cost: $40/barrel (payable by check or cash)

Buy a rain barrel

Purchase a premade barrel at these one-day events. Each 55-gallon barrel includes a spigot, an overflow, and a double screen on top to keep out debris.

You do not need to register, just show up on day of sale.

**Sat, Sept 15 • 9 a.m. - noon**
**Sat, Oct 20 • 9 a.m. - noon**

Public Works, 3200 Cedar St

Cost: $55 each (payable by check or cash)
