Rain garden tour
Saturday, Oct. 12 • 10 a.m. – noon
Washington Oakes
1717 Rockefeller Ave.
Be inspired while exploring some north Everett rain gardens. These gardens do all the work in your yard by collecting, absorbing and filtering the rain that runs off your roof. Rain gardens are a great alternative to a lawn.
We will start the tour at Washington Oakes with introductions and head out to view nearby rain gardens.
Come dressed for the weather.

Alternatives to lawn
Thursday, Oct. 3 • 6:30 – 8 p.m.
Fire Station #4
5920 Glenwood Ave.
Tired of always mowing the lawn? Stop the seemingly never-ending battle against moss by discovering some alternatives to lawn. We will discuss unique landscaping that is not only beautiful, but can manage some of the heavy lifting on your property like stormwater runoff. Some topics to be explored include bog gardens, filter strips, terraces, buffers, berms, splash blocks, layered plantings, and permeable pathways.

GREEN GARDEN, GREEN HOME

YARD TIPS

- Adopt a neighborhood storm drain. Keep it free of litter and sediment to prevent flooding.
- Clean roof gutters of leaves and debris before fall rains.
- Use leaves as mulch in garden beds or rake them into your yard waste bin.
- Think twice before using pesticides and fertilizers on yard. Always read the label and apply as directed.

HOME TIPS

- Store chemicals and toxic household items in a safe place. Clean up spills immediately.
- Use detergent sparingly when cleaning outside. Avoid soaps with phosphates.

PET TIP

- Pick up your dog’s waste every time. Scoop it, bag it and put it in the trash.

Only rain down the drain. Report pollution to 425-257-8821.
